COMMENTARY ON SECTIONS

Part 9 - Compulsion Orders

Chapter 2: review of compulsion orders

Revocation of order by responsible medical officer or Commission

Section 143: Commission's power to revoke compulsion order

283. [Section 143](#) gives power to the Commission to revoke a compulsion order if the Commission considers that not all the conditions specified in section 139(4) are met or, even if those conditions are met, that it is no longer necessary for the patient to be subject to the compulsion order. The Commission must then follow the notification procedure under section 144. As with the revocation of the compulsion order by the responsible medical officer, the Commission does not require the approval of the Tribunal or any other person to revoke the order and the revocation is not subject to appeal.
