EXPLANATORY NOTE

(This note is not part of the Order)

These Regulations provide for amendments to the Adoption of Children from Overseas Regulations (Northern Ireland) 2002 and the Intercountry Adoption (Hague Convention) Regulations (Northern Ireland) 2003.

Regulation 2 amends regulation 3 of the Adoption of Children from Overseas Regulations (Northern Ireland) 2002 so as to require that, before bringing a child into the United Kingdom for the purpose of adoption, a prospective adopter must have received a notification from the Department of Health, Social Services and Public Safety that it agrees that the prospective adopter's case should proceed.

Regulation 3 amends regulation 9 of the Intercountry Adoption (Hague Convention) Regulations 2003 so as to require the agreement of the Department of Health, Social Services and Public Safety as the Central Authority before a prospective adopter's case is sent to the State of Origin's Central Authority.
