Section 20 Anonymous registration: miscellaneous amendments

42. This section provides for a number of miscellaneous amendments to the 1983 Act and the Representation of the People 2000 Act linked to the procedure at elections involving voters who are registered anonymously. These include procedures for the sending of electoral registration material by post to voters registered anonymously, the exclusion of any person who is registered anonymously from presenting a petition questioning a local government election in Scotland and procedures involving absent voting. The provisions referred to are inserted into the 1983 and 2000 Acts by the UK Electoral Administration Act. This section will extend those UK Act provisions so that they apply also to Scottish local government elections.
