#### **Part 6 - Looked after and Accommodated Children**

##### ***Section 88 - Regulations about conditions under which a child in care is allowed to live with a parent etc***

269. [Section 88](#) contains an example of the way in which the regulation making power in section 87 could be used to impose requirements on local authorities about the circumstances in which a looked after child may be placed with their parent or other person with parental responsibility. Such regulations may include requirements about a local authority's decision making processes; requirements about the supervision or medical examination of the child; or circumstances in which children can be removed from the place where the child is living.
