This Measure, passed by the National Assembly for Wales on 19 January 2010 and approved by Her Majesty in Council on 17 March 2010, enacts the following provisions:—

1 General power to charge for care services

- (1) A local authority in Wales which provides, or makes arrangements for the provision of, a chargeable service may (but does not have to) impose a reasonable charge for the service.
- (2) A reasonable charge is such amount as the authority concerned determines reasonable.
- (3) But subsections (1) and (2) are subject to—
 - (a) section 2 (maximum charges);
 - (b) section 3 (persons and services in respect of which charges must not be imposed);
 - (c) section 8(1) (effect of determinations as to ability to pay); and
 - (d) any regulations made by the Welsh Ministers under section 16 of the Community Care (Delayed Discharges etc) Act 2003 (c. 5) (free provision of services in Wales).
- (4) A local authority has the power to recover a charge imposed under this section.
- (5) Without prejudice to the generality of subsection (4), a charge imposed under this section may be recovered summarily as a civil debt.

2 Maximum charges

- (1) In determining for the purposes of section 1(2) a reasonable charge for a chargeable service, a local authority must act in accordance with regulations made by the Welsh Ministers under subsection (2).
- (2) The Welsh Ministers may make provision in regulations for and in connection with controlling and limiting the determinations that a local authority may make under section 1(2).
- (3) The provision that may be made in the regulations includes (but is not limited to) provision—
 - (a) specifying an amount which must be considered the maximum reasonable charge for a chargeable service, or combination of chargeable services;
 - (b) setting out a formula for determining the amount which must be considered the maximum reasonable charge for a chargeable service, or combination of chargeable services;
 - (c) requiring, in the case of a specified chargeable service, or combination of chargeable services, a local authority to fix a charge by reference to a specified period of time;
 - (d) in relation to a charge referred to in paragraph (c), specifying the amount which must be considered the maximum reasonable charge;
 - (e) in relation to a charge referred to in paragraph (c), setting out a formula for determining the amount which must be considered the maximum reasonable charge.

3 Persons and services in respect of which charges must not be imposed

- (1) The Welsh Ministers may by regulations make provision specifying categories of person, chargeable service or combinations of chargeable services (or categories of person in respect of a particular service or combination of chargeable services) in respect of which a charge must not be imposed under section 1.
- (2) The provision that may be made in the regulations includes (but is not limited to) provision—
 - (a) specifying categories of person by reference to that or another person's entitlement to or receipt of specified payments, facilities, services or benefits in kind;
 - (b) specifying categories of person by reference to their age or their needs;
 - (c) specifying categories of service or combinations of services by reference to the period of time for which they are provided.
- (3) Accordingly, sections 4 to 12 do not apply to—
 - (a) services or combinations of services specified in regulations under subsection (1), or
 - (b) services received by persons so specified.

4 Invitation to request means assessment

- (1) A local authority must invite a person to request a means assessment under section 5(1)
-

- (a) if it is reasonably practicable to do so, when the authority offers the person a chargeable service;
 - (b) if it has not been reasonably practicable to give an invitation as mentioned in paragraph (a), as soon as reasonably practicable after the offer was made;
 - (c) if an invitation has not been given under paragraph (a) or (b) prior to provision of a service commencing, as soon as reasonably practicable thereafter; or
 - (d) in relation to a person who is being provided with a chargeable service, in such cases as may be specified in regulations made by the Welsh Ministers.
- (2) Where an invitation is required to be given to a person under subsection (1), the local authority must not—
- (a) impose, or
 - (b) in a case where regulations under subsection (1)(d) impose a duty in a case where a charge has already been imposed, alter,
- a charge for the service in question under section 1(1) unless the requirements set out in subsection (3) have been satisfied.
- (3) The requirements are that—
- (a) the invitation has been given; and
 - (b) where the person responds to the invitation in accordance with, and by the time specified in, regulations made by the Welsh Ministers, the authority has complied with its obligations under sections 5 and 7.
- (4) The Welsh Ministers may by regulations make provision—
- (a) as to the form and content of invitations under subsection (1); and
 - (b) as to the manner in which such invitations are to be given.

5 Duty to carry out a means assessment

- (1) Where each of the conditions in section 6 is met, a local authority must carry out an assessment of the financial means of a person who requests such an assessment.
- (2) But a local authority is under no duty to carry out a means assessment under subsection (1)—
- (a) in such cases as may be specified in regulations made by the Welsh Ministers; or
 - (b) if the authority is relieved of that duty under subsection (5).
- (3) A means assessment under subsection (1) must be carried out in accordance with regulations made by the Welsh Ministers.
- (4) The provision that may be made by regulations under subsection (3) includes (but is not limited to) provision applying any other statutory means testing regime as it has effect from time to time, subject to any modifications specified in the regulations.
- (5) Unless regulations made by the Welsh Ministers make provision to the contrary, a local authority has no duty to carry out a means assessment under subsection (1) if—
- (a) a determination made by the authority under section 7(1) or 9(1) has effect;
 - (b) the person who is the subject of the determination requests that the authority carry out a means assessment under subsection (1);
 - (c) the request relates to a service to which the determination relates; and

- (d) the authority reasonably considers that there has been no relevant change of circumstance since the determination was made.

6 Conditions giving rise to the duty to carry out a means assessment

- (1) This section contains the conditions referred to in section 5(1) (duty to carry out a means assessment).
- (2) Condition 1 is that—
 - (a) a person is offered a chargeable service; or
 - (b) a person is being provided with a chargeable service.
- (3) Condition 2 is that the person requests that the authority which made the offer, or is responsible for the provision of the service, carry out a means assessment under section 5.
- (4) Condition 3 is that the person provides the authority with any information or documents in the person's possession, or under the person's control, which the authority reasonably requires in order to carry out a means assessment under that section.
- (5) The Welsh Ministers may by regulations make provision as to who may make the request mentioned in subsection (3), or provide the information or documents mentioned in subsection (4), on behalf of a person who is offered or is being provided with a service.

7 Determinations as to ability to pay

- (1) Where a local authority has carried out a means assessment of a person under section 5(1), the authority must, in the light of that assessment—
 - (a) determine whether it is reasonably practicable for the person to pay the standard charge for the service that the person has been offered or is being provided with; and
 - (b) if the authority determines that it is not reasonably practicable for the person to pay the standard charge, determine the amount (if any) which it is reasonably practicable for the person to pay for that service.
- (2) A local authority must discharge its duty under subsection (1) in accordance with provision in regulations made by the Welsh Ministers.
- (3) The provision that may be made by regulations under subsection (2) includes (but is not limited to) provision—
 - (a) specifying cases in which it is not reasonably practicable for persons of specified means, or of means falling within a specified range, to pay for a particular service, or combination of services;
 - (b) specifying the maximum amount that it is reasonably practicable for persons of specified means, or of means falling within a specified range, to pay for a particular service, or combination of services;
 - (c) specifying amounts which the local authority must disregard when assessing a person's means;
 - (d) specifying amounts below which a person's income or assets must not be reduced (after payment of the charge to be imposed).

- (4) In subsection (1) and section 10 “standard charge” means the amount which a person would be required to pay for a service if no determination under this Measure as to the person’s ability to pay had effect.

8 Effect of determinations as to ability to pay

- (1) In imposing charges under section 1(1), a local authority must give effect to any determination made under section 7(1) or 9(1).
- (2) Subject to any regulations made under subsection (3), a determination is to have effect from such date as the local authority concerned considers reasonable (which may be a date before that on which the determination was made).
- (3) The Welsh Ministers may by regulations make provision as to the date from which a determination is to have effect (including provision for a determination to have effect from a date before that on which it was made).
- (4) Where a determination replaces an existing determination, the existing determination continues to have effect until the new determination has effect.
- (5) For the purposes of subsection (4), a determination replaces an existing determination if it relates to the same person and the same chargeable service as that determination.

9 Replacement by authority of determinations as to ability to pay

- (1) If a local authority reasonably considers that any one or more of the conditions in subsection (4) is met, the authority may in accordance with this section replace a determination given under section 7(1), or under this subsection, with a new determination.
- (2) In a case where regulations under section 4(1)(d) impose a duty in respect of the service to which the determination relates, the authority’s power under subsection (1) is subject to section 4(2).
- (3) A determination under subsection (1) may differ from the determination which it replaces only to the extent considered appropriate by the authority in the light of the condition or conditions in subsection (4) which the authority considers to be met.
- (4) The conditions referred to in subsection (1) are that—
- (a) there has been a change in the income or capital of the person who is the subject of the determination;
 - (b) there has been a change in the cost of providing the service to which the determination relates (including a change resulting from a change in the level at which or degree to which the service is provided);
 - (c) the authority has changed its policy about the exercise of its power to charge under section 1;
 - (d) there has been some other change of circumstance which falls within a description specified in regulations made by the Welsh Ministers;
 - (e) a mistake was made when the determination was made.

10 Provision of information about charges

- (1) A local authority must make arrangements to bring information about the matters referred to in subsection (2) to the attention of persons—
 - (a) who receive a chargeable service; or
 - (b) who may receive such a service.
- (2) The matters are—
 - (a) the services in respect of which charges are and are not imposed;
 - (b) the standard charges imposed for different types of service (for the meaning of “standard charge”, see section 7(4)); and

- (3) The arrangements must—
 - (a) provide for the provision of information in a range of accessible formats (including in writing) about the matters referred to in subsection (2) in response to a request made by a person referred to in subsection (1); and
 - (b) be framed so that any information is provided free of charge.
- (4) Where a local authority has imposed (or altered) a charge under section 1(1), it must provide the person upon whom the charge is imposed with a statement in writing, and in any other accessible format that the person reasonably requests, which—
 - (a) describes the service, or combination of services, to which the charge relates;
 - (b) sets out the standard charge for the service, or combination of services, in question (for the meaning of “standard charge”, see section 7(4));
 - (c) if the charge imposed in the case of that person is not the standard charge, sets out the charge imposed;
 - (d) explains how the charge was calculated (including details of any means assessment under section 5(1) and how this affected the calculation);
 - (e) describes the person’s rights to challenge or complain about the charge or the clarity with which the statement is expressed;
 - (f) contains any other matter which regulations made by the Welsh Ministers require to be included in the statement.
- (5) A statement under this section must be provided—
 - (a) free of charge; and
 - (b) within twenty one days of the date on which the decision to impose (or alter) the charge was made.

11 Reviews of charging decisions

- (1) The Welsh Ministers may by regulations make provision for and in connection with the review of decisions taken by local authorities under this Measure.
- (2) The provision that may be made by regulations under subsection (1) includes (but is not limited to) provision—
