Part 1: the Commission and Care Services

Registration

Section 8: Limited registration

48. Subsection (1) provides for the Commission to register on a limited basis residential accommodation which does not require to be registered as a care service, for the sole purpose of permitting the manager to apply to manage the finances of an adult with incapacity under the provisions of the Adults with Incapacity (Scotland) Act 2000. Applications so granted will be considered limited registrations.
49. Subsection (2) provides that the information to be supplied with such an application should be the same as for a care service seeking registration under Part 1. Subsections (3) and (4) provide that various registration, inspection and enforcement provisions which apply to care services should also apply to those granted limited registration.
