#### ***The Adoption Process***

#### ***Section 36 - Revocation of supervision requirement***

150. Under this section, where the child is subject to a supervision requirement (see section 119 for the definition of this term) and the court is satisfied that compulsory measures of supervision (as defined in that section) would (by virtue of the making of the adoption order) no longer be necessary, the court must make an order providing that the supervision requirement ceases to have effect on the making of the adoption order.
