    - (ii) by the sectors of the economy not so covered (taken as a whole), and
  - (d) the sectors of the economy in which there are particular opportunities for contributions to be made towards meeting the carbon budget for the period through reductions in emissions of targeted greenhouse gases.
- (2) In relation to the budgetary period 2008-2012, the Committee must also advise the Secretary of State on—
- (a) whether it would be consistent with its advice on the level of the carbon budget for the period to set a carbon budget such that the annual equivalent for the period was lower than the 1990 baseline by 20%, and

- (3) Advice given by the Committee under this section must also contain the reasons for that advice.
- (4) The Committee must give its advice under this section—

- (1) It is the duty of the Committee to advise the Secretary of State on the consequences of treating emissions of targeted greenhouse gases from—
- (a) international aviation, and
  - (b) international shipping,
- as emissions from sources in the United Kingdom for the purposes of Part 1.
- (2) The duty applies if and to the extent that regulations under section 30 do not provide for such emissions to be so treated.
- (3) Advice given by the Committee under this section must also contain the reasons for that advice.
- (4) The Committee must give its advice under this section—
- (a) when it gives its advice under section 34 for the budgetary period 2023-2027, and
  - (b) when it gives its advice under that section for each subsequent budgetary period.
