#### ***Section 57 – Licensing Standards Officers: general function in relation to personal licences***

192. **Section 57** amends section 14(1) of the 2005 Act which deals with general functions of Licensing Standards Officers. This provision makes it clear that Licensing Standards Officers have a new general function of being able to provide information to Licensing Boards about the conduct of personal licence holders or applicants for a personal licence which is inconsistent with the licensing objectives.
