##### **Recording or registration of orders**

237. Paragraph 14 requires any LMO, amending order or revoking order to be recorded in the General Register of Sasines or registered in the Land Register of Scotland, whichever is appropriate at that particular time in relation to the area of land concerned. The practice of recording or registering orders reflects similar arrangements in relation to NCOs and ensures that the existence of any LMO is apparent to anyone who searched the relevant register.
