COMMENTARY ON SECTIONS

Part 9 - Alcohol Licensing

Section 180 - Premises licence applications: notification requirements

752. This section amends the list of those to whom the Licensing Board must send a copy of an application when undertaking its obligations under section 21(1) of the Licensing (Scotland) Act 2005. Previously a copy of the application was required to accompany each notice issued under section 21(1) of the 2005 Act. The section also removes the chief constable's obligation to provide the Board with antisocial behaviour reports. A Licensing Board's ability to request such reports is now provided for under section 24A of the Licensing (Scotland) Act 2005, inserted by section 183 of the Act.
