COMMENTARY ON SECTIONS

Part 3 - Arrangements for local government

Chapter 4 - Procedure for local government reviews

Section 34 – Pre-review procedure

43. Prior to starting a review, the Commission or the principal council conducting the review must notify the mandatory consultees (listed in the section) that a review is about to take place.
44. The section also requires the Commission to advise the mandatory consultees of the procedure and methodology it is going to follow in conducting an electoral review of a principal area. In particular this will deal with its approach to determining the appropriate number of members for the council for that area.
