- (4) SEPA's identification—
 - (a) of any area under subsection (1) is to be based on the flood risk assessment prepared by it under section 9 for the district in which the area is situated,

 - (b) any further modification which SEPA considers appropriate.
- (9) An area referred to in subsection (1) and identified in a document approved under this section or section 14 is referred to in this Part as a “potentially vulnerable area”.
