General provisions

Schedule 4 – Miscellaneous provision

Paragraph 10 – Electricity Act 1989 (c.29)

110. *Paragraph 10* repeals the duty placed by Schedule 9 of the Electricity Act 1989 on a licence holder or an authorised person to generate or supply electricity to consult with the Ancient Monuments Board for Scotland and the Historic Buildings Council for Scotland over a statement of how sites, buildings and objects of architectural, historic or archaeological interest will be protected.
