Status: This is the original version (as it was originally enacted).

- 2 The authorised undertaker shall not undertake any works for the protection of river banks at sites ID8, ID9, ID11, ID22, ID24, ID27, ID28, ID29, or ID37.
- 3 The location of any work for the protection of river banks to be undertaken by the authorised undertaker at sites ID4, ID18, ID35, ID36, ID38, ID41, ID42 and ID43 shall be approved by SNH.
- 4 Before commencing the construction of any works, or carrying out any operations, at any of the sites to which this schedule applies, the authorised undertaker shall consult SNH regarding—
- (a) detailed engineering design;
 - (b) construction methods;
 - (c) pollution control;
 - (d) timing of works and operations;
 - (e) conservation of specific habitats or of habitats of specific species,
- and shall implement such detailed mitigation measures regarding such matters as SNH may require.
- 5 The authorised undertaker shall secure that the code of construction practice is amended from time to time as appropriate so as to procure the carrying out of measures required pursuant to paragraph 4.
- 6 Where and to the extent that any measure required by paragraph 4 cannot be dealt with in the code of construction practice (as from time to time amended or replaced), it shall be specified in an agreement to which the local planning authority and the authorised undertaker are party.
- 7 Any provision amending the code of construction practice pursuant to paragraph 5, and the provisions of any agreement entered into pursuant to paragraph 6, shall have effect as a condition to which section 48 applies.
