

Fire (Scotland) Act 2005

2005 asp 5

PART 4

MISCELLANEOUS

Consultation requirements

82 Pre-commencement consultation

Where—

- (a) consultation is required to take place under a provision of this Act; and
- (b) before the provision comes into force, consultation takes place which would have satisfied the requirements of the provision to any extent if it had been in force,

those requirements shall be taken to have been satisfied to that extent.
