Chapter 4 - Procedure for local government reviews

Section 36 – Reporting on review

47. [Section 36](#) provides the procedure for reporting on a review by a reviewing body following the consultation period under section 35. Once the reviewing body has considered the representations received during the consultation period they must then prepare a further report. This section makes detailed provision regarding what the further report should contain dependent on the type of review undertaken.
48. The reviewing body must then submit the report and its recommendation to the person or body who has the power to implement the recommendations (except when the reviewing body is itself the implementing authority). It must also ensure that the report is published electronically and is available for public inspection for a period of at least 6 weeks beginning with the date of publication.
49. The reviewing body must also ensure a copy of the further report is sent to the mandatory consultees, Ordnance Survey and the Welsh Ministers. Any other person who has submitted evidence or made representations in relation to the report under section 35 of the Act must be informed of how to obtain a copy.
