Chapter 2: review of compulsion orders

Extension of order following further review

Section 153: determination extending compulsion order: notification

293. **Section 153** provides that the responsible medical officer must make a record of the determination extending a compulsion order following a further review. The content of the record and the notification procedure is detailed in subsection (2). The responsible medical officer need not send a copy of the record to the patient if doing so would put the patient or anyone else at risk of significant harm. The responsible medical officer is also under a duty to make a statement of the matters mentioned in subsection (5) (which relate to whether a copy of the record is being sent to the patient) and send the statement to the Tribunal, the patient's named person, the mental health officer and the Commission.
