SCHEDULE

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations repeal, with effect from 1 October 2008, certain provisions in Article 372 of the Companies (Northern Ireland) Order 1986 (S.I. 1986/1032 (N.I. 6)) (“the 1986 Order”), which specifies information to be included in the annual return delivered to the registrar of companies under Article 371 of the 1986 Order. These provisions include the requirement for companies to list the other directorships and former names of individual directors; the other directorships of corporate directors and the requirement for private companies to state whether resolutions are in operation enabling the company to dispense with the laying of accounts and reports before the company in general meeting, or to dispense with the holding of annual general meetings.

The Regulations also relate to information to be provided about share capital and shareholders in the annual return of a company under the 1986 Order. The type of information to be supplied depends on whether or not any of the company’s shares were shares admitted to trading on a regulated market during the period to which the return relates.

The Companies (Forms) (Amendment No. 2 and Company’s Type and Principal Business Activities) Regulations (Northern Ireland) 1991 (S.R. 1991 No. 399) are amended by prescribing additional codes for non-trading companies and dormant companies for the purposes of Article 372(3) of the 1986 Order (classifying the principal business activities of a company).

Due to the very small number of Northern Ireland-based public limited companies which trade in a regulated market, an impact assessment is considered unnecessary.
