(1) If, on application made to it by the owner of the land or the community body, the Lands Tribunal is satisfied that, following the making of an offer in pursuance of section 56 above, the owner of the land or the community body has unreasonably delayed the progress of transferring title to the land to the community body, the Tribunal may order the owner of the land or, as the case may be, the community body to take such remedial action as is specified in the order and to do so within such time as is so specified.

the Lands Tribunal may make an order authorising the community body to acquire the land subject to such terms and conditions as may be specified in the order and requiring the owner of the land to transfer the land to the community body in accordance with such terms and conditions.
