5 Fee limit

- (1) A fee and access plan relating to an institution must—
 - (a) specify, or
 - (b) provide for the determination of,

a fee limit, in relation to each qualifying course and in respect of each relevant academic year (and for this purpose may specify, or provide for the determination of, different fee limits in relation to different courses and in respect of different relevant academic years).
- (2) For this purpose—
 - (a) a fee limit, in relation to a course, is a limit that the fees payable to the institution by a qualifying person, in connection with the person's undertaking the course, may not exceed;

- (6) The power to prescribe a description of course under this section may not be exercised so as to prescribe a postgraduate course, unless it is a course of initial teacher training.
- (7) Nor may the power to prescribe a description of course under this section be exercised so as to discriminate—
 - (a) in relation to courses of initial teacher training, between different courses on the basis of the subjects in which such training is given;
 - (b) in relation to other courses, between different courses at the same or a comparable level on the basis of the areas of study or research to which they relate.
- (8) An international student is a person who does not fall within any class of persons prescribed under section 1 of the Education (Fees and Awards) Act 1983 (charging of higher fees in case of students not having prescribed connection with the United Kingdom) for the purposes of subsection (1) or (2) of that section.
- (9) Regulations may make provision for circumstances in which fees payable to a person, in connection with a qualifying person's undertaking a course, or part of a course, provided on behalf of an institution, are to be treated for the purposes of subsection (2)
 - (a) as being payable to that institution in connection with the qualifying person's undertaking the course.
