PART 1

GENERAL

The Public Guardian

7 The Public Guardian: further provision

- (1) The Scottish Ministers may prescribe—
 - (a) the form and content of the registers to be established and maintained under section 6(2)(b) and the manner and medium in which they are to be established and maintained;
 - (b) the form and content of any certificate which the Public Guardian is empowered to issue under this Act;
 - (c) the forms and procedure for the purposes of any application required or permitted to be made under this Act to the Public Guardian in relation to any matter;
 - (d) the evidence which the Public Guardian shall take into account when deciding under section 11(2) whether to dispense with intimation or notification to the adult.
- (2) The Public Guardian may charge the prescribed fee for anything done by him in connection with any of his functions under this Act and he shall not be obliged to act until such fee is paid.
- (3) Any certificate which the Public Guardian issues under this Act shall, for the purposes of any proceedings, be conclusive evidence of the matters contained in it.
