(5) For the purposes of this Scheme Y shall be the sum obtained by dividing the sum specified in column (2) of the Table set out in the Schedule opposite the reference to table potatoes by the total number of table potatoes per hectare obtained under Article 6(1)(e) provided that Y shall not exceed £98.70.

Recovery of payment

10.—(1) Where an amount falls to be paid to the Department by virtue of this Scheme that amount or any part thereof shall be recoverable as a civil debt.
