Credit arrangements

48 Credit arrangements

- (1) Subject to the following provisions of this section, a local authority shall be taken for the purposes of this Part to have entered into a credit arrangement—
 - (a) in any case where they become the lessees of any property (whether land or goods); and

 - (c) in any case where the authority enter into a transaction of a description for the time being prescribed for the purposes of this section by regulations made by the Secretary of State;

Status: This is the original version (as it was originally enacted).

and, in any such case, the “credit arrangement” is the lease, the single contract or, as the case may be, the two or more contracts taken together.

- (2) The estimate required to be made under paragraph (b) of subsection (1) above shall be made at the time the contract or, as the case may be, the later or last of the contracts constituting the credit arrangement is entered into; and the reference in that paragraph to a relevant financial year is a reference to a financial year which begins after the contract or, as the case may be, the first of the contracts constituting the arrangement was entered into.
- (3) Subject to section 52 below, references in this Part, other than this section, to a credit arrangement do not apply to a credit arrangement which comes into being before 1st April 1990; and for the purpose of this Part a credit arrangement comes into being—
 - (a) where subsection (1)(a) above applies, at the time the local authority become the lessees;
 - (b) where subsection (1)(b) above applies, at the time the contract or, as the case may be, the later or latest of the contracts constituting the arrangement is entered into; and
 - (c) where subsection (1)(c) above applies, at the time the authority enter into the transaction concerned or such other time as may be specified in the regulations concerned.
- (4) Where a contract constitutes, or two or more contracts taken together constitute, a credit arrangement, no account shall be taken under this section of any later contract which has the effect of varying the effect of the contract or, as the case may be, of the two or more contracts taken together.
- (5) A contract is not a credit arrangement to the extent that it is a contract under which a local authority borrows money; and a lease or contract which is excluded from this section by regulations made by the Secretary of State is not a credit arrangement.
- (6) It is immaterial for the purposes of this section whether the consideration given or received by a local authority under any contract is given to or received from the person by whom the land, goods, services or other benefit are in fact provided to the authority; and for the purposes of this section, and any of the following provisions of this Part relating to credit arrangements, in any case where the consideration under a contract consists, in whole or in part,—
 - (a) of an undertaking to do or to refrain from doing something at a future time (whether specified or not), or
 - (b) of a right to do or to refrain from doing something at such a future time,that consideration shall be regarded as neither given nor received until the undertaking is performed or, as the case may be, the right is exercised.
- (7) Where the consideration under a contract consists, in whole or in part, of an option, the estimate required to be made under subsection (1)(b) above shall be made—
 - (a) on the assumption that the option will be exercised or, if the option could be exercised in different ways, on the assumption that it will be exercised in each of those ways, and
 - (b) on the assumption that the option will not be exercised,and if, on any of those assumptions, the contract would on those estimates constitute, alone or together with one or more other contracts, a credit arrangement, it shall be regarded as doing so regardless of whether the option is or is not in fact exercised;

Status: This is the original version (as it was originally enacted).

and in this subsection “option” includes any right which is exercisable or not at the discretion of a party to the contract.

- (8) If an existing contract is varied and the variation does not in law itself constitute a contract, it shall be regarded as such for the purposes of this section and, accordingly, subject to subsection (4) above, the existing contract and the variation shall be regarded as two contracts to be taken together.

49 Initial and subsequent cost of credit arrangements

- (1) Subject to subsection (3) and section 52 below, for the purposes of this Part the initial cost of a credit arrangement is the amount which, at the time the arrangement comes into being, the local authority estimate will be the aggregate of—
- (a) any consideration which falls to be given by the authority under the arrangement in the financial year in which it comes into being; and
 - (b) the value of the consideration falling to be given by the authority under the arrangement in any subsequent financial year, determined in accordance with subsection (2) below.
- (2) For each subsequent financial year referred to in subsection (1)(b) above, the value of the consideration falling to be given in that year shall be determined by the formula—

$$\frac{x}{\left(1 + \frac{r}{100}\right)^n}$$

where—

“x” is the amount of the consideration which the authority estimate will be given by them under the arrangement in that financial year;

“r” is the percentage rate of discount prescribed for the financial year in which the arrangement came into being by regulations made by the Secretary of State for the purposes of this section; and

“n” is the financial year in which the consideration falls to be given expressed as a year subsequent to the financial year in which the arrangement came into being (so that the first of the subsequent financial years is 1, the next financial year is 2, and so on).

- (3) Subsection (2) above does not apply to a credit arrangement of a description excluded from that subsection by regulations made by the Secretary of State; and, in relation to a credit arrangement which is so excluded, regulations so made shall make provision for the method of calculating the initial cost and the cost of the arrangement at any time.
- (4) Subject to subsection (3) above and sections 51 and 52 below, the cost of a credit arrangement at any time after it has come into being shall be determined in accordance with subsections (1) and (2) above (in like manner as the determination of the initial cost) but on the basis of an estimate made at the time in question and leaving out of account any consideration which has been given by the authority under the arrangement before that time.
- (5) In the application of this section to a credit arrangement which consists, in whole or in part, of a contract, the consideration under which falls within subsection (7) of section 48 above,—

- (a) if the credit arrangement exists only on the basis of one of the assumptions in that subsection, the local authority shall make that assumption for the purposes of this section; and
- (b) if the credit arrangement would exist on the basis of any two or more of those assumptions, the authority shall for the purposes of this section make whichever of those assumptions seems to them most likely.

50 Limits on powers to enter into credit arrangements

- (1) A local authority may not enter into a credit arrangement for any purpose unless, if they incurred expenditure for that purpose, it would be expenditure for capital purposes, and any reference in the following provisions of this Part to “capital purposes”, in relation to a credit arrangement, shall be construed accordingly.
- (2) A local authority may not enter into a credit arrangement unless, at the time the arrangement comes into being, there is available to the authority an amount of credit cover equal to the initial cost of the arrangement.
- (3) For the purposes of this section, each of the following amounts constitutes, in relation to a credit arrangement, an amount of credit cover available to a local authority,—
 - (a) an amount for the time being authorised by a credit approval issued to the authority;
 - (b) an amount of the usable part of capital receipts which, in accordance with a determination under section 60(2) below referring to the arrangement, is applied by the authority as provision to meet credit liabilities; and
 - (c) an amount which, in accordance with a determination of the authority referring to the arrangement, is set aside from a revenue account by the authority as provision to meet credit liabilities (being an amount over and above what they are required so to set aside by virtue of any other provision of this Part).
- (4) A local authority may not enter into a credit arrangement at any time if to do so would at that time cause the total referred to in section 44(1) above to exceed the aggregate credit limit for the time being applicable to the authority by virtue of section 62 below.
- (5) A determination under subsection (3)(c) above may not be made later than 30th September in the financial year following that in which falls the time when there comes into being the credit arrangement for which the credit cover is made available.
- (6) Except in so far as they are applied by section 52 below, the preceding provisions of this section do not apply in relation to a transitional credit arrangement.

51 Variation of credit arrangements

- (1) This section (other than subsection (10) below) applies where the terms of a credit arrangement entered into by a local authority are varied (whether by the making of a new contract or otherwise) in such a way that, if the effect of the variation had been part of the arrangement at the time it came into being, the initial cost would have been greater than it was.
- (2) If, in the case of a credit arrangement falling within subsection (5) of section 49 above,
 - (a) the option in question is exercised in a way different from that which was assumed for the purposes of that section, or

Status: This is the original version (as it was originally enacted).

- (b) it was assumed for the purposes of that section that the option in question would not be exercised but it is in fact exercised,
the exercise of the option shall be regarded for the purposes of this section as a variation of the terms of the credit arrangement; and if, in such a case, it was assumed for the purposes of section 49 above that the option would be exercised (or would be exercised in a particular way) and it subsequently appears to the local authority that it will not in fact be exercised, the option shall be assumed to have been abandoned and that abandonment shall be regarded for the purposes of this section as a variation of the terms of the credit arrangement.
- (3) A local authority may not at any time agree to such a variation as is mentioned in subsection (1) above if to do so would mean that, immediately after the variation, the total referred to in section 44(1) above would exceed the aggregate credit limit for the time being applicable to the authority by virtue of section 62 below.
- (4) Where a credit arrangement is varied as mentioned in subsection (1) above, the local authority shall secure that there is available to it an amount of credit cover equal to whichever is the less of—
- (a) the difference between the total amount of consideration paid and payable under the arrangement, disregarding the variation and the total amount of the consideration paid and payable under the arrangement as varied; and
 - (b) the difference between the adjusted cost of the arrangement and the credit cover already made available in connection with the arrangement in accordance with section 50 above;
- and subsections (3) and (5) of section 50 above apply for the purposes of this section as they apply for the purposes of that section, except that, in subsection (5), the reference to the time when the arrangement comes into being shall be construed as a reference to the time when it is varied.
- (5) Subject to subsection (7) below, the adjusted cost of the arrangement referred to in subsection (4)(b) above is the aggregate of—
- (a) the consideration which, in the financial year in which the arrangement is varied and in any earlier financial year, has been or falls to be given by the local authority; and
 - (b) the amount which, at the time of the variation, the authority estimate will be the cost of the arrangement, as varied, in each subsequent financial year determined as follows.
- (6) Subject to subsection (7) below, for any subsequent financial year the cost of the arrangement as varied shall be determined by the formula in section 49(2) above but, for this purpose,—
- “x” is the amount of the consideration which the authority estimate will be given by them in that financial year under the arrangement as varied;
- “r” is the percentage rate of discount for the financial year in which the arrangement is varied, as prescribed by regulations made by the Secretary of State for the purposes of section 49 above;
- “n” is the financial year in which the consideration falls to be given, expressed as a year subsequent to the financial year in which the arrangement is varied (so that the first of the subsequent financial years is 1, the next is 2, and so on).
- (7) Subsections (5) and (6) above do not apply in relation to a credit arrangement as to which the method of calculating the initial cost and the cost at any time is provided

Status: This is the original version (as it was originally enacted).

for by regulations under section 49(3) above; and any adjusted cost or cost which would otherwise fall to be determined in accordance with those subsections shall be determined in accordance with provisions made by the regulations.

- (8) Where a credit arrangement is varied as mentioned in subsection (1) above, the cost of the arrangement at any time after the variation shall be determined in accordance with subsections (5) and (6) above (in like manner as the determination of the adjusted cost) but on the basis of an estimate made at the time in question and leaving out of account any consideration which has been given by the authority under the arrangement before that time.
- (9) If, at any time after the terms of a credit arrangement have been varied as mentioned in subsection (1) above, the terms of the arrangement are again varied, the preceding provisions of this section shall have effect with any necessary modifications and, in particular, as if,—
- (a) the reference in subsection (1) above to the time the arrangement came into being were a reference to the time at which the arrangement was varied (or, as the case may be, last varied) as mentioned in that subsection;
 - (b) the reference in that subsection to the initial cost were a reference to the adjusted cost of the arrangement as so varied (or last varied); and
 - (c) the reference in paragraph (b) of subsection (4) above to the credit cover already made available in accordance with section 50 above included a reference to any additional credit cover made available under that subsection at the time of an earlier variation.
- (10) If at any time the terms of a credit arrangement are varied otherwise than as mentioned in subsection (1) above, then, so far as the variation affects the consideration falling to be paid by the local authority in any year, account shall be taken of the variation in determining the cost of the arrangement at any subsequent time (under subsection (8) above or subsection (3) or subsection (4) of section 49 above) but for other purposes the variation shall be disregarded.

52 Transitional credit arrangements

- (1) Subject to the following provisions of this section, a local authority shall be taken to have entered into a transitional credit arrangement if, applying the rules in section 48(3) above, the arrangement came into being on or after 7th July 1988 and before 1st April 1990; and, except in so far as any provision of this Part otherwise provides, any reference in this Part to a credit arrangement includes a reference to a transitional credit arrangement.
- (2) Notwithstanding that a credit arrangement came into being as mentioned in subsection (1) above it is not a transitional credit arrangement if—
- (a) under the arrangement the local authority concerned became the lessees of any property (whether land or goods) and the arrangement was a credit arrangement by reason only of section 48(1)(a) above; or
 - (b) by virtue of subsection (11) or subsection (12) of section 80 of the Local Government, Planning and Land Act 1980 (valuation etc.) the amount of prescribed expenditure which the authority is to be taken as having paid on entering into the arrangement was nil; or
 - (c) by virtue of regulations under paragraph 4 of Schedule 12 to that Act, any expenditure of the authority under the arrangement was not prescribed expenditure; or

Status: This is the original version (as it was originally enacted).

- (d) the arrangement related only to works which, in whole or in part, were carried out before 1st April 1990 and in relation to which, by reason only of regulations under subsection (7) of section 80A of that Act (payment for works), subsection (1) of that section did not apply or, to the extent that the works were carried out on or after that date, would not have applied if they had been carried out before that date.
- (3) For the purpose of the application of sections 49 and 51 above in relation to a transitional credit arrangement—
- (a) such an arrangement shall be taken to have come into being (in the form in which it was on 1st April 1990) on that date (and, accordingly, any consideration given under the arrangement before that date shall be disregarded); and
 - (b) the local authority shall be taken to have made available in connection with the arrangement (and in accordance with section 50 above) an amount of credit cover equal to the cost of the arrangement on 1st April 1990.

Credit approvals

53 Basic credit approvals

- (1) Before the beginning of each financial year, the Secretary of State shall issue to each local authority, in the form of a notice in writing, a credit approval with respect to the authority's credit arrangements and expenditure for capital purposes during that year.
- (2) A credit approval issued under this section (in this Part referred to as a "basic credit approval") may be nil but, subject to that, shall be expressed as an amount of money.
- (3) A basic credit approval shall have effect only for the financial year in respect of which it is issued and may be limited by excluding from the purposes for which the approval may be used capital purposes of a description specified in the approval.
- (4) Where regulations made by the Secretary of State so require, a basic credit approval shall specify, directly or by reference to tables or other documents specified in the approval, a period (in this Part referred to as the "amortisation period") during which the authority to whom the approval is issued are required to set aside, from a revenue account, as provision to meet credit liabilities, amounts determined in accordance with the regulations.
- (5) Under subsection (4) above, if the regulations so provide, a basic credit approval may specify different amortisation periods in relation to the use of the approval in respect of credit arrangements and expenditure for capital purposes of different descriptions.

54 Supplementary credit approvals

- (1) Any Minister of the Crown may at any time issue to a local authority, in the form of a notice in writing, a credit approval (in this Part referred to as a "supplementary credit approval").
- (2) A supplementary credit approval shall be expressed as an amount of money and shall be limited to credit arrangements and expenditure for capital purposes of a description specified in the approval (but, if the Minister concerned considers appropriate, all capital purposes may be so specified).

- (3) A supplementary credit approval shall have effect for such period as is specified in the approval; and where such an approval is issued not more than six months after the end of a financial year, it may specify a period which begins or begins and ends at any time during that financial year.
- (4) Subject to subsection (5) below, subsections (4) and (5) of section 53 above apply in relation to a supplementary credit approval as they apply in relation to a basic credit approval.
- (5) In the case of a supplementary credit approval issued in respect of expenditure which is treated by the authority concerned as expenditure for capital purposes by virtue only of directions under section 40(6) above, the approval must specify an amortisation period and the maximum amortisation period which may be specified shall be seven years.

55 Criteria for issuing credit approvals

- (1) In determining the amount of a basic credit approval or a supplementary credit approval to be issued to a local authority, the Secretary of State or other Minister may have regard, subject to the following provisions of this section, to such factors as appear to him to be appropriate.
- (2) Without prejudice to the generality of subsection (1) above, the Secretary of State or other Minister may, in particular, have regard—
 - (a) to the amount of any grants or contributions which it appears to him that the authority concerned have received and are likely to receive from any person in respect of expenditure incurred by the authority or to be incurred by them before the expiry of the period for which the credit approval is to have effect; and
 - (b) subject to subsection (3) below, to the amount of capital receipts which it appears to him that the authority have received, might reasonably be expected to have received or to receive or are likely to receive before the expiry of the period for which the credit approval is to have effect.
- (3) In determining the amount of a credit approval, the Secretary of State or other Minister shall not take account of capital receipts—
 - (a) to the extent that the authority concerned are required to set aside the receipts as provision for credit liabilities; or
 - (b) to the extent that they are applied or paid as mentioned in subsections (7) to (9) of section 59 below.
- (4) In determining the amount of the basic credit approval or of a supplementary credit approval to be issued to a particular local authority in any financial year, the Secretary of State or other Minister shall not take account of the extent to which it appears to him that the local authority are or are likely to be in a position to finance expenditure for capital purposes from a revenue account.
- (5) In this section “capital receipts” includes sums which constituted capital receipts for the purposes of Part VIII of the Local Government, Planning and Land Act 1980, whether or not they fall to be treated as capital receipts under section 58 below.

Status: This is the original version (as it was originally enacted).

56 Use of credit approvals by local authorities

- (1) Subject to Part I of Schedule 3 to this Act, where a local authority have received a basic credit approval or a supplementary credit approval, then, if they so determine, the approval may be treated wholly or partly—
 - (a) as authority not to charge to a revenue account an amount of expenditure which is defrayed during the period for which the approval has effect and which is for capital purposes to which the approval applies; or
 - (b) as authority, within the period for which the approval has effect, to enter into or agree to a variation of a credit arrangement for purposes to which the approval applies.
- (2) Where a local authority have received a basic credit approval or a supplementary credit approval and that approval is not extinguished under section 57 below or Part I of Schedule 3 to this Act, then, if or to the extent that they have not made a determination with respect to it under subsection (1) above, the authority may, if they so determine, transfer the approval, reduced where appropriate under that section or Part, to another local authority, either in whole or in part; and, where such a transfer is made,—
 - (a) the transfer of the approval (or part) shall not be regarded for the purposes of this Part as its use by the transferor authority; and
 - (b) this Part (including this section) shall have effect as if the approval (subject to any reduction as mentioned above) had been issued, in whole or as to the part transferred, directly to the transferee authority.
- (3) To the extent that and at the time when, in reliance on a credit approval,—
 - (a) an amount of expenditure which is not charged to a revenue account of the authority concerned is defrayed, or
 - (b) the authority concerned enter into or agree to a variation of a credit arrangement,

the credit approval shall be regarded as used and, accordingly, shall not be available on any subsequent occasion or for any other purpose.
- (4) Subsection (3) above applies whether or not the determination under subsection (1) above precedes the date on which the expenditure is defrayed or, as the case may be, the credit arrangement is entered into or varied.
- (5) A determination by a local authority under subsection (1) above that a credit approval is to be treated as mentioned in paragraph (a) or paragraph (b) of that subsection may not be made later than 30th September in the financial year following that in which the authority defray the expenditure or, as the case may be, enter into or vary the credit arrangement in question.

57 Effect of certain capital grants on credit approvals

- (1) In this section “specified capital grants” means grants, contributions and subsidies—
 - (a) which are paid to local authorities in aid of their expenditure for capital purposes;
 - (b) which are neither commuted payments falling within subsection (2) of section 63 below nor single or other payments falling within subsection (3) of that section; and
 - (c) which are, or to the extent that they are, specified for the purposes of this section by regulations made by the Secretary of State.

- (3) For the purposes of this section, a credit approval is relevant to a specified capital grant if—
 - (a) the approval has effect at the time the grant is received or at any time thereafter; and
 - (b) the purposes for which the approval may be used are or include the purposes towards expenditure on which the grant is made.
- (4) Subject to subsections (5) and (6) below, where, by virtue of subsection (2) above, a deduction is required in respect of a specified capital grant,—
 - (a) the deduction shall be applied to the credit approvals which are relevant to the grant in the order in which those approvals were received;
 - (b) subject to paragraph (d) below, the reduction or extinguishment of any such approval shall be regarded as taking place when the grant is received;
 - (c) if the amount of the deduction exceeds the total of the credit approvals which are relevant to the grant and were received before the grant, the excess shall be applied in reduction (or extinguishment) of credit approvals which are so relevant and are received later; and
 - (d) any such reduction or extinguishment of a later credit approval as is referred to in paragraph (c) above shall be regarded as taking place when the approval is received.
- (5) Notwithstanding anything in subsection (4) above, any reduction or extinguishment of a credit approval which is required to be made under Part I of Schedule 3 to this Act shall be applied before any reduction or extinguishment under this section.
- (6) In any case where—
 - (a) before the time when a specified capital grant is received by a local authority, the authority have made a determination under subsection (1) of section 56 above with respect to a credit approval which is relevant to that grant, and
 - (b) by virtue of subsection (3) of that section, that credit approval is to any extent to be regarded as having been used before that time,the credit approval shall not, to that extent, be taken into account under subsections (2) and (4) above; but, subject to that, the making of a determination under section 56(1) above with respect to a credit approval shall not affect the operation of those subsections in relation to it.

Capital receipts

58 Capital receipts

- (1) For the purposes of this Part, the capital receipts of a local authority are, subject to the following provisions of this section, those sums received by the authority in respect of—
 - (a) the disposal of any interest in an asset if, at the time of disposal, expenditure on the acquisition of the asset would be expenditure for capital purposes;

Status: This is the original version (as it was originally enacted).

- (b) the disposal of any investment other than an investment which, at the time of disposal, is an approved investment;
- (c) the repayment of, or a payment in respect of, any grants or other financial assistance of such a description that, if the expenditure on the grant or assistance had been incurred at the time of the repayment or payment, it would have constituted expenditure for capital purposes; or
- (d) the repayment of the principal of an advance (not being an approved investment) made by the authority for such a purpose that, if the advance had been made at the time of the repayment, expenditure incurred on it would have constituted expenditure for capital purposes;

and those sums become capital receipts at the time they are in fact received.

- (2) The following sums are not capital receipts for the purposes of this Part, namely, sums received by an authority in respect of—

- (3) Subsection (1) above applies to sums received on or after 1st April 1990 but regardless of when the disposal or advance was made or the grant or other financial assistance was given and, in particular, whether or not it was made or given on or after that date but, in the case of a disposal made before that date, the reference in paragraph (a) or, as the case may be, paragraph (b) of subsection (1) above to the time of the disposal shall be construed as a reference to 1st April 1990.
- (4) Subject to subsection (6) below, to the extent that any sums which were received by a local authority before 1st April 1990 and either—
 - (a) constituted capital receipts for the purposes of Part VIII of the Local Government, Planning and Land Act 1980, or
 - (b) did not constitute such receipts by virtue of regulations under section 75(5) of that Act but are specified for the purposes of this subsection by regulations made by the Secretary of State,

are represented in the authority's accounts for the financial year ending immediately before that date either by amounts shown as capital receipts which are unapplied as at the end of that year or by amounts included in the balance as at the end of that year of any fund established by the authority under paragraph 16 of Schedule 13 to the Local Government Act 1972, those sums shall be treated for the purposes of this Part as capital receipts received by the authority on that date; and any reference in this Part to "1980 Act receipts" is a reference to sums which are capital receipts by virtue of this subsection.
- (5) So far as may be necessary for the purposes of this Part, a local authority shall identify which (if any) sums falling within paragraphs (a) and (b) of subsection (4) above are represented by amounts included as mentioned in that subsection in the balance of a fund established as so mentioned.
- (6) Subsection (4) above does not apply to a sum in respect of which an amount shown as an unapplied capital receipt or included in a balance as mentioned in that subsection

Status: This is the original version (as it was originally enacted).

- (7) Where an asset or investment falling within paragraph (a) or paragraph (b) of subsection (1) above is disposed of and the whole or part of the purchase price is not received by the authority at the time of the disposal, then, subject to subsection (9) below, any interest payable to the authority in respect of the whole or any part of the price shall not be regarded as a capital receipt.
- (8) Subject to subsection (9) below, in the case of a disposal of an asset which consists of the grant, assignment or surrender of a leasehold interest in any land or the lease of any other asset, only the following are capital receipts, —
- (a) any premium paid on the grant or assignment;
 - (b) any consideration received in respect of the surrender;
 - (c) any sum paid by way of rent more than three months before the beginning of the rental period to which it relates;

 - (e) so much of any other sum paid by way of rent as, in accordance with directions given by the Secretary of State, falls to be treated as a capital receipt.
- (9) If the Secretary of State by regulations so provides,—
- (a) the whole or such part as may be determined under the regulations of a sum received by a local authority and which, apart from this subsection, would not be a capital receipt shall be such a receipt; and
 - (b) the whole or such part as may be so determined of a sum which, apart from this subsection, would be a capital receipt shall not be such a receipt.
- (10) This section and sections 59 to 61 below have effect subject to Part II of Schedule 3 to this Act in relation to certain disposals, payments and repayments occurring before 1st April 1990.

 - (b) in the case of any other receipt, 50 per cent.
- (3) The Secretary of State may by regulations alter the percentage which (by virtue of subsection (2) above or the previous exercise of this power) is for the time being the reserved part of any capital receipt or provide that the amount which is the reserved part of any capital receipt shall be determined in accordance with the regulations; and any such regulations may make different provision in relation to—

Status: This is the original version (as it was originally enacted).

- (a) different descriptions of capital receipts; and
- (b) different descriptions of local authority;

and where the regulations specify a percentage, it may be any percentage from nil to 100.

- (4) If the Secretary of State by regulations so provides, capital receipts of a description specified in the regulations shall be treated for the purposes only of this section as reduced by an amount determined in accordance with the regulations.
- (5) In the exercise of the power conferred by subsection (3) or subsection (4) above, capital receipts and local authorities may be differentiated in any manner which appears to the Secretary of State to be appropriate and, in particular,—
- (a) capital receipts may be differentiated by reference to the source from which they are derived including, in the case of receipts derived from disposals, different descriptions of disposals; and
 - (b) local authorities may be differentiated by reference to their type, their credit ceilings and the nature of their statutory powers and duties.
- (6) Without prejudice to subsection (3) above, in any case where—
- (a) the consent of the Secretary of State is required for a disposal of a dwelling-house or any other property, and
 - (b) the Secretary of State gives a direction under this subsection with respect to a capital receipt in respect of that disposal,
- subsection (2) above shall have effect in relation to that capital receipt as if it provided that the reserved part of the receipt were a percentage thereof specified in the direction or, according as the direction provides, an amount determined in accordance with the direction; but any direction under this subsection relating to a 1980 Act receipt shall be made before 1st April 1990.
- (7) Subsection (1) above does not apply to a capital receipt received by an authority as trustee of a trust fund which is held for charitable purposes.
- (8) Where a local authority receive a capital receipt in respect of an asset, investment, grant or other financial assistance which was originally acquired or made by the authority wholly or partly out of moneys provided by Parliament on terms which require, or enable a Minister of the Crown to require, the payment of any sum to such a Minister on or by reference to the disposal of the asset or investment or the repayment of the grant or assistance, the amount of the capital receipt shall be treated for the purposes of the preceding provisions of this section as reduced by the sum which appears to the authority to be so payable, including, in the case of a 1980 Act receipt, any sum which was payable, but was not in fact paid, before 1st April 1990.
- (9) Where a local authority receive a capital receipt, not being a 1980 Act receipt, in respect of—
- (a) a disposal of land held for the purposes of Part II of the Housing Act 1985, or
 - (b) any other disposal of land made by virtue of Part V (the right to buy) of that Act,

the amount of the capital receipt shall be treated for the purposes of the preceding provisions of this section as reduced by so much of the receipt as is applied by the authority in defraying the administrative costs of and incidental to any such disposal.

60 The usable balance of capital receipts

- (1) This section applies to the balance of any capital receipts received by a local authority after deducting—
- (a) the reserved part of each such receipt; and
 - (b) any sum which, by virtue of subsection (8) or subsection (9) of section 59 above, falls to be deducted in determining the amount of any receipt for the purposes of the preceding provisions of that section;
- but nothing in this section applies to a capital receipt which falls within section 59(7) above.
- (2) The balance referred to in subsection (1) above (in this Part referred to as “the usable part” of the authority’s capital receipts) shall be applied by the local authority, according as they determine, in one of the following ways, or partly in one way and partly in the other,—
- (a) to meet expenditure incurred for capital purposes; or
 - (b) as provision to meet credit liabilities;
- and, subject to subsection (3) below, may be so applied in the financial year in which the receipts are received or in any later financial year.
- (3) A determination by a local authority under subsection (2) above as to the manner in which the usable part of their capital receipts are to be applied may not be made later than 30th September in the financial year following that in which, in accordance with the determination, the receipts are to be applied.
- (4) For the purposes of this Part, to the extent that the usable part of an authority’s capital receipts are applied as mentioned in subsection (2)(a) above, it shall be taken to be so applied at the time when the expenditure in question is defrayed.
- (5) For the purposes of this Part, to the extent that the usable part of an authority’s capital receipts are applied as mentioned in subsection (2)(b) above, it shall be taken to be so applied—
- (a) if it is used as an amount of credit cover as mentioned in section 50(3)(b) above, when the credit arrangement in question is entered into or varied; and
 - (b) subject to subsection (6) below, in any other case, on the last day of the financial year in which (pursuant to the local authority’s determination) it is so applied.
- (6) In the case of a determination under subsection (2) above which—
- (a) relates to the application of the usable part of a 1980 Act receipt in the financial year beginning on 1st April 1990, and
 - (b) is made not later than 30th September 1990,
- subsection (5)(b) above shall have effect with the substitution of a reference to 1st April 1990 for the reference to the last day of the financial year in which the usable part is so applied.

61 Capital receipts not wholly in money paid to the authority

- (1) This section applies where—
- (a) the whole or part of the consideration received by a local authority on or after 1st April 1990 for a disposal falling within section 58(1) above either is not

Status: This is the original version (as it was originally enacted).

- in money or consists of money which, at the request or with the agreement of the local authority concerned, is paid otherwise than to the authority; or
- (b) the right of a local authority to receive such a repayment or payment as is referred to in section 58(1) above is assigned or waived for a consideration which is received on or after 1st April 1990 and which, in whole or in part, is not in money or which, at the request or with the agreement of the local authority, is paid otherwise than to the authority; or
- (c) on a disposal falling within section 58(8) above, any consideration is received on or after 1st April 1990 and, if it had been in money paid to the authority, it would have been a capital receipt.
- (2) Where this section applies in relation to any consideration, there shall be determined the amount which would have been the capital receipt if the consideration had been wholly in money paid to the local authority; and, subject to subsection (3) below, the amount so determined is in this section referred to as “the notional capital receipt”.
- (3) From the amount which, apart from this subsection, would be the notional capital receipt in relation to a disposal, repayment or payment there shall be deducted any amount of money that was paid or is payable to the local authority in respect of that disposal, repayment or payment and in respect of which section 59 above actually applies or will actually apply when the payment is received.
- (4) Where consideration to which this section applies is received in respect of a disposal, repayment or payment, the local authority shall set aside, at the time of the disposal or the assignment or waiver of the repayment or payment, and as provision to meet credit liabilities, an amount which, except in so far as regulations made or directions given by the Secretary of State otherwise provide, shall be equal to that which, under section 59 above, would be the reserved part of the notional capital receipt.
- (5) The amount falling to be set aside by a local authority under subsection (4) above shall be so set aside—
- (a) from the usable part of the authority’s capital receipts; or
- (b) from a revenue account of the authority.
- (6) If the Secretary of State by regulations so provides,—
- (a) consideration which is not in money, which is received by a local authority and which is of a description specified in the regulations, or
- (b) consideration which is in money, which is paid otherwise than to the authority and which is of a description specified in the regulations,
