
STATUTORY RULES OF NORTHERN IRELAND

2012 No. 324

The Safeguarding Board for Northern Ireland
(Membership, Procedure, Functions and
Committee) Regulations (Northern Ireland) 2012

PART 4

The Case Management Review Panel

Annual report of the Case Management Review Panel

37.—(1) The Case Management Review Panel must, in respect of each financial year, prepare and send to the Safeguarding Board a report on the exercise of its functions which shall include—

- (a) the numbers of case management reviews undertaken (in accordance with regulation 17);
- (b) a summary of all practice learning points from Case Management Reviews completed during the year, together with an assessment of the extent to which practice has changed as a result; and
- (c) any material events affecting performance.

(2) In paragraph (1)(b) “practice learning point” means a finding of a case management review which, if implemented, will lead to improvement in practice for the purpose of safeguarding and promoting the welfare of children.
