

Airdrie-Bathgate Railway and Linked Improvements Act 2007

2007 asp 19

The Bill for this Act of the Scottish Parliament was passed by the Parliament on 28th March 2007 and received Royal Assent on 8th May 2007

An Act of the Scottish Parliament to authorise the construction of new railways between Drumgelloch and Bathgate, including new stations at Caldercruix and Armadale; to authorise the use of land for relocated stations at Drumgelloch and Bathgate; to authorise related improvements to the existing railways between Airdrie and Drumgelloch and Bathgate and Edinburgh; to regularise the operation of certain enactments relating to the existing railway affected by the works so authorised; and for connected purposes.

PART 1

WORKS, ETC.

Works

1 Power to construct scheduled works and ancillary works

The authorised undertaker may construct—

- (a) the scheduled works referred to in section 2 (“the scheduled works”); and
- (b) the ancillary works referred to in section 3 (“the ancillary works”).

2 The scheduled works

- (1) The scheduled works are the works situated within the lateral limits of deviation shown on the Parliamentary plans, at the levels shown on the Parliamentary sections and specifically described in schedule 1 to this Act.
- (2) The extent of the scheduled works for which authority is given by this section is subject to section 4 (which permits deviation within limits from the lines and levels shown on the Parliamentary plans and sections).

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

3 The ancillary works

- (1) The ancillary works are such works of the nature described in schedule 2 to this Act as may be necessary or expedient for the purposes of, in connection with or in consequence of the construction of the scheduled works.
- (2) Subject to subsection (3), subsection (1) only authorises the carrying out or maintenance of works—
 - (a) within the limits of deviation; and
 - (b) on land specified in columns (1), (2) and (3) of Part 1, 2 or 3 of schedule 5 for the purpose specified in relation to that land in column (4) of that Part (being land shown on the Parliamentary plans as lying within the limits of land to be acquired or used).
- (3) The authorised undertaker may construct and maintain ancillary works identified in paragraphs 10 and 11 of schedule 2 to this Act anywhere within the limits of deviation or the limits of land to be acquired or used.

4 Permitted deviation within limits

In constructing or maintaining the scheduled works the authorised undertaker may—

- (a) deviate laterally from the lines or situations shown on the Parliamentary plans within the limits of deviation for that work shown on those plans; and
- (b) deviate vertically from the levels shown on the Parliamentary sections—
 - (i) upwards by a maximum of 3 metres; and
 - (ii) to any extent downwards.

5 Access to works

- (1) The authorised undertaker may, for or in connection with the authorised works, form and lay out means of access, or improve existing means of access, to or from any public road—
 - (a) at the points shown on the Parliamentary plans; or
 - (b) in such location or locations within the limits of deviation or the limits of land to be acquired or used as may be approved by the roads authority.
- (2) Approval of the roads authority under subsection (1)(b) shall not be unreasonably withheld or delayed and any question whether an approval has been unreasonably withheld or delayed shall, unless the parties otherwise agree, be determined by arbitration.

6 Construction, maintenance and vesting of new or altered roads and vesting of bus lay-by, car parks and cyclepath

- (1) Each of the roads specified in columns (1) and (2) of Part 1 of schedule 11 to this Act, excluding any structures specified in column (3) shall, unless otherwise agreed between the authorised undertaker and the roads authority, be completed to the reasonable satisfaction of the roads authority.
- (2) Following completion of any road to which subsection (1) applies, the road shall, unless otherwise agreed between the authorised undertaker and the roads authority, be maintained by and at the expense of the authorised undertaker for a period of 12 months from its completion.

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

- (3) Subject to subsections (4) and (9), on completion of each of the authorised works specified in column (1) of Part 2 of schedule 11 to this Act, title to that work, and in the case of the road, bus lay-by or car parks—
- (a) the land on which each of them is constructed; and
 - (b) any other land acquired by the authorised undertaker for the purpose of constructing the road, bus lay-by or car parks,
- shall, at the time specified in column (2), by virtue of this section vest in the roads authority.
- (4) The extent of the roads vested by virtue of subsection (3)—
- (a) shall not include—
 - (i) any structure specified in column (3) of Part 1 of schedule 11; or
 - (ii) any operational land held by Network Rail; and
 - (b) shall be subject to any determination by the authorised undertaker;
- and such vesting shall be subject to such rights as may be requisite for the benefit or protection of the authorised works or Network Rail's railway undertaking.
- (5) Following completion of the structures described in column (3) of Part 1 of schedule 11 to this Act, those structures shall vest in Network Rail (if not already so vested).
- (6) The authorised undertaker shall give the roads authority notice in writing with a certificate that any authorised work to which subsection (3) applies is complete.
- (7) The roads authority may, within 21 days after such service, give the authorised undertaker a counter-notice in writing that the notice is disputed on the ground that the work is not complete.
- (8) Any dispute as to the completion of a work shall be determined by arbitration, and the determination of the arbiter (or other person to whom the dispute is referred) shall be final and binding.
- (9) Any work or associated land which is the subject of a notice under subsection (6) shall vest—
- (a) 28 days after the service of the notice;
 - (b) on the date of a determination under subsection (8) that the work is complete;
 - (c) on the date on which the authorised undertaker complies with any conditions for completion that are specified in the determination; or
 - (d) on the completion of the work as provided by subsection (3),
- whichever is the latest.
- (10) A certificate issued by or on behalf of the authorised undertaker as to the date on which the authorised undertaker complied with any conditions of the sort referred to in subsection (9)(c) together, if so requested by the roads authority, with a report from a consultant to be agreed between the authorised undertaker and the roads authority confirming such compliance, shall for the purposes of this section be conclusive evidence of such compliance.
- (11) Nothing in this section shall prejudice the operation of section 146 of the 1991 Act (which enables the local roads authority to declare that a road shall become a public road); and the authorised undertaker shall not by reason of any duty under this section to maintain a road be taken to be the roads authority in relation to that road for the purposes of Part IV of that Act.

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

- (12) Nothing in this section shall have effect in relation to road works in respect of which the provisions of Part IV of the 1991 Act apply.

7 Vesting of private accesses

- (1) Subject to subsections (3) and (8), on completion of each of the private accesses specified in columns (1) and (2) of Part 3 of schedule 11 to this Act, the private access and its associated land shall, if they are vested in the authorised undertaker, by virtue of this section vest in the intended owner.
- (2) Any vesting effected by subsection (1) shall be subject to such rights specified by the authorised undertaker as may be requisite to reflect public or private rights in any access for which the private access is a substitute.
- (3) The extent of the private access vested by virtue of subsection (1)—
- (a) shall not include—
 - (i) any structure specified in column (3) of Part 3 of schedule 11 to this Act; or
 - (ii) any operational land held by Network Rail; and
 - (b) shall be subject to any determination by the authorised undertaker.
- (4) Following completion of the structures specified in column (3) of Part 3 of schedule 11 to this Act, those structures shall vest in Network Rail (if not already so vested).
- (5) The authorised undertaker shall give every person in whom it intends to vest any access or associated land under this section not less than 28 days' notice in writing specifying—
- (a) the private access or associated land that is to be vested;
 - (b) details of any other person in whom that access or land is to be vested; and
 - (c) details of any rights to which the access or land is to be subject and of every person who has or will have such rights,
- together with a certificate that the access is complete.
- (6) A person on whom a notice is served under subsection (5) may, within 21 days after such service, give the authorised undertaker a counter-notice in writing that the notice is disputed on the grounds that—
- (a) the person on whom the notice has been served is not such a person as is described in subsection (10);
 - (b) the access is not complete; or
 - (c) any rights specified under subsection (5)(c) are not such as described in that subsection.
- (7) Any dispute as to whether a person is such a person as is described in subsection (10), as to the completion of a private access or as to whether rights specified in a notice are such as described in subsection (5)(c) shall be determined by arbitration, and the determination of the arbiter (or other person to whom the dispute is referred) shall be final and binding.
- (8) Any private access or associated land which is the subject of a notice under subsection (5) shall vest—
- (a) 28 days after the service of notice under subsection (5);

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

- (b) on the date of a determination under subsection (7) that the person on whom the notice has been served is such a person as is described in subsection (10) and that the access is complete;
 - (c) on the date on which the authorised undertaker complies with any conditions for completion that are specified in the determination; or
 - (d) on the completion of the access as provided by subsection (1),
- whichever is the latest.
- (9) A certificate issued by or on behalf of the authorised undertaker as to the date on which the authorised undertaker complied with any conditions of the sort referred to in subsection (8)(c) shall for the purposes of this section be conclusive evidence of such compliance.
- (10) In this section “intended owner” means a person or persons identified by the authorised undertaker to become the owner of a private access constructed under this Act as being—
- (a) the owner of the private access for which the private access being vested is a substitute; or
 - (b) the owner of land that is served by the private access.

8 Vesting of freight depot and associated facilities

- (1) On the completion of Work No. 1G, Work No. 46 or the provision of a rail freight and car stabling depot at Boghall, whichever is later, plots nos. 839 and 840 in West Lothian shall by virtue of this section, and subject to such rights as may be requisite for the benefit or protection of Network Rail's railway undertaking, vest in EWS Railway.
- (2) The authorised undertaker shall give EWS Railway not less than 28 days' notice in writing with a certificate that any work or facility referred to in subsection (1) is complete.
- (3) The provisions of subsections (7) to (10) of section 6 shall apply to a notice given under subsection (2) of this section as if any reference in those subsections to a work or associated land were a reference to any work or facility referred to in subsection (1) of this section, and as if references to the roads authority were references to EWS Railway.
- (4) In this section “EWS Railway” means English Welsh and Scottish Railway Limited (company no. 02938988).

9 Registration of vested land

- (1) The Keeper of the Registers of Scotland may, without prejudice to [F1Part 2 of the Land Registration etc. (Scotland) Act 2012 (asp 5)], register any land vested under section 6, 7 or 8 on receiving the material specified in subsection (2).
- (2) The material referred to in subsection (1) is—
 - (a) particulars of the land vested under section 6, 7 or 8 sufficient to enable the Keeper to identify it by reference to the Ordnance Map;
 - (b) particulars of the person or persons in whom the land is vested;
 - (c) an application for registration made by or on behalf of the authorised undertaker or the person in whom the land is vested;
 - (d) details of any rights to which the vesting is subject;

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

- (e) such proof as the Keeper may require that the events giving rise to the vesting have happened; and
- (f) such other documents and evidence as the Keeper may require in order to satisfy himself that the vesting should be registered.

10 Permanent stopping up of roads

- (1) Subject to the provisions of this section, the authorised undertaker may, in connection with the construction of the authorised works, stop up each of the roads specified in columns (1) and (2) of Part 1 of schedule 3 to this Act to the extent specified (by reference to the letters and numbers shown on the Parliamentary plans) in column (3) of that Part.
- (2) No part of a road specified in Part 1 of schedule 3 to this Act in relation to which a substitute road is specified in column (4) of that Part shall be stopped up under this section until either—
 - (a) the substitute has been completed to the reasonable satisfaction of the roads authority and is open for public use; or
 - (b) a temporary alternative route is first provided and thereafter maintained by the authorised undertaker to the reasonable satisfaction of the roads authority between commencement and termination points of the road to be stopped up until completion of the new road in accordance with paragraph (a).
- (3) Where any part of a road has been stopped up under this section—
 - (a) all rights of way over or along the stopped up part of the road shall be extinguished; and
 - (b) the authorised undertaker may, without making any payment, appropriate and use for the purposes of the authorised works so much of the site of the road as is bounded on both sides by land within the limits of deviation of the authorised works.
- (4) Any person who suffers loss by the extinguishment of any private right of way under this section shall be entitled to compensation to be determined, in case of dispute, under the 1963 Act.
- (5) Any dispute under subsection (2) as to the completion of a substitute road or the provision or maintenance of an alternative route shall, unless the authorised undertaker and the roads authority otherwise agree, be determined by arbitration.
- (6) This section is subject to paragraph 2 of schedule 7 to this Act.

11 Private crossings

- (1) If the authorised undertaker proceeds with the authorised works it shall make and maintain the private crossings under or over the railway described in Part 1 of schedule 4 to this Act (“the continuing private crossings”).

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

- (2) The continuing private crossings shall be provided for the use of the persons (if any) entitled under any existing enactment to use the existing private crossings at those points, and those persons shall be entitled to use the continuing private crossings on the same basis in all respects as they are entitled to use the existing private crossings.
- (3) The authorised undertaker shall provide and maintain at each of the continuing private crossings such equipment as may from time to time be required for compliance with any requirement made under any enactment and, subject to such compliance, as may be agreed in relation to any crossing between the authorised undertaker and the person entitled to use the crossing.
- (4) Nothing in section 60 of the 1845 Act, as incorporated with this Act, shall require the authorised undertaker to provide any other private crossing for the purpose of making good any interruption caused by the authorised works to the use of any lands to which there attaches an entitlement to use any of the continuing private crossings.
- (5) The authorised undertaker may stop up and discontinue the private crossings described in Part 2 of schedule 4 to this Act and on such stopping up and discontinuance all rights of way across those crossings (if any) shall be extinguished and any obligation to maintain them as crossings (howsoever arising) shall cease to have effect.
- (6) Any right or servitude which relates to a crossing of the former railway and which is not described in Part 2 of schedule 4 to this Act shall be extinguished and any obligation relating to such a crossing (however arising) shall cease to have effect.
- (7) Any person who suffers loss by the extinguishment of any right of way over any of the crossings described in Part 2 of schedule 4 to this Act shall be entitled to compensation to be determined, in case of dispute, under the 1963 Act.

12 Power to execute road works

- (1) The authorised undertaker may, for the purposes of exercising the powers conferred by this Act to construct any scheduled work having a junction with a road, enter upon any road and execute any works required for or incidental to the exercise of those powers.
- (2) In exercise of the powers of subsection (1) the authorised undertaker may break up or open the road, or any sewer, drain or tunnel under it, may tunnel or bore under or open the road and may remove and use the soil or other materials in or under the road.

13 Works to be major works for roads purposes

- (1) Works to which subsection (2) applies shall be treated for the purposes of Part IV of the 1991 Act as major works for roads purposes if—
 - (a) they are of a description mentioned in any of paragraphs (a) to (d), (f) and (g) of section 145(3) of that Act (which defines what roads authority works are major works for roads purposes); or
 - (b) they are works which, had they been executed under the powers of the roads authority, might have been carried out in exercise of the powers conferred by section 27 (dual carriageways, roundabouts and refuges) or 63 (new access over verges and footways) of the Roads (Scotland) Act 1984 (c. 54).
- (2) Subject to subsection (3), this subsection applies to any of the works mentioned in section 6(1), or any scheduled work having a junction with a road, in either case where

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

the construction of the work involves the execution of road works in relation to a road which consists of or includes a carriageway.

- (3) Subsection (2) does not apply to any work executed under power delegated to a roads authority by an agreement under section 14.
- (4) In Part IV of the 1991 Act, references, in relation to major works for roads purposes, to the roads authority concerned shall, in relation to the works which are major works for roads purposes by virtue of subsection (1), be construed as references to the authorised undertaker.

14 Agreements with roads authorities, etc.

- (1) Where under this Act the authorised undertaker is authorised to stop up or interfere with an existing road or part of an existing road, it may enter into agreements with the persons having the charge, management or control of the road concerning the construction (or contribution towards the expense of the construction) of—
 - (a) any new road to be provided in substitution;
 - (b) any alteration of the existing road; and
 - (c) any other related matters.
- (2) The authorised undertaker may, by agreement with any such persons, delegate to them the power of constructing any such new road or any such alteration of an existing road, including any bridge over any railway, and, where the authorised undertaker is responsible for maintaining the new or altered road or bridge, the power to maintain it.

Supplemental powers

15 Temporary stopping up, alteration or diversion of roads

- (1) During and for the purposes of the execution of the authorised works the authorised undertaker may temporarily stop up, alter or divert any road and may for any reasonable time—
 - (a) divert the traffic from the road; and
 - (b) subject to subsection (3), prevent all persons from passing along the road.
- (2) Without prejudice to the generality of subsection (1), the authorised undertaker may exercise the powers of this section in relation to each of the roads specified in columns (1) and (2) of Part 2 of schedule 3 to this Act to the extent specified (by reference to the letters and numbers shown on the relevant Parliamentary plans) in column (3) of that Part.
- (3) Without prejudice to the generality of subsection (1), the authorised undertaker may use any road stopped up under the powers of this section as a temporary working site.
- (4) The authorised undertaker shall provide reasonable access for pedestrians going to or from premises abutting on a road affected by the exercise of the powers conferred by this section if there would otherwise be no such access.
- (5) The authorised undertaker shall not exercise the powers conferred by this section—
 - (a) in relation to any road specified as mentioned in subsection (2), without first consulting the road works authority; and
 - (b) in relation to any other road, without the consent of the road works authority.

- (6) Consent under subsection (5)(b) shall not be unreasonably withheld or delayed but may be given subject to such reasonable conditions as the road works authority may require.
- (7) Any question whether—
- (a) consent under subsection (5)(b) has been unreasonably withheld or delayed; or
 - (b) a condition imposed under subsection (6) is unreasonable,
- shall, unless the parties otherwise agree, be determined by arbitration.

16 Discharge of water

- (1) The authorised undertaker may use any available watercourse or any public sewer or drain for the drainage of water, and for that purpose may—
- (a) lay down, take up and alter pipes; or
 - (b) make openings into, and connections with the watercourse, public sewer or drain,
- on any land within the limits of deviation or the limits of land to be acquired or used.
- (2) The authorised undertaker shall not discharge any water into any artificial watercourse, or any public sewer or drain, except with the consent of the person to whom it belongs; and such consent may be given subject to such terms and conditions as the person may reasonably impose but shall not be unreasonably withheld or delayed.
- (3) The authorised undertaker shall not make any opening into any public sewer or drain except in accordance with plans approved by, and under the superintendence (if provided) of, the person to whom the sewer or drain belongs, but such approval shall not be unreasonably withheld or delayed.
- (4) The authorised undertaker shall take such steps as are reasonably practicable to secure that any water discharged under the powers conferred by this section is as free as may be practicable from gravel, soil or other solid substance or oil or matter in suspension.
- (5) Any difference under this section arising between the authorised undertaker and the owner of an artificial watercourse or a public sewer or drain shall, unless the parties otherwise agree, be determined by arbitration.
- (6) Nothing in this section shall affect the operation of Part IV of the 1991 Act or the Water Environment (Controlled Activities) (Scotland) Regulations 2005 (SSI 2005/348).
- (7) In this section—
- “public sewer or drain” means a sewer or drain which belongs to Scottish Water, a private provider who has made an agreement with Scottish Water under section 1(2)(b) of the Sewerage (Scotland) Act 1968 (c. 47) (duty of local authority to provide sewerage for their area) or a roads authority; and
- “watercourse” includes all rivers, streams, ditches, drains, cuts, culverts, dykes, sluices, sewers and passages through which water flows except a public sewer or drain.

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

PART 2

LAND

Powers of acquisition

17 Power to acquire land

The authorised undertaker is authorised to acquire compulsorily—

- (a) such of the land shown on the Parliamentary plans within the limits of deviation as is required by the authorised undertaker for the purposes of the authorised works;
- (b) such of the land so shown within the limits of land to be acquired or used as—
 - (i) is specified in columns (1), (2) and (3) of Part 1 of schedule 5 to this Act; and
 - (ii) may be required for the purposes specified in relation to that land in column (4) of that Part; and
- (c) the interest of any person other than Network Rail in land comprising Network Rail's operational land on which there are or may be constructed works connected with the authorised works.

18 Acquisition of subsoil or rights

- (1) In exercise of the powers conferred by section 17 the authorised undertaker may, as regards any land authorised to be acquired under that section, compulsorily acquire—
 - (a) so much of the subsoil of the land; or
 - (b) such servitudes or other rights in, on or over the land,
 as may be required for any purpose for which the land may be acquired under that section.
- (2) Servitudes and other rights may be acquired under subsection (1) by creating them as well as by acquiring servitudes and other rights already in existence.
- (3) Section 90 of the 1845 Lands Act and paragraph 20 of Schedule 15 to the 1997 Act (which provide in certain circumstances for the owner of the land to require the purchase of the whole rather than part of that property) shall not apply to any compulsory acquisition under this section or under section 19.
- (4) Subject to subsections (5) and (6), the Lands Clauses Acts, as incorporated with this Act, shall have effect with the modifications necessary to make them apply to the compulsory acquisition of new rights under this section or under section 19 as they apply to the compulsory acquisition of land.
- (5) As so having effect, references in those Acts to land shall be treated as, or as including, references to new rights or to the land over which new rights are to be exercisable.
- (6) Section 61 of the 1845 Lands Act (estimation of purchase money and compensation) shall apply to the compulsory acquisition of such a right as if for the words from “value” to “undertaking” there were substituted the words “extent (if any) to which the value of the land in or over which the right is to be acquired is depreciated by the acquisition of the right”.

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

19 Purchase of specific new rights over land

- (1) The authorised undertaker may acquire compulsorily in, on or over any of the land shown on the Parliamentary plans within any limits of land to be acquired or used and specified in columns (1), (2) and (3) of Part 2 of schedule 5 to this Act, such permanent servitudes or other new rights as it requires for the purposes mentioned in column (4) of that Part.
- (2) The authorised undertaker may acquire compulsorily in, on or over any of the land shown on the Parliamentary plans within any limits of land to be acquired or used and specified in columns (1), (2) and (3) of Part 3 of schedule 5 to this Act, such temporary new rights as it requires for the purposes mentioned in column (4) of that Part.
- (3) The powers conferred by this section are additional to the powers conferred by section 18.

20 Rights in roads or public places

- (1) The authorised undertaker may—
 - (a) enter upon and appropriate so much of the subsoil of, or air-space over, any road or public place that is authorised to be compulsorily acquired under section 17 as may be required for the purposes of the authorised works; and
 - (b) may use the subsoil or air-space for those purposes or any other purpose connected with or ancillary to its railway undertaking.
- (2) Subject to subsection (3), the powers conferred by subsection (1) may be exercised in relation to a road or public place without the authorised undertaker being required to acquire any part of the road or place or any servitude or other right in relation to it.
- (3) Subsection (2) shall not apply in relation to—
 - (a) any subway or underground building; or
 - (b) any cellar, vault, arch or other construction in or on a road which forms part of a building fronting onto the road or public place.
- (4) The authorised undertaker shall not be required to pay compensation for the exercise of the powers conferred by subsection (1) to the roads authority in respect of a public road or to the authority in which any public place is vested.
- (5) Any person other than a roads authority who—
 - (a) is an owner or occupier of land in respect of which the power conferred by subsection (1) is exercised without the authorised undertaker acquiring any part of that person's interest in the land; and
 - (b) suffers loss by reason of the exercise of that power,shall be entitled to compensation to be determined, in case of dispute, under the 1963 Act.

[^{F2}(6) The powers conferred by this section constitute a real right.]

Textual Amendments

- F2** S. 20(6) substituted (8.12.2014) by [Land Registration etc. \(Scotland\) Act 2012 \(asp 5\)](#), ss. 122, 123, [Sch. 5 para. 54\(3\)](#) (with s. 121, Sch. 4 paras. 13, 16); S.S.I. 2014/127, art. 2

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

21 Temporary use of land for construction of works

- (1) The authorised undertaker may, in connection with the carrying out of the authorised works—
 - (a) enter upon and take temporary possession of any of the land specified in columns (1), (2) and (3) of schedule 6 to this Act for the purpose specified in relation to that land in column (4) of that schedule relating to the authorised works specified in column (5) of that schedule;
 - (b) remove any apparatus, buildings or vegetation from that land; and
 - (c) construct temporary works (including the provision of apparatus or means of access) and buildings on the land.
- (2) Not less than 28 days before entering upon and taking temporary possession of land under this section the authorised undertaker shall serve notice of the intended entry on the owners and occupiers of the land.
- (3) The authorised undertaker may not, without the agreement of the owners of the land, remain in possession of any land under this section after the end of the period of one year beginning with the date of completion of the work specified in relation to that land in column (5) of schedule 6 to this Act.
- (4) Before giving up possession of land of which temporary possession has been taken under this section, the authorised undertaker shall remove all temporary works and restore the land to the reasonable satisfaction of the owners of the land; but the authorised undertaker shall not be required to replace a building removed under this section.
- (5) The authorised undertaker shall pay compensation to the owners and occupiers of land of which temporary possession is taken under this section for any loss or damage arising from the exercise in relation to the land of the powers conferred by this section.
- (6) Any dispute as to a person's entitlement to compensation under subsection (5), or as to the amount of the compensation, shall be determined under the 1963 Act.
- (7) Without prejudice to section 25, nothing in this section shall affect any liability to pay compensation under section 6 or 36 of the 1845 Act or under any other enactment in respect of loss or damage arising from the execution of any works, other than loss or damage for which compensation is payable under subsection (5).
- (8) The powers of compulsory acquisition of land conferred by this Act shall not apply in relation to any land of which temporary possession has been taken under subsection (1), except that the authorised undertaker shall not be precluded from acquiring new rights.
- (9) Where the authorised undertaker takes possession of land under this section, it shall not be required to acquire the land or any interest in it.
- (10) In this section “building” includes any structure or erection.

Compensation

22 Disregard of certain interests and improvements

- (1) In assessing any compensation payable on the acquisition from any person of any land under this Act, the tribunal shall not take into account—

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

- (a) any interest in land; or
- (b) any enhancement of the value of any interest in land by reason of any building erected, works executed or improvement or alteration made on relevant land, if the tribunal is satisfied that the creation of the interest, the erection of the building, the execution of the works or the making of the improvement or alteration was not reasonably necessary and was undertaken with a view to obtaining compensation or increased compensation.

(2) In subsection (1) “relevant land” means—

- (a) the land acquired from the person concerned; or
- (b) any other land with which that person is, or was at the time when the building was erected, the works executed or the improvement or alteration made, directly or indirectly concerned.

23 Set-off of betterment against compensation

(1) In determining the amount of compensation or purchase money payable to any person in respect of an interest in land acquired under this Act in a case where—

- (a) the person has an interest in any other land contiguous with or adjacent to the land so acquired; and
- (b) the value of the person's interest in any such contiguous or adjacent land is enhanced by reason of the works authorised by this Act or any of them,

the amount of the enhancement in value shall be set off against the compensation or purchase money.

(2) For the purposes of this section any reduction in expenditure that would have been required in order to comply with an obligation under any enactment with respect to any land is to be treated as an enhancement in the value of an interest in the land.

24 Application of legislation relating to certificates of appropriate alternative development

Section 30(2)(a) of the 1963 Act (which defines the circumstances in which an interest in land is to be taken as an interest to be acquired by an authority possessing compulsory purchase powers) shall have effect in relation to any compulsory purchase authorised by this Act as if for the words “either House of Parliament relating to petitions for private bills” there were substituted the words “the Scottish Parliament”.

25 No double recovery

Compensation shall not be payable in respect of the same matter both under this Act and under any other enactment, any contract or any rule of law.

Supplementary

26 Acquisition of part of certain properties

(1) This section shall apply instead of section 90 of the 1845 Lands Act in any case where—

- (a) a notice to treat is served on a person (“the owner”) under that Act (as incorporated with this Act by section 57) in respect of part only—

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

- (i) of a house, building or factory; or
 - (ii) of land consisting of a house with a park or garden, (“the land subject to the notice to treat”); and
 - (b) a copy of this section is served on the owner with the notice to treat.
- (2) In such a case, the owner may, within the period of 21 days beginning with the day on which the notice was served, serve on the authorised undertaker a counter-notice objecting to the sale of the land subject to the notice to treat and stating that the owner is willing and able to sell the whole (“the land subject to the counter-notice”).
- (3) If no such counter-notice is served within that period, the owner shall be required to sell the land subject to the notice to treat.
- (4) If such a counter-notice is served within that period and the authorised undertaker agrees to take the land subject to the counter-notice, the notice to treat shall be deemed to be a notice to treat for the land subject to the counter-notice.
- (5) If such a counter-notice is served within that period and the authorised undertaker does not agree to take the land subject to the counter-notice, the question as to what land the owner shall be required to sell shall be referred to the tribunal.
- (6) If on such a reference the tribunal determines that the land subject to the notice to treat can be taken—
- (a) without material detriment to the remainder of the land subject to the counter-notice; or
 - (b) in the case of part of land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity or convenience of the house,
- the owner shall be required to sell the land subject to the notice to treat.
- (7) If on such a reference the tribunal determines that only part of the land subject to the notice to treat can be taken—
- (a) without material detriment to the remainder of the land subject to the counter-notice; or
 - (b) in the case of part of land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity or convenience of the house,
- the notice to treat shall be deemed to be a notice to treat for that part.
- (8) If on such a reference the tribunal determines that—
- (a) the land subject to the notice to treat cannot be taken without material detriment to the remainder of the land subject to the counter-notice; but
 - (b) the material detriment is confined to a part of the land subject to the counter-notice,
- the notice to treat shall be deemed to be a notice to treat for the land to which the material detriment is confined in addition to the land already subject to the notice.
- (9) If the tribunal determines that—
- (a) none of the land subject to the notice to treat can be taken—
 - (i) without material detriment to the remainder of the land subject to the counter-notice; or

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

- (ii) in the case of land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity or convenience of the house; and
 - (b) the material detriment is not confined to a part of the land subject to the counter-notice,
- the notice to treat shall be deemed to be a notice to treat for the land subject to the counter-notice.
- (10) A notice to treat shall have the effect it is deemed to have under subsection (4), (8) or (9) whether or not the additional land is land which the authorised undertaker is authorised to acquire compulsorily under this Act.
 - (11) In any case where by virtue of a determination by the tribunal under this section a notice to treat is deemed to be a notice to treat for less land or more land than that specified in the notice, the authorised undertaker may, within the period of 6 weeks beginning with the day on which the determination is made, withdraw the notice to treat.
 - (12) If the authorised undertaker withdraws the notice to treat in accordance with subsection (11), it shall pay the owner compensation for any loss or expense occasioned to the owner by the giving and withdrawal of the notice, to be determined in case of dispute by the tribunal.
 - (13) Where the owner is required under this section to sell only part of a house, building or factory or of land consisting of a house with a park or garden, the authorised undertaker shall pay the owner compensation for any loss sustained by the owner due to the severance of that part in addition to the value of the interest acquired.

27 Extinction or suspension of private rights of way

- (1) Subject to subsections (5) and (6), all private rights of way over land subject to compulsory acquisition under this Act shall be extinguished—
 - (a) as from the acquisition of the land by the authorised undertaker, whether compulsorily or by agreement; or
 - (b) on the entry on the land by the authorised undertaker under section 29, whichever is sooner.
- (2) Subject to subsections (5) and (6), all private rights of way over land of which the authorised undertaker takes temporary possession under this section shall be suspended and unenforceable for as long as the authorised undertaker remains in lawful possession of the land.
- (3) Any person who suffers loss by the extinguishment or suspension of any private right of way under this section shall be entitled to compensation.
- (4) Any dispute as to a person's entitlement to compensation under subsection (3), or as to the amount of compensation, shall be determined under the 1963 Act.
- (5) This section does not apply in relation to any right of way to which section 224 or 225 of the 1997 Act (extinguishment of rights of statutory undertakers etc.) or paragraph 2 of schedule 7 to this Act applies.
- (6) Subsections (1) and (2) shall have effect subject to—

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

- (a) any agreement made (whether before or after this Act comes into force) between the authorised undertaker and the person entitled to the private right of way;
 - (b) any determination made by the authorised undertaker limiting the application of subsection (1) or (2) to the extent specified in the determination.
- (7) A determination relating to subsection (1) must be made before the date on which the right in question would have been extinguished.
- (8) A determination relating to subsection (2) may be made at any time before or after temporary possession of any land is taken.
- (9) Notice of determination under this section must be given to the person entitled to the right of way to which it relates as soon as practicable after the making of the determination.
- (10) This section does not apply to any of the land specified in columns (1), (2) and (3) of Part 2 of schedule 5 to this Act (land outside the limits of deviation in which rights are to be acquired).
- (11) In this section “private right of way” means a right of way that is vested in a person and is not a public right of way.

28 Power to enter land for survey, etc.

- (1) The authorised undertaker may, in relation to any land within the limits of deviation or the limits of land to be acquired or used, for the purposes of this Act—
- (a) survey or investigate the land;
 - (b) without prejudice to the generality of paragraph (a), make trial holes in such positions as the authorised undertaker thinks fit on the land to investigate the nature of the surface layer and subsoil and remove water and soil samples;
 - (c) without prejudice to the generality of paragraph (a), carry out archaeological investigations on the land;
 - (d) take steps to protect or remove any flora or fauna on the land where the flora or fauna may be affected by the carrying out of the authorised works;
 - (e) place on, leave on and remove from the land apparatus for use in connection with the exercise of any power conferred by paragraphs (a) to (d); and
 - (f) enter on the land for the purpose of exercising any power conferred by paragraphs (a) to (e).
- (2) No land may be entered, or apparatus placed or left on or removed from land, under subsection (1), unless—
- (a) on the first occasion at least seven days'; and
 - (b) on subsequent occasions not less than three days',
- notice has been served on every owner and occupier of the land.
- (3) Any person entering land under this section on behalf of the authorised undertaker—
- (a) shall, if so required, before or after entering the land produce written evidence of authority to do so; and
 - (b) may enter with such vehicles and equipment as are necessary for the purpose of exercising any of the powers conferred by subsection (1).

- (4) No trial hole shall be made under this section in a carriageway or footway without the consent of the road works authority, but such consent shall not be unreasonably withheld.
- (5) Any question as to whether consent has been unreasonably withheld under subsection (4) shall, unless the parties otherwise agree, be referred to arbitration.
- (6) The authorised undertaker shall pay compensation for any damage occasioned, by the exercise of the powers conferred by this section, to the owners and occupiers of the land.
- (7) Any dispute as to a person's entitlement to compensation under subsection (6), or as to the amount of compensation, shall be determined under the 1963 Act.

29 Further powers of entry

- (1) At any time after notice to treat has been served in respect of—
 - (a) any land; or
 - (b) any servitudes or other rights in, on or over land,which may be purchased compulsorily under this Act, the authorised undertaker may enter on and take possession of or use the land.
- (2) No land may be entered under subsection (1) unless at least 28 days' notice has been given to the owner and occupier of the land specifying the land, or part of the land, of which possession is to be taken or which is to be used.
- (3) The authorised undertaker may exercise the powers of this section without complying with sections 83 to 89 of the 1845 Lands Act before such exercise.
- (4) Compensation for the land of which possession is taken under this section, and interest on the compensation awarded, shall be payable as if sections 83 to 89 of the 1845 Lands Act had been complied with.
- (5) Nothing in this section affects the operation of section 48 of the Land Compensation (Scotland) Act 1973 (c. 56).

30 Persons under disability may grant servitudes, etc.

- (1) Persons empowered by the Lands Clauses Acts to sell and convey or dispose of land may grant to the authorised undertaker a servitude, right or privilege required for any of the purposes of this Act in, over or affecting any such land.
- (2) A person may not under this section grant a servitude, right or privilege of water in which persons other than the grantor have an interest.

31 Parliamentary plans and book of reference: adjustments agreed with landowners and correction of errors

- (1) Where—
 - (a) the authorised undertaker has entered into a binding obligation (“the obligation”) not to acquire any land within the limits of deviation or the limits of land to be acquired or used; and

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

- (b) either the authorised undertaker or the owner desires to reflect that commitment by way of either amendment of, or addendum to, either or both the Parliamentary plans and the book of reference,
the authorised undertaker or the owner of the land may (after giving the notice required by subsection (3)) apply summarily to the sheriff under this section.
- (2) If the Parliamentary plans or the book of reference are inaccurate in—
- (a) their description of any land; or
 - (b) their statement or description of the ownership or occupation of any land,
- the authorised undertaker may (after giving the notice required by subsection (3)) apply summarily to the sheriff for the correction of such inaccuracy.
- (3) The notice required by subsections (1) and (2) is 10 days' prior notice—
- (a) in the case of a notice by the authorised undertaker, to the owner, lessee and occupier of the land in question; and
 - (b) in the case of a notice by an owner, to the authorised undertaker and to any lessee or occupier of the land in question.
- (4) Any person to whom a notice has been given under subsection (1) or (2) may, within the period of 10 days from the giving of the notice, give to the sheriff and the person who gave the notice a counter-notice in writing that the person disputes—
- (a) in the case of an application under subsection (1), that the proposed amendment or addendum accurately reflects the obligation; and
 - (b) in the case of an application under subsection (2), that there is an inaccuracy which may be amended under this section.
- (5) In relation to any application under this section if it appears to the sheriff—
- (a) that the proposed amendment or addendum accurately reflects the obligation;
or
 - (b) that the inaccuracy arose from mistake,
- as the case may be, the sheriff shall certify the fact accordingly.
- (6) A certificate relating to an application under subsection (2) shall state in what respect any matter is misstated or wrongly described.
- (7) If any counter-notice is given pursuant to subsection (4), the sheriff shall, before making any decision on the application cause a hearing to be held.
- (8) The certificate shall be deposited in the office of the Clerk of the Parliament.
- (9) On the making of the deposit required by subsection (8)—
- (a) the Parliamentary plans and the book of reference shall be deemed to be corrected or amended according to the certificate; and
 - (b) it shall be lawful for the authorised undertaker to take the land or, as the case may be, a right over the land in accordance with the certificate.
- (10) The Clerk of the Parliament shall keep every certificate deposited under this section with the Parliamentary plans or book of reference to which it relates.
- (11) An application under subsection (1) or (2) may only be made in respect of land identified in the book of reference or on the Parliamentary plans.
- (12) In this section “the sheriff” means the sheriff principal of, or any sheriff appointed for, the sheriffdom in which the land is located.

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

32 Period for compulsory acquisition of land

- (1) The powers conferred by sections 17 and 19 for the compulsory acquisition of land and new rights shall cease after five years beginning on the date on which this Act comes into force.
- (2) The powers conferred by sections 17, 18 and 19 for the compulsory acquisition of such land and servitudes or other rights shall, for the purpose of this section, be deemed to have been exercised in relation to any land, servitude or right if before the expiry of five years beginning on the date on which this Act comes into force—
 - (a) notice to treat has been served; or
 - (b) a declaration has been executed under paragraph 1 of Schedule 15 to the 1997 Act in respect of that land, servitude or right.

33 Extension of time

- (1) On the application of the authorised undertaker, the Scottish Ministers may, by order, extend, or further extend, the period referred to in subsection (1) of section 32 provided that—
 - (a) such application is made prior to the expiry of the period or any extension to it; and
 - (b) the period referred to in that subsection, taken together with any extension to it, shall not exceed ten years in total.
- (2) If the Scottish Ministers extend, or further extend, the period referred to in subsection (1) of section 32, subsection (2) of that section shall have effect as if, for the period referred to in it, there were substituted the extended, or further extended, period.
- (3) The power of the Scottish Ministers to make orders under subsection (1) above shall be exercisable by statutory instrument.
- (4) A statutory instrument containing such an order shall be subject to annulment in pursuance of a resolution of the Parliament.

34 Time limit on validity of notices to treat

Section 78 of the Planning and Compensation Act 1991 (c. 34) shall apply in relation to a notice to treat served under section 17 of the 1845 Lands Act as incorporated with this Act.

35 General vesting declarations

- (1) Section 195 of, and Schedule 15 to, the 1997 Act shall apply to the compulsory acquisition of land under this Act as if this Act were a compulsory purchase order so as to enable the authorised undertaker to vest by general vesting declaration any land authorised to be compulsorily acquired under this Act.
- (2) The notice required by paragraph 2 of that Schedule (as so applied) shall be a notice—
 - (a) that this Act has received Royal Assent;
 - (b) containing the particulars specified in sub-paragraph (1) of that paragraph;

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

- (c) published and served in accordance with the requirements of paragraph 6 of Schedule 1 to the Acquisition of Land (Authorisation Procedure) (Scotland) Act 1947 (c. 42); and
- (d) given at any time after this Act comes into force.

36 Application of Crichel Down Rules

- (1) The authorised undertaker shall apply the Crichel Down Rules in relation to surplus land.
- (2) In this section—
 - “the Crichel Down Rules” means the rules set out in the Scottish Development Department Circular 38 of 1992 (“Disposal of Surplus Government Land – the Crichel Down Rules”) as amended or superseded from time to time;
 - “surplus land” means any land acquired compulsorily under section 17 which is subsequently declared by the authorised undertaker to be surplus to the authorised undertaker's requirements for the provision of the authorised works.

PART 3

MISCELLANEOUS AND GENERAL

37 Registration of new rights

- (1) A servitude or other right acquired by the authorised undertaker under section 18 or 19 shall, unless otherwise expressly stated in the instrument by which it is created, be treated for all purposes as benefiting the land from time to time held by the authorised undertaker for the purpose of the authorised works.
- (2) Notwithstanding section 75 of the Title Conditions (Scotland) Act 2003 (asp 9), where a servitude falls to be treated as mentioned in subsection (1) above, the deed by which it is created shall be effective whether or not it is registered against the benefited property.

38 Power to fell, etc. trees or shrubs

- (1) The authorised undertaker may fell, or lop or cut back the roots of, any tree or shrub near any part of the authorised works (or land proposed to be used for the authorised works), if it reasonably believes such action to be necessary in order to prevent the tree or shrub—
 - (a) from obstructing or interfering with the construction, maintenance or operation of the authorised works or any apparatus used for the purposes of the authorised works; or
 - (b) from constituting a danger to persons using the authorised works.
- (2) In exercising the powers conferred by subsection (1), the authorised undertaker shall not do any unnecessary damage to any tree or shrub.
- (3) Any person who suffers loss or damage arising from the exercise of the powers conferred by this section shall be entitled to compensation.

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

- (4) Any dispute as to a person's entitlement to compensation under subsection (3), or as to the amount of compensation, shall be determined under the 1963 Act.
- (5) The following, namely—
- (a) an order under section 160(1) of the 1997 Act (tree preservation orders); and
 - (b) section 172(1) of that Act (which prohibits the doing in a conservation area of any act which might be prohibited by a tree preservation order),
- shall not apply to any exercise of the powers conferred by subsection (1).

39 Powers of disposal, agreements for operation, etc.

- (1) In addition to anything the authorised undertaker may do by virtue of any enactment or rule of law, it shall be competent for the authorised undertaker to enter into, and carry into effect, in connection with the authorised works, any agreement that includes provision for the matters described in subsection (2).
- (2) The matters referred to in subsection (1) are—
- (a) the transfer to and vesting in another person of all or any of the functions of the authorised undertaker under this Act, including the powers conferred by this section;
 - (b) the disposal of the whole or any part of the undertaking consisting of the authorised works and any land or rights held for the purposes of, or in connection with, those works;
 - (c) the creation of any heritable security, charge or other encumbrance secured on the undertaking.
- (3) Any restrictions, liabilities or obligations to which the authorised undertaker is subject—
- (a) under this Act; or
 - (b) under any undertaking or commitment relating to the authorised works given by or on behalf of Network Rail or any other authorised undertaker, at any time whether before or after the passing of this Act,
- shall (notwithstanding any enactment or rule of law) be equally binding on any authorised undertaker.
- (4) Within 21 days of the completion of any agreement providing for any matter described in subsection (2)(a), the authorised undertaker making the transfer shall serve notice on the Scottish Ministers stating the name and address of the transferee and the date when the transfer is to take effect.
- (5) If an authorised undertaker fails, without reasonable excuse, to comply with the obligation imposed by subsection (4) it shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 3 on the standard scale.
- (6) In subsection (1), an agreement entered into in connection with the authorised works includes any agreement—
- (a) with respect to the funding, construction, maintenance and operation of the authorised works and any matter consequential thereon or incidental or ancillary thereto; or
 - (b) which (separately or as part of any other agreement) contains such supplementary, incidental, transitional and consequential provisions as the authorised undertaker may consider to be necessary or expedient.

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

- (7) In this section, unless the context otherwise requires “disposal” includes sale, lease, excambion and charge.

40 Statutory undertakers, etc.

The provisions of schedule 7 to this Act shall have effect in relation to the authorised works.

41 Historic obligations relating to former railway

- (1) As from—

- (a) the acquisition of any land by the authorised undertaker, whether compulsorily or by agreement; or
- (b) the entry on the land by the authorised undertaker under section 29,

whichever occurs earlier, BRBR shall be discharged from any obligation to which it is subject in relation to that land under any statutory provision in a private Act or provisional order specifically relating to the former railway, including any provision of the 1845 Act or the Railways Clauses Act 1863 (c. 92) that is incorporated in such a private Act or provisional order.

- (2) As from the date of such discharge, all access and other rights (wherever exercisable) in respect of any structure located on land mentioned in subsection (1)(a) and of which, immediately before the discharge, BRBR had the benefit, being rights which arise under a statutory provision of the sort mentioned in subsection (1), shall have effect for the benefit of the authorised undertaker as statutory successor to BRBR in respect of any such structure.

- (3) In this section—

“BRBR” means BRB (Residuary) Limited (company no. 04146505) and its successors;

“the former railway” means any railway which at any time prior to the passing of this Act, was situated within the limits of deviation of Work No. 1, Work No. 1A or Work No. 1AA;

“provisional order” means an order made under the Private Legislation Procedure (Scotland) Act 1936 (c. 52) or any earlier Act which that Act replaced.

42 Listed buildings

Schedule 8 to this Act (which makes provision for the disapplication or modification, in relation to the authorised works, of controls relating to listed buildings) shall have effect.

43 Saving for town and country planning

- (1) So far as they are not inconsistent with the provisions of this Act, the 1997 Act and any orders, regulations, rules, schemes and directions made or given thereunder and any restrictions or powers thereby imposed or conferred in relation to land shall apply and may be exercised in relation to any land notwithstanding that the development of that land is or may be authorised or regulated by or under this Act.

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

- (2) In their application to development authorised by this Act, article 3 of, and Class 29 in Part 11 of Schedule 1 to, the Town and Country Planning (General Permitted Development) (Scotland) Order 1992 (S.I. 1992/223) (which permit development authorised by (among other enactments) any Act of the Parliament which designates specifically both the nature of the development thereby authorised and the land upon which it may be carried out) shall have effect as if the authority to develop given by this Act were limited to development begun within 10 years after the date on which this Act comes into force.
- (3) Subsection (2) shall not apply to the carrying out of any development consisting of the alteration, maintenance or repair of the authorised works or the substitution of new works therefor.

44 Assessment of effects on natural habitats

In the application of the Conservation (Natural Habitats &c.) Regulations 1994 (SI 1994/2716) to the authorised works, the Parliament is the competent authority.

45 Mitigation of environmental impacts

- (1) The authorised undertaker shall employ all reasonably practicable means to ensure—
- (a) that the environmental impacts of the construction and operation of the authorised works as described in the environmental statement are not worse than the residual impacts identified in the environmental statement in relation to those works; and
 - (b) that—
 - (i) the additional environmental mitigation measures identified in the promoter's undertakings are carried out; or
 - (ii) the environmental impacts of the construction or operation of the authorised works as so described are not worse than they would have been had the mitigation measures referred to in sub-paragraph (i) been carried out.
- (2) In this section—
- “environmental statement” means the environmental statement submitted to the Parliament as an accompanying document with the Bill for this Act;
 - “the promoter's undertakings” means all undertakings given by Network Rail as Promoter of the Bill for this Act—
 - (a) to the Committee during the Consideration Stage of the Bill for this Act;
 - or
 - (b) to any person in connection with that Bill;
 - “residual impacts” means the environmental impacts of the construction or operation of the authorised works after the mitigation measures proposed in the environmental statement have been carried out.

46 Compliance with code of construction practice, noise and vibration policy and mitigation commitment documents

- (1) The authorised undertaker shall employ all reasonably practicable means to ensure that—

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

- (a) the authorised works are carried out in accordance with the code of construction practice as approved by the local planning authority for each area in which the authorised works are located and from time to time amended or replaced in accordance with schedule 9; and
 - (b) the noise and vibration policy and any mitigation commitment document, as from time to time amended or replaced, is applied to the use and operation of the authorised works as described in that policy and the environmental statement.
- (2) None of the code of construction practice, the noise and vibration policy or any mitigation commitment document shall be amended or replaced so as to reduce the standards of mitigation and protection provided for in the versions being amended or replaced.
- (3) Schedule 9 has effect in relation to the approval, amendment and replacement of the code of construction practice.
- (4) In this section “noise and vibration policy” means the “Airdrie to Bathgate Noise and Vibration Policy” dated 12 March 2007, a copy of which has been lodged with the Clerk of the Parliament to be held with the accompanying documents relating to the Bill for this Act.

47 Regulation of mitigation measures

- (1) The requirements imposed by or pursuant to the following provisions, that is to say—
- (a) sections 45 and 46; and
 - (b) schedule 9 to this Act,
- shall be enforceable, and the local planning authority shall have the responsibility to enforce them, as valid planning conditions.
- (2) For the purposes only of such enforcement and any appeal against a decision of the local planning authority under this Act, planning permission for the construction of the authorised works shall be deemed to have been granted under section 37 of the 1997 Act subject to the imposition of those conditions under section 41 of that Act.
- (3) The authorised undertaker shall maintain a directory containing the code of construction practice, the noise and vibration policy and any mitigation commitment document.
- (4) North Lanarkshire Council, West Lothian Council and City of Edinburgh Council shall appoint a single Planning Monitoring Officer to be responsible for the discharge by each of those councils of its functions under this section.

48 Protection of the water environment

Nothing in this Act affects the operation of the Water Environment (Controlled Activities) (Scotland) Regulations 2005 (SSI 2005/348) in relation to Works Nos. 1, 1G, 2B, 2C, 2E, 2F, 2J, 2L, 2S, 9, 10, 15, 16A, 18, 20A, 20B and 46, the attachment of overhead line equipment to Birdsmill Viaduct or any ancillary work described in paragraph 7 of schedule 2 to this Act.

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

49 Saving for Railways Act 1993

Section 45 and section 46 do not affect the carrying out of any activity that is—

- (a) subject to regulation under the Railways Act 1993 (c. 43); or
- (b) connected with such an activity and subject to standards, guidance or other measures that form part of the terms of such regulation.

50 Blighted land

- (1) This Act shall be deemed to be a special enactment for the purposes of paragraph 14 of Schedule 14 to the 1997 Act.
- (2) Chapter II of Part V of that Act (which makes provision for the purchase of certain interests in land affected by planning proposals) shall apply to land authorised to be compulsorily acquired under this Act.

51 Real burdens and servitudes, etc. affecting land acquired

Any land acquired under or by virtue of this Act shall be treated as if it were acquired by virtue of a compulsory purchase order and the provisions of section 106 of the Title Conditions (Scotland) Act 2003 (asp 9) shall apply to it.

52 Limits of existing railways

The railways authorised by the enactments listed in schedule 10 to this Act shall for all purposes be deemed to have been constructed within the limits of deviation specified in those Acts.

53 Certification of plans, etc.

- (1) As soon as practicable after the coming into force of this Act, the authorised undertaker shall submit copies of the book of reference, the Parliamentary plans and the Parliamentary sections to the Clerk of the Parliament for certification under this section.
- (2) On being satisfied as to the accuracy of documents submitted under subsection (1), the Clerk shall certify them as being, respectively the book of reference, Parliamentary plans and Parliamentary sections referred to in this Act.
- (3) A document certified under subsection (2) shall be admissible in any proceedings as evidence of the contents of the document of which it is a copy.

54 Registration of new rights

- (1) A servitude or other right acquired by the authorised undertaker under section 18 or 19 shall, unless otherwise expressly stated in the instrument by which it is created, be treated for all purposes as benefiting the land from time to time held by the authorised undertaker for the purposes of the authorised works.
- (2) Notwithstanding section 75 of the Title Conditions (Scotland) Act 2003 (asp 9), where a servitude falls to be treated as mentioned in subsection (1), the deed by which it is created shall be effective whether or not it is registered against the benefited property.

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

55 Dispute resolution

- (1) Except as provided in sections 6(8) and 7(7), where under this Act any dispute (other than a dispute to which the provisions of the Lands Clauses Acts apply) is to be determined by arbitration (in default of other agreed dispute resolution procedure), the dispute shall be referred to, and settled by, a single arbiter to be agreed between the parties or, failing agreement, to be appointed on the application of either party (after notice in writing to the other) by the President for the time being of the Institution of Civil Engineers.
- (2) An arbiter appointed under this section shall be entitled to state a case for the opinion of the Court of Session pursuant to section 3 of the Administration of Justice (Scotland) Act 1972 (c. 59).
- (3) Section 108 of the 1996 Act (right to refer disputes to adjudication) and any regulations made under that section shall not apply to any dispute under this Act (whether or not it is a dispute of the sort described in subsection (1)).
- (4) Subsection (3) does not affect the operation of the 1996 Act so far as applicable to any contract under which a contracting party other than the authorised undertaker is responsible for the construction or funding of the authorised works.
- (5) In this section “the 1996 Act” means the Housing Grants, Construction and Regeneration Act 1996 (c. 53).

56 Service of notices, etc.

- (1) A notice or other document required or authorised to be served on a person for the purposes of this Act may be served—
 - (a) by delivering it to that person;
 - (b) by leaving it at that person's proper address; or
 - (c) by sending it by post to that person at that address.
- (2) A notice or document is duly served on a body corporate or a firm—
 - (a) in the case of a body corporate, if it is served on the secretary or clerk of that body; and
 - (b) in the case of a firm, if it is served on a partner of that firm.
- (3) For the purposes of subsection (1) and of paragraph 4 of Schedule 1 to the Scotland Act 1998 (Transitory and Transitional Provisions) (Publication and Interpretation etc. of Acts of the Scottish Parliament) Order 1999 (S.I. 1999/1379), a letter is properly addressed to—
 - (a) a body corporate, if addressed to the body at its registered or principal office;
 - (b) a firm, if addressed to the firm at its principal office; or
 - (c) any other person, if addressed to the person at that person's last known address.
- (4) Where for the purposes of this Act a notice or other document is required or authorised to be served on a person as having any interest in, or as the occupier of, land and the person's name or address cannot be ascertained after reasonable enquiry, the notice may be served by—
 - (a) addressing it to the person by name or by the description of “owner”, or as the case may be “occupier”, of the land (describing it); and

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

- (b) either leaving it in the hands of a person who is or appears to be resident or employed on the land or leaving it conspicuously affixed to some building or object on or near the land.
- (5) This section shall not be taken to exclude the employment of any method of service not expressly provided for by it.

PART 4

SUPPLEMENTARY

57 Incorporation of enactments

- (1) The following enactments (so far as applicable for the purposes of and not inconsistent with, or varied by, the provisions of this Act) are incorporated with this Act—

SCHEDULE 7

(introduced by section 40)

STATUTORY UNDERTAKERS, ETC.

Apparatus of statutory undertakers, etc. on land acquired

- 1 (1) Subject to the provisions of this schedule, sections 224 to 227 of the 1997 Act (power to extinguish rights of statutory undertakers, etc. and power of statutory undertakers, etc. to remove or re-site apparatus) shall apply in relation to any land which has been acquired under this Act, or which is held by the authorised undertaker and is appropriated or used (or about to be used) by it for the purposes of this Act or for purposes connected with this Act.
- (2) All such other provisions of the 1997 Act as apply for the purposes of the provisions applied by paragraph 1 above (including sections 228 to 231, which contain provisions consequential on the extinguishment of any rights under sections 224 and 225, and sections 232(2) to (4), 233 and 235, which provide for the payment of compensation) shall have effect accordingly.
- (3) In the provisions of the 1997 Act, as applied by sub-paragraphs (1) and (2) above—
- (a) references to the purpose of carrying out any development with a view to which land was acquired or appropriated are references to the purpose of carrying out the authorised works; and
 - (b) references to land acquired or appropriated as mentioned in section 224(1) of the 1997 Act are references to land acquired, appropriated or used as mentioned in sub-paragraph (1) above.
- (4) Where any apparatus of a utility undertaker or of a public communications provider is removed in pursuance of a notice or order given or made under section 224, 225 or 226 of the 1997 Act, as applied by sub-paragraph (1) above, any person who is the owner or occupier of premises to which a supply was given from that apparatus shall be entitled to recover from the authorised undertaker compensation in respect of

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

expenditure reasonably incurred by that person, in consequence of the removal, for the purpose of effecting a connection between the premises and any other apparatus from which a supply is given.

(5) Sub-paragraph (4) above shall not apply in the case of the removal of a public sewer, but where such a sewer is removed in pursuance of such a notice or order as is mentioned in that paragraph, any person who is—

- (a) the owner or occupier of premises the drains of which communicated with that sewer; or
- (b) the owner of a private sewer which communicated with that sewer,

shall be entitled to recover from the authorised undertaker compensation in respect of expenditure reasonably incurred by that person, in consequence of the removal, for the purpose of making the person's drain or sewer communicate with any other public sewer or with a private sewage disposal plant.

(6) The provisions of the 1997 Act mentioned in sub-paragraphs (1) and (2) above, as applied by those sub-paragraphs, shall not have effect in relation to apparatus as respects which Part IV of the 1991 Act applies.

(7) In this paragraph—

“gas transporter” has the meaning given by section 7(1) of the Gas Act 1986 (c. 44);

“public communications provider” has the meaning given by section 151(1) of the Communications Act 2003 (c. 21); and

“utility undertaker” means a person who is—

- (a) authorised by any enactment to carry on an undertaking for the supply of water;
- (b) a gas transporter; or
- (c) the holder of a licence under section 6 of the Electricity Act 1989 (c. 29),

and who is, or is deemed to be, a statutory undertaker within the meaning of section 214 of the 1997 Act.

Apparatus of statutory undertakers, etc in stopped up roads

2 (1) Where a road is stopped up under section 10 of this Act any statutory undertaker whose apparatus is under, in, upon, over, along or across the road shall have the same powers and rights in respect of that apparatus, subject to the provisions of this paragraph, as if this Act had not been passed.

(2) Where a road is stopped up under section 10 of this Act any statutory undertaker whose apparatus is under, in, upon, over, along or across the road may, and if reasonably requested to do so by the authorised undertaker, shall—

- (a) remove the apparatus and place it or other apparatus provided in substitution for it in such other position as the statutory undertaker may reasonably determine and have power to place it; or
- (b) provide other apparatus in substitution for the existing apparatus and place it in such a position.

(3) The allowable costs of the relocation works shall be—

- (a) determined in accordance with section 144 (Sharing costs of necessary measures) of the 1991 Act and any regulations for the time being having

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

effect under that section (as having effect by virtue of section 13 of this Act);
 and

- (b) borne by the authorised undertaker and the statutory undertaker in such proportions as may be prescribed by any such regulations.

(4) In this paragraph—

“apparatus” has the same meaning as in Part IV of the 1991 Act;

“relocation works” means works executed, or apparatus provided, under sub-paragraph (2); and

“statutory undertaker” has the same meaning as in the Roads (Scotland) Act 1984 (c. 54).

SCHEDULE 8

(introduced by section 42)

LISTED BUILDINGS

- 1 (1) Subject to sub-paragraph (2), if a listed building was such a building immediately before 17th January 2006 and is specified in columns (1), (2) and (3) of the following table—
- (a) section 6 of the Listed Buildings Act (restriction on works affecting listed buildings) shall not apply to works carried out in relation to the building in exercise of the powers conferred by Part 1 of this Act;
 - (b) to the extent that a notice issued in relation to the building under section 34(1) of that Act (enforcement) requires the taking of steps which would be rendered ineffective, or substantially ineffective, by works proposed to be carried out in exercise of the powers conferred by Part 1 of this Act, it shall not have effect or, as the case may be, shall cease to have effect;
 - (c) no steps may be taken in relation to the building under section 38(1) of that Act (execution of works specified in notice under section 34(1)) which would be rendered ineffective, or substantially ineffective, by such works as are mentioned in paragraph (b) above; and
 - (d) no works may be executed for the preservation of the building under section 49 of that Act (urgent works to preserve unoccupied listed buildings) which would be rendered ineffective, or substantially ineffective, by such works as are mentioned in paragraph (b) above.
- (2) In the case of any building specified in columns (1), (2) and (3) of the following table in relation to which any description of works is specified in column (4) of that table, sub-paragraph (1) shall have effect as if the references to works carried out in exercise of the powers conferred by Part 1 of this Act were, so far as concerns works of demolition or alteration (as opposed to extension), to works so carried out which are of a description specified in relation to it in that column.
- (3) Paragraphs (a) to (d) of sub-paragraph (1) shall also apply in relation to a listed building which was not such a building immediately before 17th January 2006.
- (4) Anything which, by virtue of section 1(4) of the Listed Buildings Act (objects or structures fixed to, or within the curtilage of, a building), is treated as part of a building for the purposes of that Act shall be treated as part of the building for the purposes of this paragraph.

Changes to legislation: There are currently no known outstanding effects for the Airdrie-Bathgate Railway and Linked Improvements Act 2007. (See end of Document for details)

3	In this schedule— “the Listed Buildings Act” means the Planning (Listed Buildings and Conservation Areas) (Scotland) Act 1997 (c. 9); and “building” and “listed building” have the same meanings as in the Listed Buildings Act.		

SCHEDULE 9

(introduced by section 46)

CODE OF CONSTRUCTION PRACTICE

- 1 Before commencing construction of the authorised works located in the area of a local planning authority the authorised undertaker shall secure that the code of construction practice is submitted to that local planning authority for its written approval.
- 2 The local planning authority shall send a copy of every code submitted pursuant to paragraph 1, and any amendment or replacement proposed by the authorised undertaker pursuant to paragraph 3, to SNH and SEPA and shall take account of any representations made to the local planning authority by either of those bodies.
- 3 The authorised undertaker may with the approval of the local planning authority amend or replace the code of construction practice.
- 4 In approving the code of construction practice or any amendment or replacement submitted under this schedule, the local planning authority may require the authorised undertaker to make amendments to the code or to the amendment or replacement as the case may be.
- 5 For the purpose of any appeal against a decision of a local planning authority under this schedule, an application for approval under paragraph 1 or 3 shall be deemed to be an application for planning permission made under section 32 of the 1997 Act.
- 6 In this schedule—
“SEPA” means the Scottish Environment Protection Agency established under section 20 of the Environment Act 1995 (c. 25); and
