THE ACT

Part 1: Electoral Administration

Section 29 Details to appear on election publications

57. This section repeals section 110 of the 1983 Act, so far as it applies to Scottish local government elections, covering the details to appear on election material and replaces it with a new section 110A. The new section 110A has the effect of introducing for local government elections in Scotland the amendment made by paragraph 14 of Schedule 18 to the 2000 Act. It widens the scope of the original section 110 by extending whose details are to be provided on the election publication and does this by replacing the term “publisher” with “promoter” and by providing that the name and address of any person on behalf of whom the material is being published (and who is not the promoter) are to be provided on the election publication.
