COMMENTARY ON SECTIONS

Part 4: Priority Qualifications and Approval of Qualifications

Section 24: Rules about applications for approval

57. Qualifications Wales must make and publish rules about how applications for approval are made, which may cover what such applications should contain and whether and how any fee must be paid (providing such a fee has been included in a published scheme approved by the Welsh Ministers under section 49). The rules may make different provisions for different purposes – for example there may be particular rules that apply to applications for the approval of restricted priority qualifications and not to other types of priority qualifications.
