Chapter 2 - Intervention in Local Authorities

Section 22 – Warning notice

34. This section provides that if one or more of the three grounds set out in section 21 exist, the Welsh Ministers may issue a warning notice to the local authority and specifies what information a warning notice must contain. The warning notice must, among other things, explain why the Welsh Ministers consider the grounds for intervention exist and what the local authority must do to deal with them. A warning notice is generally the start of the intervention process by the Welsh Ministers in a local authority, and may lead to the Welsh Ministers' powers of intervention being exercised.
