COMMENTARY ON SECTIONS

Part 8 - Licensing under Civic Government (Scotland) Act 1982

Section 177 - Licensing of late night catering

744. Under section 42 of the 1982 Act, premises providing meals and refreshments between 11pm and 5am require to be licensed, where licensing authorities have opted to have a late night catering licensing regime. This section replaces the references to “meals or refreshments” with “food”, thus bringing late-night grocers and 24-hour stores within the scope of the provisions. It will continue to be for licensing authorities to determine which classes of premises actually require to be licensed.
