

# Flood Risk Management (Scotland) Act 2009

2009 asp 6

## PART 1

### GENERAL DUTY, DIRECTIONS AND GUIDANCE

#### **1 General duty**

- (1) The Scottish Ministers, SEPA and responsible authorities must exercise their flood risk related functions with a view to reducing overall flood risk and, in particular, must exercise their functions under Part 3 so as to secure compliance with the Directive.
- (2) In exercising their functions in pursuance of subsection (1), the Scottish Ministers, SEPA and responsible authorities must—
  - (a) so far as such exercise affects a flood risk management district, act with a view to achieving the objectives set out in the flood risk management plan for that district as approved under section 32,
  - (b) have regard to the social, environmental and economic impact of such exercise of those functions,
  - (c) so far as is consistent with the purposes of the flood risk related function concerned—
    - (i) act in the way best calculated to manage flood risk in a sustainable way,
    - (ii) promote sustainable flood risk management,
    - (iii) act with a view to raising public awareness of flood risk, and
    - (iv) act in the way best calculated to contribute to the achievement of sustainable development, and
  - (d) so far as practicable, adopt an integrated approach by co-operating with each other so as to co-ordinate the exercise of their respective functions.
- (3) For the purposes of co-operating with each other under subsection (2)(d), the Scottish Ministers, SEPA and responsible authorities may enter into agreements with each other.
- (4) In this Act, “flood risk related functions” means—
