COMMENTARY ON SECTIONS

Part 5: Designation of Other Qualifications

Section 33: Rules about applications for designation

71. This section requires Qualifications Wales to make and publish rules about how applications for designation must be made. The rules may address what such applications should contain and whether and how any fee must be paid (providing such a fee has been included in a published scheme approved by the Welsh Ministers under section 49). The rules may make different provisions for different purposes – for example there may be particular rules that apply to applications for the designation of qualifications used in apprenticeships.
