Date of repayment

12. For the purposes of this Part, repayment will be considered to have been paid by the borrower and received by the Department as follows:—

- (a) where an amount is paid by the borrower directly to the Department, or by direct debit under regulation 13, a repayment of that amount is considered to have been received on the date on which the amount is, in fact, received;

- (b) where HMRC have notified the Department that an amount has become payable to it in respect of a tax year under Part 3, a repayment of that amount is considered to have been received by the Department on 31st January following the tax year, whether or not the borrower has, in fact, paid any or all of that amount to HMRC;
- (c) where an amount is deducted by an employer under Part 4, that amount must be aggregated with all other amounts deducted in the same tax year and repayments of the aggregate amount will be considered to have been received by the Department in equal instalments received on the days during the tax year which are—
 - (i) the last days of a month;
 - (ii) days after the date on which the Department has given notice under regulation 11(3)(b) that payment should be deducted; and

then the Department must give notice of any refusal or failed payment to the borrower and must give a notice to HMRC and to the borrower pursuant to regulation 11(3) that deductions from earnings are to recommence unless regulation 11(8) would otherwise apply.

(6) The borrower may, at any time, agree with the Department that repayment in accordance with this regulation will cease, and thereafter the Department must give a notice to HMRC and to the borrower in accordance with regulation 11(3) that repayment through the tax system is to recommence unless regulation 11(8) would otherwise apply.

(7) The Department may suspend or delay the operation of paragraph (5) if and to the extent it appears to the Department expedient to do so, taking into account the causes of the failed payment and the Department must notify the borrower of any suspension or delay as the case may be.

the Department may require the reimbursement of those costs or expenses by the borrower and may add them to the borrower’s loan account and they will form part of the principal of the student loan from the date on which they are added.

Alteration of relevant time limits

21. Where the Department considers that, having regard to all the circumstances of a particular case, a time limit in regulation 17, 18(4), or 19(4) or (6) should be relaxed, the Department may specify another time limit.

Foreclosure

22. Where a borrower fails to comply with an Information or Penalty Notice or both, the Department may require the borrower to repay the student loan in full immediately.

PART 3

Repayments by Assessment to Income Tax

Repayments of student loans by persons required to submit a tax return

23. Repayments by a borrower who in respect of any tax year is required to make and deliver to HMRC a return under section 8 of the 1970 Act must be made, accounted for and recovered in the same manner as income tax payable under the Taxes Acts; and in such cases the provisions of this Part (which with extensions and modifications include provisions of the Taxes Acts) will apply to and for the purposes of such repayments.

Time for and amount of repayments

24.—(1) Every borrower who has received a notice from the Department of a requirement to make repayments of a student loan under regulation 11(3)(a) must make repayment in respect of any tax year—

- (a) which is specified in a notice under regulation 11(3)(a) or which is any subsequent year up to and including any year specified in a notice under regulation 11(3)(c); and
- (b) for which the borrower has been required to make and deliver a return under section 8 of the 1970 Act.

(2) The repayment must be an amount equal to 9% of the borrower’s total income for that year calculated in accordance with paragraph (3).

(3) A borrower’s total income for the purposes of paragraph (2) will be calculated by identifying the borrower’s total income in accordance with step 1 of section 23 of the 2007 Act and from that total income:

- (a) excluding the first £15,000;
 - (b) excluding unearned income unless the amount of such income for that year exceeds £2,000;
 - (c) excluding incapacity benefit payable under the Social Security Contributions and Benefits (Northern Ireland) Act 1992(24);
 - (d) excluding amounts chargeable to tax under Chapters 5, 6, 7 or 10 of Part 3 of the 2003 Act (benefits in kind);
 - (e) excluding employment and support allowance paid under the Welfare Reform Act (Northern Ireland) 2007(25);
 - (f) deducting the amount of any loss in respect of which relief is given under—
 - (i) section 64 of the 2007 Act (in respect of losses in a trade, profession or vocation), or
 - (ii) section 128 of the 2007 Act (in respect of losses in an employment); and
 - (g) deducting the amount of any payment in respect of which relief is given under section 96 of the 2007 Act (relief for post-cessation expenditure);
 - (h) deducting any amounts in respect of which relief is given under Part 4 Chapter 4 of the Finance Act 2004 (pension schemes etc)(26) and that have not been included in the calculation of total income at step 1 of section 23 of the 2007 Act(27).
- (4) For the purposes of this regulation, unearned income is income other than—
- (a) income charged under the provisions of either the 2003 Act or Part 2 of the 2005 Act except jobseeker’s allowance to which Chapter 3 of Part 10 of the 2003 Act applies; and
 - (b) the profits of a UK furnished holiday lettings business within the meaning of section 127(2) of the 2007 Act.

(5) For the purposes of this regulation, “jobseeker’s allowance” means an allowance within the meaning of Part II of the Jobseekers (Northern Ireland) Order 1995(28).

(25) 2007 c.2 (N.I.)

(26) 2004 c.2 (N.I.)

(27) The requirements to ‘exclude’ certain income and to ‘deduct’ other sources of income from a borrower’s total income for the purposes of student loan repayments reflects the structure of section 23 of the 2007 Act

Personal return

25. For the purposes of establishing the amount of the repayment which a borrower is required to make for a tax year under regulation 24, HMRC may require the borrower—

- (a) to include such information as may reasonably be required, in a return required to be made and delivered under section 8 of the 1970 Act ; and
- (b) to deliver with the return such accounts, statements and documents as may reasonably be required relating to information contained in the return as a result of paragraph (a).

Returns to include self-assessment

26.—(1) Subject to paragraph (2), every return made and delivered by a borrower under section 8 of the 1970 Act must include a self-assessment, namely—

- (a) an assessment of the amount of the repayment which, on the basis of the information contained in the return and taking into account any relief or allowance mentioned in regulation 24 the borrower is required to make for the tax year under regulation 24; and
- (b) an assessment of the amount payable by the borrower by way of repayment, being the difference between the amount of the repayment which the borrower is assessed to make for the tax year under sub-paragraph (a) and the aggregate amount of any repayments deducted from earnings under Part 4 during that year.

(2) Section 9(2) to (3A) (self-assessment) and section 9A (power to enquire into returns) of the 1970 Act apply to a self-assessment under this regulation as they apply to a self-assessment under section 9(1) of that Act, and any references in the Taxes Acts to those sections is to be construed as a reference to them as extended by this regulation.

Records

27. Section 12B of the 1970 Act (records to be kept for the purposes of returns) applies in the case of a borrower as if any reference to a return includes reference to a return including the information required by regulation 25(b).

Other returns and information

28.—(1) Sections 13 (persons in receipt of taxable income belonging to others), 15 (return of employees' earnings etc), 16 (fees, commissions, etc), 16A (agency workers), 20A (power to call for papers of tax accountant), 20BA (orders for the delivery of documents) and 20BB (falsification etc of documents) of the 1970 Act apply for the purposes of establishing the amount of the repayment a borrower may be required to make under this Part as they apply for the purposes of establishing the amounts in which a person is chargeable to income tax.

(2) Schedule 36 to the Finance Act 2008(**29**) (information and inspection powers) applies in relation to checking a borrower's compliance with this Part as it applies in relation to checking a person's tax position (as defined in that Schedule) subject to the modifications in paragraph (3).

(3) The modifications are —

- (a) any reference to any provision of the Taxes Acts is to be treated as a reference to this Part;
- (b) any reference to prejudice to the assessment or collection of tax is to be treated as a reference to prejudice to the assessment or collection of student loan repayments;
- (c) the reference to information relating to the conduct of a pending appeal relating to tax is to be treated as a reference to information relating to the conduct of a pending appeal relating to compliance with this Part; and

- (d) in paragraph 21(6)—
 - (i) paragraphs (a) and (c) are omitted; and
 - (ii) in paragraph (b) the reference to relevant tax for the chargeable period is to be treated as a reference to the amount of the student loan repayment shown in the self-assessment under regulation 26.

Assessment, claims and appeals

29.—(1) Subject to paragraph (2), Parts 4 (assessment and claims) and 5 (appeals and other proceedings) of the 1970 Act apply with any necessary modifications for the purposes of—

- (a) assessing the amount of the repayment a borrower is required to make under this Part;
- (b) claims or other matters concerning such assessment; and
- (c) appeals against any such assessment,

as if any reference to an assessment or a self-assessment included a reference to an assessment or self-assessment for the purposes of this Part.

(2) HMRC may not determine the amount of a repayment which a borrower may be required to make under this Part under section 28C of the 1970 Act (determination of tax where no return delivered).

Payment

30.—(1) Any repayment by a borrower under this Part must be paid as if the repayment were an amount of income tax payable by the borrower under section 59B of the 1970 Act (payment of income tax and capital gains tax) in accordance with the following paragraphs.

- (2) In a case where the borrower—
 - (a) gave the notice required by section 7 of the 1970 Act within 6 months from the end of the tax year, but
 - (b) was not given notice under section 8 of the 1970 Act until after 31st October next following that year,

any repayment by a borrower must be made at the end of the period of three months beginning with the day on which the notice under section 8 of the 1970 Act was given.

(3) In any other case the repayment must be made on or before 31st January next following the tax year.

(4) Section 59B(4A), (5) or (6) of the 1970 Act applies where an enquiry, an amendment of a self-assessment or an assessment is made in respect of a repayment under this Part respectively, and any reference to tax payable in those subsections is to be treated as a reference to a repayment by a borrower.

(5) Sections 59B(5A), (7) and (8) of the 1970 Act do not apply for the purposes of this regulation.

Surcharges

31. Section 59C of the 1970 Act (surcharges on unpaid income tax and capital gains tax) applies to repayments which have become payable by a borrower under this Part as it applies to income tax payable in accordance with section 55 or 59B of that Act.

Collection and recovery

32. Part 6 of the 1970 Act (collection and recovery) applies to repayments, interest and penalties which have become due and payable by a borrower under this Part as it applies to income tax and interest charged and penalties imposed under that Act.

Persons chargeable in a representative capacity

33. Sections 72 (trustees, guardians, etc of incapacitated persons), 74 (personal representatives), 75 (receivers appointed by a court) and 76 (protection for certain trustees, agents and receivers) of the 1970 Act apply in the case of repayments due and payable by a borrower under this Part as they apply in the case of income tax chargeable to any person.

Interest

34.—(1) Any repayment due and payable under this Part carries interest at the rate applicable under section 178 of the Finance Act 1989⁽³⁰⁾ for the purposes of section 86 of the 1970 Act from whichever of the following days is applicable—

- (a) the last day of the period referred to in regulation 30(2); or
- (b) the date mentioned in regulation 30(3),

until payment, whether or not the applicable day is a non-business day within the meaning of section 92 of the Bills of Exchange Act 1882⁽³¹⁾.

(2) Sections 90 and 91 of the 1970 Act apply to interest under this regulation as they apply to interest on income tax.

(3) A refund by HMRC to a borrower of an overpayment of amounts payable under this Part carries interest at the rate applicable under section 178 of the Finance Act 1989 from the date on which the overpayment arose to the date on which the order for the refund is issued.

Penalties

35.—(1) Section 93 of the 1970 Act (failure to make a return for income tax and capital gains tax) applies to returns under section 8 of that Act which are required to include information under regulation 25 as it applies to any other such returns.

(2) In the case of such returns the references in section 93 of the 1970 Act to liability to tax which would have been shown in the return are construed as references to the aggregate of the amounts which, if a proper return had been delivered on the filing date, would have been payable—

- (a) by the taxpayer under section 59B of that Act (payment of income tax and capital gains tax); and
- (b) where the taxpayer is a borrower, by way of repayment under regulation 24.

(3) For tax years ending on or before 5th April 2008—

- (a) section 95 of the 1970 Act (incorrect return or accounts for income tax or capital gains tax) applies in relation to anything done for the purposes of or in connection with the ascertainment of liability of a borrower to make a repayment under this Part as it applies for the purposes of or in connection with the ascertainment of liability to income tax, and for that purpose the difference referred to in section 95(2) is the difference between—
 - (i) the amount calculated under regulation 24(1); and

⁽³⁰⁾ 1989 c.26

⁽³¹⁾ 1882 c.61. Section 92 was amended by the Banking and Financial Dealings Act 1971 (c.80) sections 3(1) and 4(4)

- (a) in relation to anything done for the purposes of or in connection with the ascertainment of liability of a borrower to make a repayment under this Part as it applies for the purposes of or in connection with the ascertainment of liability to income tax; and

Repayment of student loans by employees

37. Subject to the provisions contained in this Part, repayments by a borrower who is an employee must be made, accounted for and recovered in the same manner as income tax deducted from the earnings of an office or employment by virtue of Regulations under section 684 of the 2003 Act.

Commencement of employment

38. Where at the commencement of employment a borrower is required to complete a Form P46, the borrower must declare any liability to repay any student loan in that Form P46.

Amount of repayments

39.—(1) The repayment deducted must be 9% of any earnings paid to, or provided to or for the benefit of, the borrower in respect of the employment which exceed the threshold specified in paragraph (2).

(2) The threshold is—

- (a) £15,000, where the earnings period specified in respect of those earnings is a tax year; or
- (b) in any other case, the amount which bears the same relation to £15,000 as the number of days, weeks or months of the earnings period specified in respect of those earnings bears to the number of days, weeks or months in the tax year respectively.

(3) Where a repayment calculated under paragraph (1) includes pence as well as pounds the pence are to be ignored.

(4) Alternatively, the repayment calculated under paragraph (1) may be calculated in accordance with the appropriate table prepared by the Department.

(5) Where a table would otherwise be appropriate, but the earnings period is a multiple of the period in the table, then the table may be applied by—

- (a) dividing the actual earnings by such figure (X) as will give the earnings earned for the period shown in the table;
- (b) taking the appropriate repayment specified in the table; and
- (c) multiplying the table repayment sum by figure X,

to produce the appropriate payment sum for the actual earnings period.

Calculation of earnings

40.—(1) In calculating earnings for the purposes of these Regulations, earnings paid to or for the benefit of an employee are aggregated or not aggregated as they are for the purposes of the Contributions Regulations.

(2) HMRC may, where it is satisfied as to the existence of any practice in respect of the payment of earnings which causes the incidence of repayments to be avoided or reduced by means of the payment of earnings to or for the benefit of an employee by different persons in respect of different employments, give directions for securing that such repayments are made as if the practice were not followed.

(3) HMRC may, where it is satisfied as to the existence of any practice in respect of the payment of earnings which causes the incidence of repayments to be avoided or reduced by means of irregular or unequal payments, give directions for securing that such repayments are made as if that practice were not followed.

Earnings periods

41.—(1) The amount of repayments, if any, which is deducted by the employer must, subject to paragraph (2), be calculated by reference to the amount of earnings paid to, or provided to or for the benefit of, the borrower in respect of the employment, in the earnings period specified or determined in respect of those earnings for the purposes of the Contributions Regulations.

(2) Where earnings in respect of two or more employments—

- (a) fall to be aggregated for the purposes of the Contributions Regulations; and
- (b) the earnings periods in respect of those earnings are, by virtue of the Contributions Regulations, of different lengths,

the earnings period specified in respect of the aggregated earnings will be the shorter or shortest of those earnings periods.

Multiple employers

42.—(1) Where —

- (a) an employer has made an election under regulation 98(1) of the PAYE Regulations (Multiple PAYE schemes); and
- (b) no improper purpose notice has been issued under regulation 99(1) of those Regulations (Multiple PAYE schemes: election made for improper purpose ineffective), or, if one has been issued, it has been withdrawn under regulation 99(5),

the employer is to be treated as having made an election for the purposes of those Regulations.

(2) Where earnings in respect of two or more employments fall to be aggregated under regulation 15(1)(a) of the Contributions Regulations, the amount to be deducted is apportioned between the employers in the same proportions as secondary Class 1 contributions are apportioned between them under that regulation.

Intermediate employers

43.—(1) This regulation applies where a direction has been given by HMRC under section 691 of the 2003 Act (PAYE: mobile UK workforce) and for the purposes of this regulation—

- (a) “the principal employer” means the person specified as the relevant person in the direction; and
- (b) “the immediate employer” means the person specified as the contractor in that direction.

(2) Where an employee works for a person who is not an immediate employer of the employee, that person (“the principal employer”) is deemed to be the employer for the purposes of these Regulations and the immediate employer must provide the principal employer with such particulars of the employee’s earnings as may be necessary to enable the principal employer to comply with these Regulations.

- (3) If the employee’s earnings are paid to the employee by the immediate employer then—
- (a) the principal employer must notify the immediate employer of the amount of repayments which are to be deducted when the earnings are paid to the employee, and the immediate employer must deduct the amount notified accordingly; and
 - (b) the principal employer may make a corresponding deduction on making the payment to the immediate employer of the sum from which the earnings in question are to be paid.

Notice to employers

44.—(1) Where HMRC has been given notice by the Department under regulation 11(3)(b) that a borrower may be required to make repayments under this Part on and after a specified date, HMRC must give notice to any person who to its knowledge is an employer of the borrower requiring the employer to make deductions of repayments from earnings paid to the borrower in accordance with these Regulations.

- (2) A notice under paragraph (1) must contain—
- (a) the employee’s name;
 - (b) the employee’s National Insurance number; and
 - (c) the date on and after which the employer is required to make deductions.

(3) Where HMRC has been given notice by the Department under regulation 11(3)(d) that it is no longer necessary for a borrower to make repayments after a particular date, HMRC must notify anyone who to its knowledge is an employer of that borrower requiring the employer not to make deductions from the borrower’s earnings on or after a particular date under this Part accordingly.

- (4) A notice under paragraph (3) must contain—
- (a) the employee’s name;
 - (b) the employee’s National Insurance number; and
 - (c) the date on and after which no deduction is required to be made.

(5) If HMRC is to give notices to an employer of two or more borrowers in accordance with paragraph (1) or (3) or both, HMRC may give one notice in respect of all such borrowers containing, in respect of each of them, the particulars specified in paragraph (2) or (4) as the case requires.

Deductions of repayments

- 45.**—(1) Every employer who has received—
- (a) a notice under regulation 44(1);
 - (b) a Form P45 containing a statement under regulation 62; or
 - (c) a Form P46 stating that the employee has a student loan which requires repayment,

must, on making to that employee any payment of earnings on the first available pay date, which falls on or after the date referred to in paragraph (2) and at any time after that pay date, but before the date referred to in paragraph (3), deduct the appropriate repayment in accordance with these Regulations.

- (2) The date is—

- (a) where the employer has received notice from HMRC under regulation 44(1), the date specified in the notice as the date on and after which deductions must be made;
 - (b) where the employer has received a Form P45, the date on which that Form is first received; or
 - (c) where the employer has received a Form P46 stating that the employee has a student loan which requires repayment, the date on which that Form is first received.
- (3) The date referred to in this paragraph is the date specified in the notice given by HMRC under regulation 44(3) as the date on and after which deductions must not be made; and the employer must not make deductions on or after the first available pay day on or after this date.
- (4) Where two or more payments of earnings are to be aggregated for the purposes of calculating the amount of a repayment requiring deduction the employer may deduct that amount either wholly from one such payment or partly from one and partly from the other or any one or more of the others.
- (5) Subject to paragraphs (6) and (7), if the employer does not deduct from any payment of earnings to an employee the full amount of a repayment which should have been deducted, the employer may deduct the remainder of the sum which should have been deducted from any subsequent payment or payments of earnings to that employee during the same tax year.
- (6) An employer may not make a subsequent deduction in respect of any remainder not previously deducted after the date referred to in paragraph (3).
- (7) The amount of any subsequent deduction referred to in paragraph (5) may be an amount in addition to but must not exceed the amount deductible from the payment under the other provisions of this Part.
- (8) If the employer deducts any repayment from the earnings of an employee who is a borrower in accordance with these Regulations, the employer is not required to repay any amount to the employee only because that amount was not owed by the employee to the Department as all or part of a student loan.

Priority where other deductions required

46.—(1) Where any employer is required to deduct repayments from a payment under regulation 45 but the aggregate of the deduction and any deductions on account of income tax and National Insurance contributions exceeds the amount of the payment, the employer must make the deductions on account of income tax and National Insurance first and the amount of the repayment which is to be deducted must be the remaining balance.

(2) Where an employer is required to deduct repayments from a payment under regulation 45 and is also required to comply with one or more of any of the types of notice or order in paragraph (3), paragraph (4) will apply.

(3) For the purposes of this paragraph, the notices and orders are—

- (a) attachment of earnings orders made under the Judgments Enforcement (Northern Ireland) Order 1981⁽³⁸⁾ or the Magistrates' Courts (Northern Ireland) Order 1981⁽³⁹⁾;
- (b) deductions of earnings orders made under the Child Support (Collection and Enforcement) Regulations (Northern Ireland) 1992⁽⁴⁰⁾; or
- (c) income support deduction notices made under regulation 20 of the Social Security (Payments on account, Overpayments and Recovery) Regulations (Northern Ireland) 1988⁽⁴¹⁾ (“the Social Security Regulations”).

⁽⁴⁰⁾ S.R. 1992 No. 390

⁽⁴¹⁾ S.R. 1988 No. 142

(4) An employer must deduct repayments as if they were amounts requiring deduction pursuant to an attachment of earnings order which—

- (a) was not made to secure the repayment of a judgement debt or payments under an administration order;
- (b) was the most recent order not made for that purpose; and
- (c) specifies a protected earnings rate equal to the protected earnings rate specified in the most recent attachment of earnings order, deduction of earnings order or income support deduction notice not made for that purpose which specifies such a rate, unless there is no such order or notice.

(5) Where in the circumstances described in paragraph (4) an employer is required to comply with an income support deduction notice under regulation 20 of the Social Security Regulations before deducting a repayment under regulation 45, no repayment must be deducted by the employer.

(6) Where repayments to be deducted in accordance with paragraph (4) are reduced as a result of paragraph (4)(c) and the total of the reduced payments includes pence as well as pounds the pence are to be ignored.

Deductions working sheet

47.—(1) The employer must record on the deductions working sheet for an employee the amount of any deduction from any payment of earnings under these Regulations.

(2) Where two or more payments of earnings are to be aggregated for the purposes of calculating the amount of repayments requiring deduction, the employer must record a single amount, being the total of the amount requiring deduction in respect of the aggregated payments, rather than recording separate amounts in respect of each such payment.

Certificate of repayments

48.—(1) Where the employer is required to give an employee a certificate in accordance with regulation 67 of the PAYE Regulations, or paragraph 9 of Schedule 4 to the Contributions Regulations (Form P60), the employer must record in the certificate the amount of repayments deducted by that employer in the tax year to which the certificate relates.

(2) Where the employer is not otherwise required to give an employee who is an employee on the last day of the tax year such a certificate but has deducted repayments in respect of a tax year the employer must give the employee a certificate showing the amount of repayments deducted for that tax year.

Payment of repayments deducted to HMRC

49.—(1) Subject to paragraphs (2), (3) and (6) the employer must pay an amount equal to the smaller of the repayments—

- (a) deducted by the employer under these Regulations during an income tax month; or
- (b) which the employer was required to deduct under these Regulations during that income tax month,

to HMRC within 14 days of the end of that income tax month.

(2) Where, under paragraph 11 of Schedule 4 to the Contributions Regulations, the employer is required to pay National Insurance contributions due in respect of earnings paid in an income tax quarter within 14 days of its end, then subject to paragraphs (3) and (6), the employer must pay an amount equal to the smaller of the repayments—

- (a) deducted by the employer under these Regulations during an income tax quarter, or

(b) which the employer is required to deduct during that quarter, to HMRC within 14 days of the end of that income tax quarter.

(3) Where, before 1st April 2006, the employer has under regulation 7(2) of the Tax Credits (Payment by Employers) Regulations 1999⁽⁴²⁾ or the Working Tax Credit (Payment by Employers) Regulations 2002⁽⁴³⁾ funded the payment of tax credit out of repayments deducted under these Regulations or the Education (Student Loans) (Repayment) Regulations (Northern Ireland) 2000, the amount requiring payment to HMRC under paragraph (1) or (2) must be reduced by the amount of tax credit which the employer has funded in the income tax period.

(4) Subject to paragraph (5), if the employer has paid to HMRC on account of repayments under this regulation an amount which the employer was not liable to pay, the amounts which the employer is required subsequently to pay in respect of other payments of earnings made by the employer during the same tax year must be reduced by the amount overpaid.

(5) If the overpayment referred to in paragraph (4) corresponds to an over-deduction from the earnings of one or more employees, an employer may only act in accordance with paragraph (4) if and to the extent that the employer has reimbursed the employee or employees for that over-deduction.

(6) Where an employer makes a payment in accordance with paragraph (1) or (2) by an approved method of electronic communications, payment must be made within 17 days of the end of the relevant income tax period.

Notice and certificate when repayments deducted not paid

50.—(1) This regulation applies where, within 17 days of the end of any income tax period the employer has paid no amount in respect of student loan repayments to HMRC under regulation 49 for that income tax period and HMRC is unaware of the amount, if any, which the employer is liable to pay.

(2) Where this regulation applies, HMRC may give notice to the employer requiring the employer to render a return within 17 days in such form as HMRC may prescribe showing the amount in respect of student loan repayments which the employer is liable to pay to HMRC under regulation 49 in respect of the relevant income tax period.

(3) Where a notice given by HMRC under paragraph (2) extends to two or more consecutive income tax periods, these Regulations have effect as if the consecutive income tax periods were one income tax period.

(4) HMRC may give notice under paragraph (2), even if an amount in respect of student loan repayments has been paid to HMRC by the employer under regulation 54 for an income tax period, if HMRC is not satisfied that the amount paid is the full amount which the employer is liable to pay to HMRC in respect of the income tax period in question.

(5) Upon receipt of a return made by the employer under paragraph (2) HMRC may prepare a certificate showing the amount in respect of student loan repayments which the employer is liable to pay to HMRC in respect of the income tax period in question.

(6) The production of the return made by the employer under paragraph (2) and of the certificate of HMRC under paragraph (5) is sufficient evidence that the amount shown in the certificate is the amount of student loan repayment which the employer is liable to pay to HMRC in respect of the income tax period in question.

(7) Any document purporting to be a certificate under paragraph (5) is deemed to be such a certificate until the contrary is proved.

(43) [SI 2002/2172](#). These Regulations were revoked by the Tax Credit (Payment by Employers, etc) (Amendment) Regulations 2005 ([SI 2005/2200](#)) regulation 9(2)(a)

Notice of specified amount and certificate when repayments not deducted

51.—(1) This regulation applies where, after 17 days following the end of any income tax period, the employer has paid no amount in respect of student loan repayments to HMRC under regulation 49 for that income tax period and there is reason to believe that the employer is liable to pay such repayments.

(2) Where this regulation applies, HMRC upon consideration of the employer's record of past payments, whether of student loan repayments or of combined amounts, may to the best of its judgment specify the amount in respect of student loan repayments or of a combined amount which it considers the employer is liable to pay, and serve notice on the employer of that amount.

(3) Where the employer has paid no amount under regulation 49 for the relevant income tax periods, HMRC may give a notice under paragraph (2) which extends to two or more consecutive income tax periods and these Regulations have effect as if those income tax periods were the latest income tax period specified in the notice.

(4) HMRC may give a notice under paragraph (2) even if an amount in respect of student loan repayments has been paid to it by the employer under regulation 49 for any income tax period, if HMRC is not satisfied, having sought the employer's explanation, that the amount paid is the full amount which the employer is liable to pay to it for that income tax period and this regulation will apply to the amount specified.

(5) If the employer claims during the period allowed in a notice given under paragraph (2) that the payment made in respect of the income tax period specified is, or includes, the full amount of student loan repayments which the employer is liable to pay to HMRC for that period, but does not satisfy HMRC of this, then—

- (a) the employer may require HMRC to inspect the employer's documents and records as if an officer of Revenue and Customs had called upon the employer to produce those documents and records in accordance with regulation 55; and
- (b) regulation 55 applies to that inspection and the notice given by HMRC under paragraph (2) is to be disregarded.

(6) Subject to paragraph (7), if the specified amount, or any part of it, is unpaid on the expiration of the period of seven days allowed in the notice, the amount unpaid—

- (a) is deemed to be an amount in respect of student loan repayments or to include an amount in respect of student loan repayments which the employer was liable to pay for that income tax period in accordance with regulation 49, and
- (b) may be certified by HMRC.

(7) Paragraph (6) does not apply if during the period allowed in the notice—

- (a) the full amount which the employer is liable to pay to HMRC for that income tax period is paid, or
- (b) the employer satisfies HMRC that no amount, or no further amount, is due for that income tax period.

(8) The production of a certificate under paragraph (6) is sufficient evidence that the employer is liable to pay the amount shown in the certificate to HMRC.

(9) Any document purporting to be a certificate under paragraph (6) is deemed to be such a certificate until the contrary is proved.

(10) Despite any other provision of this regulation, if an employer pays any amount certified by HMRC under this regulation and that amount exceeds the amount which the employer would have been liable to pay in respect of that income tax period apart from this regulation, the employer is entitled to set off such excess payment against any amount which the employer is liable to pay to HMRC under regulation 49 for any subsequent income tax period.

(11) If the employer renders the return required by regulation 49 after the end of the tax year and pays the total net amount in respect of student loan repayments which the employer is liable to pay, any excess amount paid and not otherwise recovered by set-off in accordance with this regulation is to be repaid.

Recovery of payments deducted through the income tax system

52.—(1) The provisions of the Taxes Acts and of any Regulations under section 684 of the 2003 Act relating to the recovery of tax apply to the recovery of any amount which the employer is liable to pay to HMRC under regulation 49, 50, 51, 54 or 55 as if that amount had been tax charged by way of an assessment on the employer as employment income under the 2003 Act.

(2) Without prejudice to paragraph (1), regulation 84 of the PAYE Regulations applies to the amount shown in a certificate under regulation 50(5), 51(6), 54(4), or 55(4), with the modification that summary proceedings for the recovery of the amount in respect of student loan repayments or a combined amount, or such part of it as remains unpaid, together with any interest payable on such amount, may be brought at any time before the expiry of 12 months after the date of the certificate.

(3) In the application of any provisions referred to in paragraph (1) to any proceedings under this regulation which limit the amount which is recoverable in those proceedings, any other element of a combined amount which may by virtue of paragraphs (4) to (6) be included as part of the cause of action or matter of complaint in those proceedings is to be disregarded.

(4) Proceedings may be brought for the recovery of—

- (a) the total amount which the employer is liable to pay to HMRC under regulation 49, or
- (b) the total amount which the employer is liable to pay HMRC as a combined amount including any amount under regulation 49, without specifying the respective amounts of any component of a combined amount or distinguishing the amounts which the employer is liable to pay in respect of each employee and without specifying the employees in question.

(5) For the purposes of—

- (a) proceedings under section 66 or 67 of the 1970 Act (including proceedings under either section as applied by the provisions of this regulation), and
- (b) summary proceedings (including, in Scotland, proceedings in the sheriff court),

the total amount specified in paragraph (4) will, subject to the provisions of paragraphs (3) and (6), be one cause of action or one matter of complaint.

(6) Nothing in paragraph (4) or (5) prevents the bringing of separate proceedings for the recovery of each of the several amounts referred to in paragraph (4) which the employer is liable to pay to HMRC for any income tax period in respect of each of the employer's employees.

Interest on unpaid repayments

53.—(1) Subject to paragraph (2), where an employer has not on or before the 14th day after the end of a tax year paid an amount which the employer is liable to pay to HMRC under regulation 49 for that tax year, that amount will carry interest at the rate applicable under section 178 of the Finance Act 1989⁽⁴⁴⁾ for the purposes of section 86 of the 1970 Act from that date until payment.

(2) Where payment is made by an approved method of electronic communications, the interest payable under paragraph (1) must be calculated as if the date in paragraph (1) was the 17th day after the end of the tax year.

(3) Interest payable under this regulation is recoverable as if it were an amount which the employer was liable to pay under regulation 49.

(44) 1989 c.26

(4) An amount to which paragraph (1) applies carries interest from the day mentioned in that paragraph even if that date is a non-business day within the meaning of section 92 of the Bills of Exchange Act 1882.

(5) A certificate of HMRC that to the best of its knowledge and belief, any amount of interest payable under this regulation has not been paid to it by the employer, is sufficient evidence that the amount of interest shown on the certificate is unpaid and is due to the Crown.

(6) Any document purporting to be a certificate under paragraph (5) is deemed to be such a certificate until the contrary is proved.

(7) HMRC may prepare a certificate certifying the total amount of interest payable in respect of the whole of a combined amount without specifying to what component of the combined amount the interest relates and paragraphs (5) and (6) will apply to that certificate.

(8) Where an employer has paid interest on an amount under this regulation and it is found not to have been due to be paid, although the amount in respect of which it was paid was due to be paid, that interest must be repaid to the employer.

Returns by employers

54.—(1) Not later than 44 days after the end of the tax year the employer must deliver to HMRC in such form as HMRC may approve or prescribe, a return showing in respect of each employee, in respect of whom the employer was required at any time during the tax year to prepare or maintain a deductions working sheet in accordance with regulation 47—

(3) Where the employer is a body corporate, the declaration and the certificate referred to in paragraph (2) must be signed by the secretary or a director of that body corporate.

(4) If within 17 days of the end of any tax year an employer has failed to pay to HMRC the total amount of repayments which the employer is liable to pay under regulation 49, HMRC may prepare a certificate showing the amount of repayments remaining unpaid for the tax year in question.

(5) Where an employer fails to make a return in accordance with paragraph (1), the employer is liable—

- (a) to a penalty or penalties of the relevant monthly amount for each month (or part of a month) during which the failure continues, but excluding any month after the twelfth or for which a penalty under this paragraph has already been imposed; and
- (b) if the failure continues beyond 12 months, without prejudice to any penalty under subparagraph (a), to a penalty not exceeding so much of the amount payable by the employer in accordance with the Regulations for the tax year to which the return relates as remained unpaid at the end of the 22nd April after the end of that tax year.

(6) For the purposes of paragraph (5), the relevant monthly amount in the case of a failure to make a return is—

- (a) £100, where the number of persons in respect of whom particulars should be included in the return is fifty or less;
 - (b) £100 for each fifty such persons, where that number is greater than fifty; and
 - (c) an additional £100 where the number of persons referred to in sub-paragraph (b) is not a multiple of fifty.

 - (ii) any specified return which must be made in accordance with Regulations made by HMRC under paragraph 6 of Schedule 1 to the Social Security Contributions and Benefits (Northern Ireland) Act 1992 in respect of which section 98A of the 1970 Act has been applied by such Regulations; or
 - (b) if the circumstances are such that a return mentioned in paragraph (a) does not fall to be made, at a time defined by reference to the time for making that return, had it fallen to be made,

and a person has been required to pay a penalty under section 98A(2)(a) of the 1970 Act in respect of the tax return or the National Insurance contributions return or both, that person must not also be required to pay a penalty in respect of any failure to submit the return under this regulation.

- (8) For tax years—
- (a) ending on or before 5th April 2009, where an employer fraudulently or negligently makes an incorrect return under paragraph (1), the employer will be liable to a penalty not exceeding £3000 for each employee in respect of whom incorrect particulars are included in the return;
 - (b) commencing on or after 6th April 2009, where the date on which the return is due to be filed is on or after 6th April 2010, where an employer carelessly or deliberately makes an incorrect return under paragraph (1) penalties as set out in Schedule 24 to the Finance Act 2007 (penalties for errors) will apply as they apply in connection with PAYE.
- (9) A certificate under paragraph (4) that the net amount in respect of student loan repayments remaining unpaid for that year has not been paid to it by the employer is sufficient evidence that the sum shown on the certificate is unpaid and is due to the Crown.
- (10) Any document purporting to be a certificate under paragraph (4) is deemed to be such a certificate until the contrary is proved.

Inspection of employers' records

55.—(1) For the purposes of carrying out inspections of an employer's records in relation to checking their compliance with this Part, Schedule 36 to the Finance Act 2008⁽⁴⁵⁾ (information and inspection powers) applies as it applies in relation to checking a person's tax position (as defined in that Schedule) subject to the modifications in paragraph (2).

(4) The provisions of Parts 4 (Assessment and Claims), 5 (Appeals and Other proceedings) and 6 (Collection and Recovery) of the 1970 Act apply to a determination under this regulation, with any necessary modification—

PART 5

Repayment by Overseas Borrowers

Interpretation

66. In this Part—

“gross income” means income from all sources before deductions for or relief from tax or other statutory charge;

“residence” in or outside the United Kingdom has the same meaning as it has in the Taxes Acts; and

“Eurostat” means the Statistical Office for the European Communities.

Notice of overseas residence

67.—(1) A borrower must notify the Department of any period of residence outside the United Kingdom which exceeds 3 months.

(2) A borrower must provide such information about the borrower’s income during any such period of residence as the Department may require.

Notice of liability to make repayments

68.—(1) Subject to regulation 70, where the Department is satisfied that a borrower is resident outside the United Kingdom, it may serve a notice on the borrower requiring the borrower to make repayments on any student loan in accordance with regulation 69.

(2) In a notice served under paragraph (1), the Department may require a borrower, if the borrower has failed—

(a) to give the notice required by regulation 67(1); or

(b) to provide any information required by the Department under regulation 67(2),

to repay immediately such part of a student loan as will reduce the amount outstanding to the amount which the Department considers would have been outstanding if the borrower had given the notice or provided the information required.

Repayment by fixed instalments

69. A borrower must pay to the Department a fixed instalment calculated in accordance with regulation 71—

(a) no later than the day specified in a notice served under regulation 68; and

(b) no later than the same day of each subsequent month.

Repayment by income-related instalments

70.—(1) Where the Department is satisfied that a borrower to whom regulation 68 applies has complied with a requirement to provide information under regulation 67, the Department may determine that the borrower may repay a loan by income-related instalments in accordance with this regulation.

(2) The first such instalment must be paid on a date determined by the Department being a date not more than 2 months later than the date of the determination and subsequent instalments must be paid on the same date in each subsequent month for up to 12 months.

(3) Each instalment must be one twelfth of the relevant amount.

(4) The relevant amount is 9% of the gross income which the Department consider the borrower is likely to receive in the next 12 month period following the date of the determination referred to in paragraph (2), disregarding—

(a) income up to the applicable threshold, calculated in accordance with regulation 71; and

(b) income in respect of which the Department is satisfied that repayments are likely to be made under Part 3 or 4.

(5) The amount of the instalment must be stated in the determination.

(6) At the end of the period referred to in paragraph (2), the borrower must pay fixed instalments under regulation 69, subject to a further determination under paragraph (1).

(7) At any time during the period referred to in paragraph (2), the Department may make a re-determination under paragraph (1).

Calculation of fixed instalment and applicable threshold

71.—(1) The fixed instalment in regulation 69 and the applicable threshold in regulation 70 are to be determined by reference to the most recent price level index for the borrower's country of residence and in accordance with the following tables—

<i>Band</i>	<i>Price Level Index</i>	<i>Fixed Instalment</i>
A	0<30	£49.20
B	30<50	£98.40
C	50<70	£147.60
D	70<90	£196.80
E	90<110	£246
F	110<130	£295.20
G	130+	£344.40

<i>Band</i>	<i>Price Level Index</i>	<i>Applicable Threshold</i>
A	0<30	£3000
B	30<50	£6000
C	50<70	£9000
D	70<90	£12000
E	90<110	£15000
F	110<130	£18000
G	130+	£21000

(2) The price level index for the United Kingdom is 100.

(3) Price level indices are to be calculated using the most recent provisional comparative price level indices measured in gross domestic product produced by Eurostat.

(4) Where the price level index for any country cannot be calculated because Eurostat does not hold the necessary data, it is to be calculated using the most recent provisional comparative price level indices measured in gross domestic product produced by the World Bank's Development Indicators.

(5) Subject to paragraph (6), where a price level index cannot be calculated under paragraph (3) or (4), the applicable threshold and fixed instalment are those for band A.

(6) The Department may determine that the applicable threshold or fixed instalment for a borrower is to be that for a country other than the borrower's present country of residence.

Application to cease repayment by instalments

72.—(1) A borrower who—

- (a) is required to make repayments under this Part; and
- (b) who has not been required to repay a student loan in full immediately under regulation 73,

may apply to the Department for a determination that the borrower is no longer required to make such repayments.

(2) Where the Department is satisfied that—

- (a) the borrower is resident in the United Kingdom; and
- (b) the borrower is likely to be resident in the United Kingdom for the tax year during which the date specified in the determination relating to that borrower will fall,

the Department may determine that a borrower who has applied under paragraph (1) is not to be required to make repayments under this Part from a date specified in the determination, being a date not more than 2 months later than the date of the determination.

(3) A determination under paragraph (2) has effect until the borrower again becomes liable to repay the loan under regulation 69 or 70.

Foreclosure

73. If a borrower does not pay an instalment or other amount when it is due, the Department may require the borrower to repay the loan in full immediately.

Costs and expenses of the Department

74.—(1) Where the Department incurs reasonable costs or expenses in taking steps—

- (a) resulting from a borrower's failure to comply with regulation 67, to
 - (i) obtain a borrower's address outside the United Kingdom; or
 - (ii) obtain information about a borrower's income during any period of residence outside the United Kingdom;
- (b) to serve a notice under regulation 68(1) in any of the circumstances set out in regulation 68(2); or
- (c) to recover the outstanding balance of the loan in full under regulation 73,

the Department may require reimbursement of those costs or expenses by the borrower and may add them to the borrower's loan account and they will form part of the principal of the loan from the date on which they are added.

 - (b) any debt or liability to which that person is or may become subject in respect of any sum payable to an eligible student by way of a student loan will not be included in that person’s bankruptcy debts when the person receives or is entitled to receive that sum—

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations revoke and re-enact with amendments the Education (Student Loans) (Repayment) Regulations (Northern Ireland) 2000. Like those Regulations, these Regulations

Status: This is the original version (as it was originally made).

govern repayments of student loans by borrowers who have taken out income- contingent repayment loans for courses which began any time in or after September 1998. Students who began their courses before then, and certain limited, transitional categories of students who began their courses shortly after then (for example, gap year students) remain subject to the previous system of mortgage-style loans for maintenance under the Education (Student Loans) Act 1990.

These Regulations set out the principal terms and conditions applying to repayments of income-contingent student loans in Northern Ireland.

These consolidating Regulations also bring together for the first time other provisions which concern repayments of student loans but which were previously found elsewhere in Regulations under Article 3 of the Education (Student Support) (Northern Ireland) Order 1998, namely provisions relating to the interest which may be charged on the loans during repayment and the effect of bankruptcy on a student's entitlement to the loan, or obligation to repay it. Those other relevant regulations are revoked by these Regulations.

The majority of the provisions of these Regulations come into operation on 6th April 2009. Provisions relating to the interest payable on loans and the insolvency provisions in Part 6 come into operation on 1 September 2009. Provisions relating to repayment by direct debit come into operation on 21 December 2009.

Under these Regulations, repayments will be made by borrowers in four ways:

- (a) through HMRC through the tax self-assessment process;
- (b) by deductions from salaries and other employment-related payments by employers, which are paid directly to HMRC by employers;
- (c) by direct payments to the Department for Employment and Learning (the "Department"), either as voluntary repayments or where borrowers are living and working abroad; or
- (d) by direct debit payments to the Department, within the last two years of the loan's repayment term.

Borrowers can make direct payments to the Department at any time. Repayment by direct debit in the last 23 months of repayment for borrowers in Northern Ireland enables a borrower to manage repayments so as not to risk overpayment through the tax system, and represents a change from the previous system. A borrower may notify the Department of a desire to repay the remainder of their loan by fixed instalments. Subject to certain exceptions and conditions the Department will agree.

Part 1 sets out the main definitions applying to the Regulations. It also deals with how notices and communications required or permitted under the Regulations may be made or given.

Part 2 makes provisions which apply to all loans made by Department.

This Part sets out the functions of HMRC in relation to monies collected by it, how the penalty regime set out in the Taxes Management Act 1970 will be applied to the repayments system (*regulations 7-9*).

It sets out how repayments made by borrowers will be applied to outstanding penalties, charges, costs, interest and principal (*regulation 10*). Borrowers do not become liable to repay any loan until the April after they have completed or left their courses. A borrower may, however, repay a loan at any point if the borrower wishes to.

The Department must notify the borrower and HMRC of the dates when loan repayments are to start and cease (*regulation 11*). A borrower's liability to repay a student loan will end only if the loan is cancelled, the loan is repaid in full or if specified other events occur.

Repayments made directly to the Department, or by direct debit are credited to a borrower's account on the date of receipt. Repayments made through self-assessment are credited to the borrower's account on 31 January in the tax year following the tax year for which those repayments are due. Repayments made through PAYE are deemed paid in 12 equal amounts across the year (*regulation 12*).

A borrower may repay through direct debit at the end of the life of their loan to prevent over-repayment through the tax system if they request it, and previous attempts at payment by this method have not failed as a result of the direct debit being refused or cancelled without permission. A borrower can agree to re-enter the PAYE system at any time (*regulation 13*).

Loans are cancelled when a borrower dies, is permanently disabled or reaches the age of 65. In relation to post -2006 student loans, the cancellation at age 65 is replaced with cancellation after 25 years (*regulation 14*).

If a borrower repays more than is owed to the Department, any over-payment is repaid. Over-payment through PAYE is repaid with interest at the same level as is applied to the loans by the Department (*regulation 15*).

The loans may carry interest which is applied daily at a rate of interest set by the Department from year to year, and which (if interest is charged) is equivalent to the Retail Prices (All items) Index for the 12 months to March preceding the beginning of the academic year in September (subject to an overall 'low interest' cap imposed by consumer credit legislation). The Department must publish the rate annually (*regulation 16*). These interest provisions were previously contained in the annual Education (Student Support) Regulations (Northern Ireland). Such interest provisions contained in those Regulations are revoked in these Regulations.

The Department may require the borrower to provide information about their name, address, personal details and income and may apply penalties to the borrower if the borrower fails to comply with these requirements (*regulations 17-22*). In addition to specific penalties for failing to comply, if the Department incurs any costs or expenses on its account in obtaining information which the borrower is required to provide, they may recover those costs and expenses and add them to the balance of the loan outstanding to its owner (*regulation 20*). The Regulations may also require the borrower to repay the loan in full, immediately, if the borrower fails to comply with the obligations to provide information or pay penalties (*regulation 22*).

Part 3 deals with repayment of student loans through the self-assessment system for borrowers required to submit a self- assessment tax return. Provisions of the Taxes Management Act 1970 dealing with payment of income tax through self-assessment are extended to cover repayment of student loans, and loan repayments through self-assessment are treated like income tax.

The borrower repays 9% of total annual income over £15,000 including any unearned income over £2000. Certain exclusions and reliefs are applied to the calculation of the borrower's income for these purposes (*regulation 24*).

Borrowers repaying through self-assessment must include information on student loan repayments in their annual return, and HMRC can request further information, accounts and documents as they can in relation to income tax. Borrowers make repayment by 31 January in the tax year following the relevant tax year, unless other requirements about a borrower's return are imposed (*regulation 30*). The borrower may be liable to surcharges, interest and penalties as would apply to income tax, if the borrower's return is missing, late, incomplete, misleading or if the borrower makes late or incomplete repayments.

Part 4 deals with how borrowers who are employees repay student loans through their employers. Loan repayments are collected and accounted for by employers in the same way as income tax is deducted from an employee's earnings, and earnings has the same meaning as it does for National Insurance contributions purposes. Employers can therefore calculate repayments on the same sum as they calculate National Insurance contributions. Repayment is made at the rate of 9% of annual earnings over £15,000 or the proportionate part of it, depending on the pay period. Employers can calculate the value of the deduction themselves or use Tables provided by the Department for this purpose (*regulation 39*). The rules on aggregating earnings and for determining earning periods, where an employee has more than one employment with a single employer is the same for student loans as it is for National Insurance contributions. Where an employer adopts practices to avoid or

reduce the amount of student loan repayments, HMRC may give directions to ignore those practices (*regulation 40*).

HMRC may notify anyone who to their knowledge is an employer of a borrower and require that employer to make deductions from the employee's earnings, and pay them to HMRC (*regulation 44*). The notice will apply from the first available pay date on or after that notice, and apply up until the date specified in a subsequent notice requiring the employer to cease making deductions (*regulation 45*). The employer is given directions as to how such deductions from the employee's earnings rank against other deductions that the employer may be required to make (*regulation 46*), and specifies when and how student loan repayments must be paid to HMRC (*regulation 49*). HMRC may require an employer to render a return in respect of all employees detailing the repayments which the employer is liable to deduct, and may certify sums owing in respect of them whether HMRC is unaware of sums which may be owed by that employer (*regulation 50*) or has reason to believe that the employer is liable to pay repayments to HMRC (*regulation 51*). HMRC may require employers to pay interest on student loan repayments which are not made to HMRC at the right time (*regulation 53*). HMRC may recover any sums owing by employers as though they were income tax and may recover student loan repayments in the same cause of action as outstanding National Insurance contributions or tax (as part of a 'combined amount' (*regulation 52*)). For tax years commencing on or after 6 April 2009 those penalties provided for in Schedule 24 to the Finance Act 2007 will apply to employers who carelessly or deliberately submit incorrect returns, in place of the previous regime (*regulation 54*). Powers to inspect records and obtain information contained in Schedule 36 to the Finance Act 2008 will now apply (with modifications) in relation to a borrower's compliance with Part 3 (*regulation 28*) and an employer's compliance with Part 4 (*regulations 55 and 56*). The Regulations also provide for HMRC to formally determine, and certify, any sums which it appears are outstanding to HMRC from employers in respect of student loan repayments. Interest may also be charged on these sums formally determined (*regulations 57 and 58*).

If an employer dies, or the business is transferred to another person, the personal representative or successor will be liable, in general, to do anything which the original employer was liable to do under these Regulations (*regulations 59-60*).

Where an employee leaves an employment, the employer must state in that employee's Form P45 that the employee is a borrower provided that the employer had received a notice stating that the employee is liable to make repayments, and had not also subsequently received a notice requiring the employer not to make deductions before the employee left the employment (*regulation 62*).

An employer who either fraudulently or negligently makes incorrect deductions or makes or receives incorrect payments in a tax year for an employee is liable to a penalty of £3000 per each such employee per tax year in respect of whom the fraudulent or negligent behaviour has occurred (*regulation 63*). Penalties under Part 4 may be recovered by HMRC in the same way as income tax (*regulation 64*). Various provisions of the PAYE Regulations are applied to collections with certain modifications (*regulation 65*).

Part 5 provides for repayment by borrowers who are not resident in the UK for income tax purposes. Borrowers must tell the Department if they are overseas for more than 3 months, and provide other details (including income levels) if requested to by the Department. The Department may require a borrower resident overseas to make repayments by way of fixed instalments each month (*regulation 70*) and, if a borrower has failed to provide necessary notices or information, may require the borrower to make such repayment as will reduce the amount outstanding on the loan to the level it would have been had the borrower given the notice or provided the information (*regulation 68*).

A borrower who has provided the necessary information to the Department about residence overseas and income levels may apply to the Department (as appropriate) to make repayments by way of income-related instalments, and if the Department agrees, the repayments must be at the rate of 9% of gross income which the Department consider the borrower is likely to receive in the next 12 months, disregarding any income below the applicable threshold or on which payment will be made through the UK tax system (*regulation 70*). The applicable threshold varies according to where in the world

the borrower is and the level of the price level index for that country determined by Eurostat or the World Bank (*regulation 71*). A borrower may apply to the Secretary of State or Welsh Ministers to cease making repayments by instalments if they become resident in the UK and have not been required to repay the loan in full immediately under regulation 73 (*regulation 72*).

A borrower failing to make repayment of any instalment or sum which is due may be required by the Department to make immediate repayment of the outstanding balance of the loan (*regulation 73*).

If the Department incurs any costs or expenses, whether on their own account or on behalf of a loan purchaser in obtaining information about a borrower's location, details and income abroad, or in obtaining payment of the whole of the outstanding loan, they may recover those costs and expenses and add them to the balance of the loan (*regulation 74*).

Part 6 re-enacts provisions previously contained in the Student Support Regulations concerning insolvency of borrowers. This provides that in relation to borrowers in Northern Ireland, England and Wales, sums by way of student loans which are received or to which a borrower is entitled after their bankruptcy, do not form part of their estate for the purposes of that bankruptcy. In Northern Ireland, any debt which a student loan borrower owes to the Department does not at any time form part of the debts of that borrower for the purposes of the bankruptcy, if the bankruptcy commences on or after 1 March 2005. If the bankruptcy commences prior to that date, only sums received or entitled to be received by the borrower prior to the commencement of the bankruptcy will form part of the bankrupt's debts in the bankruptcy.

Similar provisions are applied to England and Wales, except that the relevant date for determining whether student loan debts incurred prior to the bankruptcy form part of the debts of the bankruptcy is 1 September 2004.

An impact assessment has not been prepared in respect of this instrument as it has no impact on the costs of business, charities or voluntary bodies. The impact on the public sector is minimal.
