FLOOD RISK MANAGEMENT (SCOTLAND) ACT

EXPLANATORY NOTES

THE ACT – SECTION BY SECTION

Part 4 – Flood Risk Management: Local Authority Functions

Section 64 - Registers of flood protection schemes: regulations etc

194. **Section 64** enables the Scottish Ministers to make further regulations on the content of a register, the time by which information must be entered into a register, the circumstances under which information should be removed from a register and the date by which one local authority must notify another of information about a flood protection scheme that should be entered in its register.
195. Subsection (2) also provides for regulations to make further provision about the availability of registers, including the form and manner in which they should be made available and the sharing of registers with specified third parties, who may themselves be required by regulations to make information from a register available to the public.
