“(1) Subject to the following provisions of this paragraph and paragraph 14(1) below, in this Schedule “relevant discounted security” means any security which (whenever issued) is such that, taking the security as at the time of its issue, the amount payable on redemption—

Status: This is the original version (as it was originally enacted).

- (a) on maturity, or
- (b) in the case of a security of which there may be a redemption before maturity, on at least one of the occasions on which it may be redeemed,

is or would be an amount involving a deep gain, or might be an amount which would involve a deep gain.

(1A) The occasions that are to be taken into account for the purpose of determining whether a security is a relevant discounted security by virtue of sub-paragraph (1)(b) above shall not include any of the following occasions on which it may be redeemed, that is to say—

- (a) any occasion not falling within sub-paragraph (1C) below on which there may be a redemption otherwise than at the option of the person who holds the security;
- (b) in a case where a redemption may occur as a result of the exercise of an option that is exercisable—
 - (i) only on the occurrence of an event adversely affecting the holder, or
 - (ii) only on the occurrence of a default by any person,any occasion on which that option is unlikely (judged as at the time of the security's issue) to be exercisable;

but nothing in this sub-paragraph shall require an occasion on which a security may be redeemed to be disregarded by reason only that it is or may be an occasion that coincides with an occasion mentioned in this sub-paragraph.

(1B) In sub-paragraph (1A) above “event adversely affecting the holder”, in relation to a security, means an event which (judged as at the time of the security's issue) is such that, if it occurred and there were no provision for redemption, the interests of the person holding the security at the time of the event would be likely to be adversely affected.

(1C) An occasion on which there may be a redemption of a security falls within this sub-paragraph if—

- (a) the security is a security issued to a person connected with the issuer; or
- (b) the obtaining of a tax advantage by any person is the main benefit, or one of the main benefits, that might have been expected to accrue from the provision in accordance with which it may be redeemed on that occasion.

(1D) In sub-paragraph (1C) above “tax advantage” has the meaning given by section 709(1) of the Taxes Act 1988.

(1E) Subject to sub-paragraph (1F) below, where a security which is not a relevant discounted security but which would have been such a security if it had been issued to a person connected with the issuer—

- (a) is acquired by a person who is so connected, or
- (b) is held by a person who becomes so connected,

this Schedule shall have effect, in relation to times falling at or after the time of the acquisition or, as the case may be, the time when that person became so connected, as if the security were a relevant discounted security.

Status: This is the original version (as it was originally enacted).

- (1F) Where a security which—
- (a) is a relevant discounted security, but
 - (b) would not be such a security but for sub-paragraph (1C)(a) or (1E) above,
- is acquired by a person who is not connected with the issuer, this Schedule shall have effect, in relation to that person, as if the security ceased to be a relevant discounted security at the time of the acquisition.”
- (2) After sub-paragraph (2) of that paragraph there shall be inserted the following sub-paragraphs—
- “(2A) Nothing in sub-paragraph (2)(c) above shall prevent a security that would have been a relevant discounted security if it had been issued to a person connected with the issuer from being treated as a relevant discounted security by virtue of sub-paragraph (1E) above.
- (2B) Nothing in sub-paragraph (2)(f) above shall prevent a security from being treated as a relevant discounted security by virtue of sub-paragraph (1C) (a) or (1E) above.”
- (3) Sub-paragraph (5) of that paragraph shall cease to have effect.
- (4) After sub-paragraph (6) of that paragraph there shall be inserted the following sub-paragraphs—
- “(7) Section 839 of the Taxes Act 1988 (connected persons) applies for the purposes of this paragraph.

(5) In paragraph 10 of that Schedule (issue of securities in separate tranches), after sub-paragraph (3) there shall be inserted the following sub-paragraph—

“(4) For the purpose of determining whether a security held by a person who is not connected with the issuer is a relevant discounted security by virtue of this paragraph, a security which—

 - (a) is a relevant discounted security, but
 - (b) would not be such a security but for paragraph 3(1C)(a) or (1E) above,

shall be assumed not to be a security falling within sub-paragraph (1)(b) above.”

(6) In paragraph 13 of that Schedule (excluded indexed securities), after sub-paragraph (8) there shall be inserted the following sub-paragraph—

“(9) In this paragraph references to redemption, in relation to a security, do not include references to redemption of the security on any such occasion as, by reason of sub-paragraph (1A) of paragraph 3 above, is not to be taken into account for the purpose of determining whether the security is a relevant discounted security by virtue of sub-paragraph (1)(b) of that paragraph.”

 - (b) the asset in question represents both the original shares and the new holding for the purposes of those sections;
 - (c) the market value of the asset at the time of the transaction is an amount equal to the relevant consideration.
- (9) Subject to subsection (10) below, in subsections (7) and (8) above “the relevant consideration”, in relation to an asset, means the amount that would have been taken, in accordance with the relevant accounting method, to be the value of the asset at the time of its deemed disposal if that method had been applied to the asset for tax purposes at all times until then.
- (10) Subsection (5) above shall not apply in the case of a deemed disposal and re-acquisition under subsection (7) above; but the amount of the relevant consideration in such a case shall be treated for the purposes of the Taxation of Chargeable Gains Act 1992 as reduced by so much (if any) of the amount mentioned in subsection (9) above as is referable to interest which—
- (a) is not paid or payable to the company before the time of the deemed disposal; but
 - (b) is interest falling to be brought into account under subsections (2) and (3) above as having accrued before that time.
- (11) In subsection (9) above “the relevant accounting method”, in relation to an asset representing a creditor relationship of a company, means the accounting method which, for the accounting period of that company in which the deemed re-acquisition takes place, is used as respects that asset and the part of that accounting period beginning with the deemed re-acquisition.”

Status: This is the original version (as it was originally enacted).

- (a) have effect in relation to any accounting period of a company ending on or after 15th February 1999; but

- (11) For the purposes of sections 117(2AA) and 251(8) of the Taxation of Chargeable Gains Act 1992, subsections (1) to (7) above have effect in relation to any disposal (in whole or in part) of an asset on or after 15th February 1999.

“(2) Where, in any case in which a person (“the beneficiary”) becomes absolutely entitled to any settled property as against the trustee, an allowable loss would (apart from this subsection) have accrued to the trustee on the deemed disposal under subsection (1) above of an asset comprised in that property—

- (a) that loss shall be treated, to the extent only that it cannot be deducted from pre-entitlement gains of the trustee, as an allowable loss accruing to the beneficiary (instead of to the trustee); but
- (b) any allowable loss treated as accruing to the beneficiary under this subsection shall be deductible under this Act from chargeable gains accruing to the beneficiary to the extent only that it can be deducted from gains accruing to the beneficiary on the disposal by him of—
 - (i) the asset on the deemed disposal of which the loss accrued; or
 - (ii) where that asset is an estate, interest or right in or over land, that asset or any asset deriving from that asset.

(2A) In subsection (2) above “pre-entitlement gain”, in relation to an allowable loss accruing to a trustee on the deemed disposal of any asset comprised in any settled property, means a chargeable gain accruing to that trustee on—

- (a) a disposal which, on the occasion on which the beneficiary becomes absolutely entitled as against the trustee to that property, is deemed under subsection (1) above to have taken place; or
- (b) any other disposal taking place before that occasion but in the same year of assessment.

(2B) For the purposes of subsection (2)(b)(ii) above an asset (“the relevant asset”) derives from another if, in a case where—

- (a) assets have merged,
- (b) an asset has divided or otherwise changed its nature, or
- (c) different rights or interests in or over any asset have been created or extinguished at different times,

the value of the relevant asset is wholly or partly derived (through one or more successive events falling within paragraphs (a) to (c) above but not otherwise) from the other asset.

(2C) The rules set out in subsection (2D) below shall apply (notwithstanding any other rules contained in this Act or in section 113(2) of the Finance Act 1995 (order of deduction))—

- (a) for determining for the purposes of this section whether an allowable loss accruing to the trustee, or treated as accruing to the beneficiary, can be deducted from particular chargeable gains for any year of assessment; and
- (b) for the making of deductions of allowable losses from chargeable gains in cases where it has been determined that such an allowable loss can be deducted from particular chargeable gains.

(2D) Those rules are as follows—

Status: This is the original version (as it was originally enacted).

- (a) allowable losses accruing to the trustee on a deemed disposal under subsection (1) above shall be deducted before any deduction is made in respect of any other allowable losses accruing to the trustee in that year;
 - (b) allowable losses treated as accruing to the beneficiary under this section, so far as they cannot be deducted in a year of assessment as mentioned in subsection (2)(b) above, may be carried forward from year to year until they can be so deducted; and
 - (c) allowable losses treated as accruing to the beneficiary for any year of assessment under this section, and allowable losses carried forward to any year of assessment under paragraph (b) above—
 - (i) shall be deducted before any deduction is made in respect of any allowable losses accruing to the beneficiary in that year otherwise than by virtue of this section; and
 - (ii) in the case of losses carried forward to any year, shall be deductible as if they were losses actually accruing in that year.”
- (2) This section applies in relation to any occasion on or after 16th June 1999 on which a person becomes absolutely entitled to settled property as against the trustee.

76 Concessions that defer a capital gains charge

- (1) In Part VIII of the Taxation of Chargeable Gains Act 1992 (supplemental), after section 284 there shall be inserted the following sections—

“284A Concessions that defer a charge

- (1) This section applies where—
- (a) a person (“the original taxpayer”) has at any time obtained for any chargeable period (“the first chargeable period”) the benefit of any capital gains relief to which he had no statutory entitlement;
 - (b) the benefit of the relief was obtained in reliance on any concession;
 - (c) the concession was first published by the Board before 9th March 1999 or (having been published on or after that date) replaced a concession satisfying the requirements of this paragraph with a concession to the same or substantially the same effect; and
 - (d) the concession involved the application (with or without modifications), to a case to which they would not otherwise have applied, of the provisions of any enactment (“the relevant statutory provisions”).
- (2) This section applies only if, at the time when the original taxpayer obtained the benefit of the relief, the concession was one available generally to any person falling within its terms.
- (3) If the benefit obtained for the first chargeable period by the original taxpayer is repudiated for any later chargeable period (whether by the original taxpayer or by another person), the enactments relating to the taxation of chargeable gains shall have effect as if a chargeable gain equal to the amount of that benefit accrued in the later chargeable period to the person repudiating the benefit.

Status: This is the original version (as it was originally enacted).

- (4) For the purposes of this section—
- (a) a capital gains relief for any chargeable period is a relief (of whatever description) the effect of which is that the amount of the chargeable gains taken to have accrued to that person in that period is less than it otherwise would have been; and
 - (b) the amount of the benefit of any such relief is the amount by which, as a consequence of that relief, those gains are less than they otherwise would have been.
- (5) Where, without applying a specific enactment, any concession has the effect that—
- (a) any asset is treated as the same as another asset and as acquired as the other asset was acquired,
 - (b) any two or more assets are treated as a single asset, or
 - (c) any disposal is treated as having been a disposal on which neither a gain nor a loss accrued,
- that concession shall be assumed for the purposes of this section to have involved the application, to a case to which it would not otherwise have applied, of the provisions of an enactment to the corresponding effect.
- (6) For the purposes of this section the benefit of any relief obtained by the original taxpayer for the first chargeable period is repudiated by a person for a later chargeable period if—
- (a) circumstances arise such that, had the equivalent circumstances arisen in the case of the corresponding relief under the relevant statutory provisions, the whole or a part of the benefit of that relief would have fallen to be recouped from that person in the later chargeable period;
 - (b) apart from this section, the recoupment in the actual circumstances of the whole or a part of the benefit obtained by the original taxpayer is prevented by the fact that the original taxpayer relied on a concession (rather than on the relevant statutory provisions) to obtain that benefit; and
 - (c) the person from whom, in the equivalent circumstances, the amount of the benefit or any part of it would have fallen to be recouped is not precluded by subsection (8) below from relying on that fact in relation to that amount or part.
- (7) For the purposes of this section an amount of the benefit of a capital gains relief is recouped from any person in a chargeable period to the extent that an amount is so brought into account in his case for that period as to secure that—
- (a) the amount of his chargeable gains for that period is taken to be more than it otherwise would have been by an amount directly or indirectly representing the whole or a part of the amount of the benefit; or
 - (b) the amount of his allowable losses for that period is taken to be less than it otherwise would have been by an amount directly or indirectly representing the whole or a part of the amount of the benefit.
- (8) Where—
- (a) any such circumstances as are mentioned in subsection (6)(a) above have arisen in relation to the relief the benefit of which has been obtained by the original taxpayer,

Status: This is the original version (as it was originally enacted).

- (b) the person from whom, in the equivalent circumstances, the whole or any part of the amount of the benefit would have fallen to be recouped has accepted that, in the actual circumstances, the whole or a part of the benefit obtained by the original taxpayer may be recouped from him, and
 - (c) that acceptance is indicated in writing to the Board (whether by the making or amendment of a self-assessment or otherwise),
- that person's rights subsequently to amend, appeal against or otherwise challenge any assessment shall not be exercised in any manner inconsistent with his acceptance of that matter (which shall be irrevocable).
- (9) In this section “concession” includes any practice, interpretation or other statement in the nature of a concession.

284B Provisions supplementary to section 284A

- (1) Chargeable gains that are treated as accruing to any person under section 284A(3) shall not be eligible for taper relief.
- (2) The total amount of chargeable gains that are treated as accruing to any person under subsection (3) of section 284A in respect of any such benefit as is referred to in that subsection shall not exceed the amount of that benefit.
- (3) Where, after any assessment to tax has been made on the basis that any chargeable gain is treated as having accrued to any person under section 284A(3)—
 - (a) the person assessed, within any of the periods allowed by subsection (4) below, gives an indication for the purposes of section 284A(8), or
 - (b) a final determination of the original taxpayer's liability to tax for the first chargeable period is made on the basis that the original taxpayer did not, or was not entitled to, rely on the concession in question,all such adjustments shall be made (whether by way of assessment, amendment of an assessment, repayment of tax or otherwise) as are necessary to secure that no person is subjected to any greater liability by virtue of section 284A(3) than he would have been had the indication been given, or the final determination made, before the making of the assessment.
- (4) The periods allowed by this subsection are—
 - (a) the period of twelve months beginning with the making of the assessment;
 - (b) the period within which the person is entitled to amend his self-assessment or company tax return for the chargeable period in which the chargeable gain under section 284A(3) is treated as having accrued to him;
 - (c) where the person makes a claim for any further relief against the amount that may be recouped from him by virtue of his indication under section 284A(8), the period allowed for making that claim.
- (5) Subsection (3) above has effect notwithstanding any time limits relating to the making or amendment of an assessment for any chargeable period.”

Status: This is the original version (as it was originally enacted).

- (2) Sections 284A and 284B of the Taxation of Chargeable Gains Act 1992 have effect in relation to any case in which the circumstances arising as mentioned in subsection (6) (a) of section 284A are circumstances arising on or after 9th March 1999, whether the benefit mentioned in subsection (1) of that section was obtained as so mentioned before or after the passing of this Act.

81 Acquisitions disregarded under insurance companies concession

- (1) This section applies for the purposes of corporation tax in relation to the disposal by a company (“the relevant company”) of any asset where—
- (a) the asset is one acquired by the relevant company from an insurance company at a time when the relevant company and that insurance company were both members of the same group of companies;
 - (b) there was an occasion before the disposal (whether the occasion of the transfer of the asset to the relevant company or the occasion of an earlier transfer of the asset) in relation to which the non-statutory arrangements for groups of insurance companies were applied in the case of the transferring company;
 - (c) the application of those arrangements in relation to that occasion had the effect of preventing the cost of the asset’s acquisition by the transferring company (“the previous acquisition”) from being brought into account for tax purposes; and
 - (d) there has not, between that occasion and the making of the disposal, been any relevant event by reference to which the cost of the previous acquisition has been brought into account in computing the profits or losses of any company for tax purposes.
- (2) Subject to subsection (5) below, where the computation of the relevant company’s profits or losses from any trade requires the cost of the acquisition of the asset by that company to be brought into account in the accounting period in which the disposal takes place, that cost shall be brought into account in that period as if it were an amount equal to the cost of the previous acquisition.
- (3) Subject to subsections (4) and (5) below, where—
- (a) the asset disposed of represents a creditor relationship,
 - (b) the disposal is such that paragraph 6 of Schedule 15 to the Finance Act 1996 (adjustment for pre-commencement trading relationships) would require an amount to be brought into account in the accounting period in which the disposal takes place in any case in which there is, for that relationship, a difference such as is mentioned in sub-paragraph (1) of that paragraph, and

Status: This is the original version (as it was originally enacted).

- (c) the cost of the previous acquisition is less than the amount which for the purposes of paragraph 5(2) of that Schedule would (apart from this subsection) be the notional closing value of the relationship on 31st March 1996,
- the question whether an amount falls to be brought into account in accordance with paragraph 6(2) or (3) of that Schedule, and the amount (if any) falling to be so brought into account, shall be determined as if the notional closing value of the relationship on 31st March 1996 had been equal to the cost of the previous acquisition.
- (4) In any case where the asset represents a creditor relationship in relation to which an election under paragraph 6(4) of Schedule 15 to the Finance Act 1996 has effect—
- (a) subsection (3) above and paragraphs (b) and (c) below shall be disregarded in determining the amounts falling to be brought into account under paragraph 6(4) to (7) of that Schedule;
- (b) paragraph 6(1) and (2) of that Schedule shall be treated as applying, notwithstanding paragraph 6(4)(a), if, in the case of that relationship, the amount referred to in subsection (3)(c) above exceeds the cost of the previous acquisition; and
- (c) the amount falling by virtue of paragraph (b) above to be brought into account in accordance with paragraph 6(2) of that Schedule shall be determined as if the excess referred to in paragraph 6(2)(a) were the excess mentioned in paragraph (b) above.
- (5) Where—
- (a) there are two or more occasions such as are mentioned in paragraph (b) of subsection (1) above, and
- (b) paragraph (d) of that subsection is satisfied in relation to each of them,
- subsections (2) to (4) above shall have effect as if the references to the previous acquisition were references to the acquisition which is the previous acquisition in relation to the earliest of those occasions.
- (6) In subsection (1)(d) above “relevant event”, in relation to any asset, means—
- (a) a disposal of the asset; or
- (b) any event by reference to which the conditions of the non-statutory arrangements for groups of insurance companies has required the cost of the previous acquisition to be brought into account in computing the profits or losses of any company for tax purposes.
- (7) Section 170 of the Taxation of Chargeable Gains Act 1992 (meaning of groups etc.) shall apply for construing references in the preceding provisions of this section to a group of companies as it applies for the purposes of sections 171 to 181 of that Act.
- (8) In the preceding provisions of this section—
- “creditor relationship” has the same meaning as in Chapter II of Part IV of the Finance Act 1996; and
- “insurance company” means an insurance company within the meaning of Chapter I of Part XII of the Taxes Act 1988.
- (9) References in this section to an asset shall be construed as if section 473 of the Taxes Act 1988 (cases where different assets are treated as the same) applied for the purposes of this section as it applies for the purposes of that Act; and paragraph 12(2) of Schedule 9 to the Finance Act 1996 (cases where different companies are treated as the same) shall apply for the purposes of this section as it applies for the purposes of Chapter II of Part IV of that Act of 1996.

Status: This is the original version (as it was originally enacted).

- (10) In this section any reference to the non-statutory arrangements for groups of insurance companies is a reference to so much of any arrangements made by the Board otherwise than by virtue of an enactment as—
- (a) in relation to an accounting period beginning before 1st January 2000—
 - (i) provided for a single assessment of the trading profits of a group of insurance companies to be made on the principal company of the group; and
 - (ii) excluded trading profits on intra-group transfers of investments from the group assessment;
 - or
 - (b) contains transitional provision, in connection with the withdrawal of any arrangements falling within paragraph (a) above, for allowing trading profits on intra-group transfers to be excluded from assessments of members of groups of insurance companies that relate to accounting periods beginning on or after 1st January 1999 and before 1st January 2000.
- (11) This section—
- (a) shall not be construed as requiring any amount representing a gain on the disposal of the asset to be brought into account for tax purposes in so far as an amount representing that gain is or has already been brought into account, as an attributed gain, under any regulations made by virtue of Schedule 16 to the Finance Act 1993 (Forex transitional provisions); and
 - (b) shall be without prejudice to any power of the Board apart from this section to enforce any conditions subject to which any relief in accordance with the non-statutory arrangements for groups of insurance companies has been allowed.
- (12) This section applies in relation to disposals by the relevant company made in accounting periods beginning on or after 1st January 1999.

- (2) Subsections (3) to (9) below shall apply for the purpose of determining any liability of the member's to capital gains tax that may arise from transactions effected in pursuance of the arrangement.
- (3) The syndicate rights held by the member under the arrangement shall be treated as a single asset acquired by him at the time when he entered into the arrangement; but, subject to subsection (9) below, he shall not be treated as disposing of the asset (in whole or in part) except as mentioned in subsection (6) below.
- (4) The member shall be treated as having given, wholly and exclusively for the acquisition of the asset, consideration equal to any amount paid by him on entering into the arrangement.
- (5) Any other amount paid by the member under the arrangement shall, on a disposal of the asset, be treated as expenditure incurred wholly and exclusively on the asset for the purpose of enhancing its value and reflected in its state or nature at the time of the disposal.

- (6) If an amount is paid to the member at any time under the arrangement, he shall be treated as disposing of the whole asset or, as the case may be, part of the asset at that time for a consideration equal to that amount.
- (7) If syndicate rights held by the member otherwise than under the arrangement become at any time rights held by him under the arrangement, he shall be treated as disposing of those rights at that time for a consideration equal to their market value at that time.
- (8) If syndicate rights held by the member under the arrangement become at any time rights held by him otherwise than under the arrangement, he shall be treated as acquiring those rights at that time for a consideration equal to their market value at that time.
- (9) Nothing in subsection (3) above shall affect the operation of section 24(1) of the Taxation of Chargeable Gains Act 1992 (disposals where assets extinguished etc.) in relation to the asset.
- (10) Subject to subsection (11) below this section applies to arrangements entered into on or after 6th April 1999 or subsisting on that date.
- (11) In the case of arrangements subsisting on 6th April 1999, this section has effect—
 - (a) as if the time mentioned in subsection (3) above were the earliest time (“the notional time of acquisition”) at which the member acquired any of the syndicate rights held by him under the arrangement immediately before 6th April 1999;
 - (b) as if the consideration referred to in subsection (4) above were the consideration, in money or money’s worth, given by him wholly and exclusively for the acquisition of such of those rights as he acquired at the notional time of acquisition; and
 - (c) in relation to times before 6th April 1999, as if the amount mentioned in subsection (5) above were the amount of any consideration, in money or money’s worth, given by him wholly and exclusively for the acquisition, after the notional time of acquisition, of rights such as are mentioned in paragraph (a) above;

and the incidental costs of any acquisition falling within paragraph (b) or (c) above shall be taken to be incidental costs of the acquisition of the asset.

- (4) Section 82 above and this section have effect in relation to a Scottish partnership which is an underwriting member of Lloyd's as they have effect in relation to a member, but as if the reference in section 82(2) to any liability of the member's to capital gains tax that may arise from transactions effected in pursuance of the arrangement were a reference to any such liability of members of the partnership that may so arise.

 - (b) the whole or part of the original gain is treated as not having accrued at the time of that disposal because of expenditure on shares being set against it under paragraph 2 of Schedule 5B; and
 - (c) a chargeable gain (“the revived gain”) is subsequently treated as accruing in accordance with paragraph 4 of Schedule 5B as a result of the disposal (“the relevant disposal”) of shares expenditure on which has been set under paragraph 2 of Schedule 5B against the whole or part of the original gain or the whole or part of a gain derived from the original gain.
- (2) This Schedule applies only if the original shares were issued on or after 6th April 1998 and disposed of on or after 6th April 1999.

Taper relief on revived gains

- 2 (1) Where this Schedule applies, the provisions of paragraphs 3 to 5 below have effect for applying taper relief under section 2A in relation to the revived gain.
- (2) Those provisions do not apply to the extent that the revived gain is treated as not having accrued at the time of the relevant disposal because of expenditure being set against it under paragraph 2 of Schedule 5B.

Qualifying holding period

- 3 (1) The qualifying holding period of the original shares for the purposes of taper relief is the period beginning with the date of issue of the original shares and ending with the date of the relevant disposal.

Status: This is the original version (as it was originally enacted).

- (2) Sub-paragraph (1) is subject to paragraph 2(4) of Schedule A1 (periods that do not count for taper relief purposes).

Periods that do not count

- 4 A period—
- (a) which falls within the period beginning with the date of issue of the original shares and ending with the date of the relevant disposal, and
 - (b) during which neither the original shares nor any relevant re-investment shares were held,
- does not count for the purposes of taper relief.

Gains on disposal of business or non-business assets

- 5 (1) The following rules apply to determine whether, or to what extent, the revived gain is for taper relief purposes a gain on the disposal of a business asset or a gain on the disposal of a non-business asset.
- (2) The revived gain is treated as a gain on the disposal of an asset which was acquired on the issue of the original shares and disposed of on the date of the relevant disposal.
- (3) That asset is treated as being the original shares during the period for which they were held.
- (4) That asset is treated as being any relevant re-investment shares during the period for which those shares were held, or so much of that period as is not an overlap period in relation to those shares.
- (5) For the purposes of sub-paragraph (4) an “overlap period”, in relation to any relevant re-investment shares, means a period during which those shares and also—
- (a) any of the original shares, or
 - (b) any relevant re-investment shares issued before the relevant re-investment shares in question,
- are held.

Savings

- 6 The application of paragraphs 3 to 5 above in relation to the revived gain does not affect the treatment for the purposes of taper relief under section 2A of—
- (a) any gain which is treated as accruing in accordance with paragraph 4 of Schedule 5B at the same time as the revived gain, or
 - (b) any part of a gain where no expenditure was set under paragraph 2 of Schedule 5B against that part of the gain.

Relevant re-investment shares

- 7 For the purposes of this Schedule—
- (a) shares are “re-investment shares” if expenditure on them is set under paragraph 2 of Schedule 5B against all or part of a gain; and
 - (b) re-investment shares are “relevant re-investment shares”, in relation to a revived gain, if—

- (i) their disposal results in a gain being treated as accruing under paragraph 4 of Schedule 5B, and
- (ii) that gain is the revived gain or a gain from which the revived gain is derived.

Derivation of gains

- 8 For the purposes of this Schedule a gain (“the later gain”) is derived from another gain (“the earlier gain”) if—
- (a) the later gain is treated as accruing in accordance with paragraph 4 of Schedule 5B on the disposal of any shares, and
 - (b) expenditure on those shares has been set under paragraph 2 of Schedule 5B against all or part of the earlier gain or a gain which, by virtue of this paragraph, is derived from the earlier gain.

Interpretation

- 9 Expressions defined for the purposes of Schedule 5B (apart from “the original gain”) have the same meaning for the purposes of this Schedule as they have for the purposes of that Schedule.”.

- This is subject to sub-paragraphs (1B) and (1D) below.
- (1B) If any corresponding bonus shares in the same company are issued to the investor or any person who has acquired any of the relevant shares from the investor on a disposal within marriage, this Schedule shall apply as if references to the relevant shares were to all the shares comprising the relevant shares and the bonus shares so issued.
- (1C) In sub-paragraph (1B) above “corresponding bonus shares” means bonus shares which—

- (1E) In sub-paragraph (1D) above “new shares” and “old shares” have the same meaning as in paragraph 8 above.”

- 2 The following section shall be inserted after section 31 (value shifting: tax-free benefits from distributions within groups)—

“31A Asset-holding company leaving the group

- (1) This section applies where profits of a company would be profits arising on a transaction caught by section 31 but for the fact that the condition in section 31(8) is not satisfied.
- (2) The profits shall be treated as profits arising on a transaction caught by section 31 if—
 - (a) subsection (4) or (5) below is satisfied, and
 - (b) subsection (6) below is satisfied.
- (3) In the following provisions of this section—
 - “the asset-holding company” means, in relation to any particular time, the company which holds the asset with enhanced value at that time,

 - “the six-year period” means the period of six years starting with the date of the section 30 disposal.
- (4) This subsection is satisfied if at any time during the six-year period an event occurs which consists in the asset-holding company ceasing to be a member of the disposal group otherwise than by reason of the fact that the principal company of that group becomes a member of another group.

Status: This is the original version (as it was originally enacted).

- (5) This subsection is satisfied if—
- (a) at any time during the six-year period the asset-holding company ceases to be a member of the disposal group by reason only of the fact that the principal company of that group becomes a member of another group, and
 - (b) at any time during that period an event occurs as a result of which there is no member of the disposal group of which the asset-holding company is a 75 per cent. subsidiary or there is no member of that group of which the asset-holding company is an effective 51 per cent. subsidiary.
- (6) This subsection is satisfied if no disposal of the asset with enhanced value is treated as having occurred by virtue of section 179 during the period—
- (a) beginning with the time of the section 30 disposal, and
 - (b) ending immediately before the event referred to in subsection (4) or (5)(b) above.
- (7) Where section 30 has effect by virtue of this section in relation to a disposal—
- (a) a chargeable gain of the differential amount shall be treated as accruing to the chargeable company immediately before the event referred to in subsection (4) or (5)(b) above, and
 - (b) subsection (5) of section 30 shall not apply.
- (8) The “differential amount” is A minus B where—
- (a) A is the amount of the allowable loss or chargeable gain which would have accrued on the section 30 disposal if the consideration for the disposal had been increased in accordance with section 30(5),
 - (b) B is the amount of the allowable loss or chargeable gain which accrued on the section 30 disposal,
 - (c) an allowable loss is treated as a negative amount, and
 - (d) a negative result is treated as a result of nil.
- (9) The “chargeable company” is—
- (a) the company which made the section 30 disposal, or
 - (b) if that company is no longer a member of the disposal group immediately before the event referred to in subsection (4) or (5)(b) above, the principal company of that group.
- (10) A gain which is treated as accruing by virtue of subsection (7) above shall, for the purposes of section 18(3), be treated as a gain accruing on a disposal between the parties to the section 30 disposal made at a time when they are connected persons.”
- 3 (1) Section 33 (provisions supplementary to sections 30 to 32) shall be amended as follows.
- (2) After subsection (1) there shall be substituted—
- “(1A) For the purposes of section 31A, subsections (2) to (6) below apply for the purpose of determining any question in relation to the asset with enhanced value.”

- (3B) If in the period beginning with the time of the transaction referred to in section 31(6) and ending immediately before the event referred to in section 31A(4) or (5)(b)—
- (a) there is no disposal of the asset with enhanced value to any person other than a disposal falling with section 171(1), and
- (b) no disposal of the asset with enhanced value is treated as having occurred by virtue of section 179,
- then references to the asset with enhanced value are to the asset which is treated by virtue of subsection (5) or (6) below as the same as that asset or, as the case may be, all the assets so treated.
- (3C) In any other case, references to the asset with enhanced value are to an asset or, as the case may be, all the assets representing that part of the value of the asset with enhanced value that remains after allowing for disposals of a kind mentioned in subsection (3B)(a) or (b).”
- (6) In subsection (4)—
- (a) for “Where by virtue of subsection (3) above those references are to 2 or more assets” there shall be substituted “Where by virtue of subsection (3), (3B) or (3C) above references to an asset are taken as references to two or more assets”, and
- (b) in paragraph (c), for “the reference in section 31(8)” there shall be substituted “a reference in section 31(8) or 31A(3)”.
- (7) After subsection (8) there shall be inserted—
- “(8A) In a case where—

- the amount of the reduction in value of the principal asset shall be reduced to such amount as is just and reasonable.”
- 4 (1) Section 34 (transactions treated as a reorganisation of share capital) shall be amended as follows.
- (2) After subsection (1) there shall be inserted—
- “(1A) Subsection (1B) below applies where, but for sections 127 and 135(3), section 30 would have effect, by virtue of section 31A, as respects the

(1B) Section 31A shall apply as if sections 127 and 135(3) did not apply.

(1C) In applying section 31A(7) and (8)—

- (a) the reference in section 31A(8) to an allowable loss or chargeable gain which accrued on the section 30 disposal shall be taken as a reference to the allowable loss or chargeable gain which would have accrued had sections 127 and 135(3) not applied, and

PART I

ABOLITION OF STAMP DUTY ON TRANSFERS ETC. OF UNITS IN UNIT TRUSTS

- 1 (1) No stamp duty is chargeable on a transfer or other instrument relating to a unit under a unit trust scheme.
- (2) Sub-paragraph (1) does not affect any charge to stamp duty—
- (a) on a conveyance or transfer on sale of property other than units under a unit trust scheme in relation to which such units form the whole or part of the consideration, or
 - (b) under Schedule 15 to this Act (bearer instruments).
- (3) This paragraph has effect in relation to instruments executed on or after 6th February 2000.

Status: This is the original version (as it was originally enacted).

PART II

STAMP DUTY RESERVE TAX ON DEALINGS WITH UNITS IN UNIT TRUSTS

Charge to tax

- 2 (1) There is a charge to stamp duty reserve tax where—
- (a) a person authorises or requires the trustees or managers under a unit trust scheme to treat him as no longer interested in a unit under the scheme, or
 - (b) a unit under a unit trust scheme is transferred to the managers of the scheme, and the unit is a chargeable security.
- Those events are referred to in this Part of this Schedule as a “surrender” of the unit to the managers.
- (2) The tax is chargeable—
- (a) whether the surrender is made or effected in the United Kingdom or elsewhere, and
 - (b) whether or not any party is resident or situate in any part of the United Kingdom.
- (3) The persons liable for the tax are the trustees of the unit trust.
- (4) This paragraph is subject to the exclusions provided for in paragraphs 6 and 7.

Rate of tax

- 3 (1) Tax under this Part of this Schedule is chargeable at the rate of 0.5 of the market value of the unit.
- This is subject to any reduction under paragraph 4 or 5.
- (2) The market value of a unit means whichever is higher of—
- (a) the price the unit might reasonably be expected to fetch on a sale in the open market at the time of surrender, and
 - (b) its cancellation price, or if it is redeemed its redemption price, at that time, calculated in accordance with the trust instrument.

Proportionate reduction of tax by reference to units issued

- 4 (1) The amount of tax chargeable shall be proportionately reduced if the number of units of the same class as the unit in question that are surrendered to the managers in the relevant two-week period exceeds the number of units of that class issued by the managers in that period.
- (2) The “relevant two-week period” in relation to a surrender is the period from the beginning of the week in which the surrender occurs to the end of the following week.
- For this purpose a week means a period of seven days beginning with a Sunday.
- (3) The reduction is made by applying the following fraction—

$$\frac{1}{8}$$

Where:

Status: This is the original version (as it was originally enacted).

I is the number of units of the class issued by the managers in the relevant two-week period, and

S is the number of units of the class surrendered to the managers in that period.

- (4) If a consolidation or sub-division of units affects the comparison of the number of units surrendered and the number of units issued, the numbers shall be determined as if the consolidation or sub-division had not taken place.

“Consolidation or sub-division” includes any alteration of the number of units of the class in question otherwise than in consequence of an increase or reduction in the trust property.

- (5) This paragraph does not apply if on the surrender of the unit the unit holder receives anything other than money; and for the purposes of this paragraph no account shall be taken of a surrender or issue that is not entirely for money.

Proportionate reduction of tax by reference to assets held

- 5 (1) The amount of tax chargeable after any reduction under paragraph 4 shall be further reduced if in the relevant two-week period the trust property is invested in both exempt and non-exempt investments.

- (2) The reduction is made by applying the following fraction to that amount—

$$\frac{N}{N + E}$$

Where:

N is the average market value of the non-exempt investments over the relevant two-week period, and

E is the average market value of the exempt investments over that period.

- (3) In this paragraph “exempt investment” has the same meaning as in section 99(5A) (b) of the Finance Act 1986; and “non-exempt investment” means any investment that is not an exempt investment.

Exclusion of charge in certain cases of change of ownership

- 6 (1) This paragraph applies where in pursuance of arrangements between the person entitled to a unit and another person (“the new owner”)—

- (a) the unit is surrendered to the managers, and
(b) the person surrendering the unit authorises or requires the managers or trustees to treat the new owner as entitled to it.

- (2) There is no charge to tax under this Part of this Schedule if no consideration in money or money’s worth is given in connection with the surrender of the unit or the new owner’s becoming entitled to it.

- (3) There is no charge to tax under this Part of this Schedule if the new owner is—

- (a) a body of persons established for charitable purposes only, or
(b) the trustees of a trust established for those purposes only, or
(c) the Trustees of the National Heritage Memorial Fund, or
(d) the Historic Buildings and Monuments Commission for England.

Status: This is the original version (as it was originally enacted).

- (4) There is no charge to tax under this Part of this Schedule if an instrument executed at the time of the surrender—
- (a) in pursuance of arrangements between the person entitled to the unit and the new owner, and
 - (b) transferring the unit from the one to the other,
- would be exempt from stamp duty (if stamp duty were otherwise chargeable) by virtue of any of the provisions mentioned in sub-paragraph (5).
- (5) The provisions referred to in sub-paragraph (4) are—
- (a) section 42 of the Finance Act 1930 or section 11 of the Finance Act (Northern Ireland) 1954 (transfers between associated companies); and
 - (b) regulations under section 87(2) of the Finance Act 1985 (power to exempt instruments from stamp duty of fixed amount).
- (6) Where by virtue of sub-paragraph (2), (3) or (4) there is no charge to tax, both the surrender and the related issue shall be left out of account for the purposes of paragraph 4.

Exclusion of charge in case of in specie redemption

- 7 There is no charge to tax under this Part of this Schedule if on the surrender of the unit the unit holder receives only such part of each description of asset in the trust property as is proportionate to, or as nearly as practicable proportionate to, the unit holder's share.

Interpretation

- 8 (1) For the purposes of this Part of this Schedule “issue” in the context of the issue of a unit by the managers under a unit trust scheme includes their transferring an existing unit or authorising or requiring the trustees to treat a person as entitled to a unit under the scheme.
- (2) References in this Part of this Schedule to the surrender or issue of a unit under a unit trust scheme do not include a surrender or issue effected by means of, or consisting of the issue of, a certificate to bearer.

Transitional provision

- 9 This Part of this Schedule applies where the surrender of the unit to the managers occurs on or after 6th February 2000.
