## EXPLANATORY NOTE

*(This note is not part of the Regulations.)*

1. These Regulations revoke and re-enact, in some cases with increases in rates of fees, the provisions listed in regulation 17 and Schedule 13.

2. The Regulations –

- (a) increase the rates of fee for a licence under the Petroleum (Consolidation) Act (Northern Ireland) 1929 and for the transfer of a licence under the Petroleum (Transfer of Licences) Act (Northern Ireland) 1937 (*regulation 2 and Schedule 1*);
- (b) increase the rates of fee in respect of medical examinations and surveillance by an employment medical adviser, which are required under certain health and safety legislation (*regulations 4, 5 and 6 and Schedules 2 and 3*);
- (c) increase the rate of fee for a licence under the Asbestos (Licensing) Regulations (Northern Ireland) 1984 and add new fees for the re-assessment of whether to grant an application for an asbestos licence and for amendments to, and replacements of lost, asbestos licences (*regulation 7 and Schedule 4*);
- (d) increase the rate of fee for an approval of a scheme or programme under the Freight Containers (Safety Convention) Regulations (Northern Ireland) 1992 (*regulation 8 and Schedule 5*);
- (e) change, with increases and decreases, the fees in respect of a notification or application under the Notification of New Substances Regulations (Northern Ireland) 1994 (“the NONS Regulations”). In particular, one whereby an additional fee is to be paid if the risk assessment is not adequate in the opinion of the Health and Safety Executive for Northern Ireland (“the Executive”) replaces the former rebate system, whereby an amount of rebate was paid where an adequate draft risk assessment was included. There is also a lower fee for the evaluation of a notification under regulation 4 of the NONS Regulations in the case of a substance which has already been notified under those Regulations or notified to a competent authority of a European Community member State, than for an evaluation of a notification under regulation 4 where there has been no such earlier notification. There is now also specific provision for the fee for the evaluation of a notification under regulation 6(1) or (2) of the NONS Regulations in the case of polymers of certain amounts for which a reduced test package is acceptable (*regulation 9 and Schedule 6*);
- (f) increase the rates of fees previously fixed by the Genetically Modified Organisms (Contained Use) Regulations (Northern Ireland) 2001 ([S.R. 2001 No. 295](#)) (“the GMO

- Regulations”) in respect of a notification or application under the GMO Regulations (regulation 10 and Schedule 7);
- (g) increase the fee for a vocational training certificate under the Carriage of Dangerous Goods by Road (Driver Training) Regulations (Northern Ireland) 1997 (regulation 11 and Schedule 8);
  - (h) change the fee to be paid for applications for approvals under the Carriage of Dangerous Goods by Road (Driver Training) Regulations (Northern Ireland) 1997 from a fixed amount to the reasonable cost to the Secretary of State of having the work carried out (regulation 12 and Schedule 9);
  - (i) change the fee to be paid for a vocational training certificate under the Transport of Dangerous Goods (Safety Advisers) Regulations (Northern Ireland) 2000 from a fixed amount to the reasonable cost to the Secretary of State, or the person designated by him for the purpose of issuing vocational training certificates, of having the work carried out (regulation 13 and Schedule 10);
  - (j) fix or determine the fees payable by specified persons in the offshore and gas industries for the performance by the Executive of the functions specified in those provisions (regulations 14 to 16 and Schedules 11 and 12).
- 3.** Where these Regulations increase the fees fixed by the previous fee-charging provisions the details of those increases are set out in the Table.
- 4.** An estimate of the costs associated with these Regulations has been prepared by the Executive and is held at its offices at 83 Ladas Drive, Belfast, BT6 9FR, from where a copy may be obtained on request.
