## EXPLANATORY NOTES

### COMMENTARY ON SECTIONS

#### **Part 3 – Miscellaneous and general**

#### ***Section 32 – Power to fell, etc. trees or shrubs***

153. Subsection (1) enables the authorised undertaker to fell, lop or cut back the roots of any tree or shrub that is near either any part of the authorised work or any land proposed to be used for the authorised works. The power is exercisable if the authorised undertaker reasonably believes it to be necessary in order to prevent the tree or shrub—
- from obstructing or interfering with the maintenance or operation of the authorised works or associated apparatus; or
  - from constituting a danger to those using the authorised works.
- The powers are exercisable in relation to any tree or shrub that comes within the tests in subsection (1), whether inside or outside the limits of deviation and the limits of land to be acquired or used.
154. Subsection (2) requires that the authorised undertaker is not to damage a tree or shrub unnecessarily.
155. Subsection (3) requires the authorised undertaker to pay compensation to any person who suffers loss or damage arising from the exercise of this section.
156. Under subsection (4) any dispute as to compensation will be determined by the Lands Tribunal for Scotland in accordance with the Land Compensation (Scotland) Act 1963.
157. Subsection (5) disapplies any tree preservation order or prohibition on interfering with trees in conservation areas which might otherwise apply.
