FLOOD RISK MANAGEMENT (SCOTLAND) ACT

EXPLANATORY NOTES

THE ACT – SECTION BY SECTION

Part 3 – Flood Risk Assessment, Maps and Plans

Section 15 – Potentially vulnerable areas and local plan districts: regulations

48. **Section 15** enables the Scottish Ministers to make more detailed provision, by regulations, as to the form and content of documents about potentially vulnerable areas and local plan districts, consultation by SEPA in relation to the preparation of such documents, arrangements for making documents available to the public, the process to be followed in preparing, reviewing or updating documents and any other matters in relation to these documents.
