

These notes relate to the Public Health etc. (Scotland) Act 2008 (asp 5) which received Royal Assent on 16 July 2008

PUBLIC HEALTH ETC. (SCOTLAND) ACT 2008

EXPLANATORY NOTES

THE ACT – OVERVIEW

Part 2

Notifiable Diseases, Notifiable Organisms and Health Risk States

Supplementary provision

Section 19 Notifiable diseases etc.: further provision

39. This section allows the (1)Scottish Ministers to make provision, by regulations, (a)as to the way in which notification is to be made, including the way in which the information is to be provided and the manner in which the authenticity or integrity of any electronic communication may be established. The provision in regulations may include: the person by whom the information is to be provided; the person to whom it is to be provided; the nature of the information to be provided; the form and manner in which it is to be provided; and the time by which the information is to be provided. Regulations made under this section may modify any enactment, including this Act, and are to be made by negative procedure.
