10. This section enables parties to agree leases for grazing or mowing, for periods of up to 364 days. Such leases are not subject to the same statutory requirements as other statutory leases. Sections 1(3) and 4(1) and (2) of the 2003 Act are also relevant to this type of lease.
11. Subsection (2) provides that a period of at least one day is required between successive grazing and mowing lets involving the same parties. A grazing or mowing lease will be deemed to be an SLDT if its duration exceeds 364 days (see paragraph 13).
