- (3C) If the total of the CITR falling within subsection (3A)(a) or (b) exceeds A, that total must be reduced by A.
- (3D) For the purposes of subsection (3C) CITR given in a later accounting period must be reduced before CITR given in an earlier accounting period.
- (3E) For the purposes of subsections (3A) and (3C) “A” is an amount equal to 5% of the amount or value of the consideration (if any) which the investor receives for the former investment.
- (3F) If—
 - (a) the total of the CITR falling within subsection (3A)(a) or (b) (“B”) is less than
 - (b) the amount (“C”) which is equal to 5% of the invested amount in respect of the former investment for period X,
 “A” is to be reduced by multiplying it by the fraction—

$$\frac{B}{C}$$

- (3G) If the amount of CITR attributable to the former investment in respect of an accounting period has been reduced before the CITR is obtained, the amount referred to in subsection (3F) as B is to be treated for the purposes of that subsection as the amount it would have been without the reduction.

Repayment of loans

245 Repayment of loan capital during 5 year period

- (1) If the investment consists of a loan and—
 - (a) the average capital balance of the loan for the third, fourth or final year of the 5 year period is less than the permitted balance for the year in question, and
 - (b) the difference between those balances is not an amount of insignificant value, any CITR attributable to the investment in respect of any accounting period must be withdrawn.
- (2) For the purposes of this section—

“the average capital balance” of the loan for a period is the mean of the daily balances of capital outstanding during that period, ignoring any non-standard repayments of the loan made in that period or at any earlier time, and

“the permitted balance” of the loan is—

 - (a) for the third year of the 5 year period, 75% of the average capital balance for the period of 6 months beginning 18 months after the investment date,
 - (b) for the fourth year of that period, 50% of that balance, and
 - (c) for the final year of that period, 25% of that balance.
- (3) For the purposes of subsection (2) a repayment of the loan is a non-standard repayment if subsection (4) or (5) applies.
- (4) This subsection applies if the repayment is made at the choice or discretion of the CDFI, and not as a direct or indirect consequence of any obligation provided for under the terms of the loan agreement.
- (5) This subsection applies if the repayment is made as a result of the failure of the CDFI to meet any obligation of the loan agreement which—
 - (a) is imposed merely because of the commercial risks to which the investor is exposed as lender under that agreement, and
 - (b) is no more likely to be breached than any obligation that might reasonably have been agreed in respect of the loan in the absence of this Part.
- (6) For the purposes of this section “an amount of insignificant value” means an amount which—
 - (a) is not more than £1,000, or
 - (b) if it is more than £1,000, is insignificant in relation to the average capital balance of the loan for the year of the 5 year period in question.

Receipts of value

246 Value received by investor during 6 year period: loans

- (1) This section applies if the investment consists of a loan and the investor receives any value (other than an amount of insignificant value) from the CDFI during the 6 year period (see section 249 for provision about when value is received).
- (2) The investor is treated for the purposes of—
 - (a) section 222 (determination of “invested amount”), and

*Changes to legislation: There are currently no known outstanding effects
for the Corporation Tax Act 2010, Part 7. (See end of Document for details)*

- (b) section 245 (repayments of loan capital),
as having received a repayment of the loan of an amount equal to the amount of the value received.
- (3) For those purposes the repayment is treated as made—
 - (a) if the value is received in the first or second year of the 6 year period, at the beginning of that second year, and
 - (b) if the value is received in a later year of that period, at the beginning of the year in question.
- (4) For the purposes of section 245 the repayment is treated as a repayment other than a non-standard repayment (within the meaning of that section).
- (5) For the purposes of this section “an amount of insignificant value” means an amount of value which—
 - (a) is not more than £1,000, or
 - (b) if it is more than £1,000, is insignificant in relation to the average capital balance of the loan for the year of the 6 year period in which the value is received.
- (6) For the purposes of subsection (5)(b)—
 - (a) “the average capital balance” of the loan for a year is the mean of the daily balances of capital outstanding during the year (ignoring the receipt of value in question), and
 - (b) any value received in the first year of the 6 year period is treated as received at the beginning of the second year of that period.
- (7) This section is subject to section 251 (value received if there is more than one investment).
- (8) Value received is ignored, for the purposes of this section, so far as the CITR attributable to any loan, securities or shares in respect of any one or more accounting periods has already been reduced or withdrawn on its account.

247 Value received by investor during 6 year period: securities or shares

- (1) This section applies if the investment consists of securities or shares and—
 - (a) the investor receives any value (other than an amount of insignificant value) from the CDFI during the 6 year period (see section 249 for provision about when value is received),
 - (b) the investment or a part of it is held by the investor at the time the value is received and has been held by the investor, as sole beneficial owner, continuously since the investment was made (“the continuing investment”),
 - (c) the receipt is wholly or partly in excess of the permitted level of receipts in respect of the continuing investment, and
 - (d) the amount of that excess is not an amount of insignificant value.
- (2) Any CITR attributable to the continuing investment in respect of any accounting period must be withdrawn.
- (3) For the purposes of subsection (1) the permitted level of receipts is exceeded if—
 - (a) any amount of value is received by the investor (ignoring any amounts of insignificant value) in the first 3 years of the 6 year period, or

Changes to legislation: There are currently no known outstanding effects for the Corporation Tax Act 2010, Part 7. (See end of Document for details)

- (b) the total amount of value received by the investor (ignoring any amounts of insignificant value)—
 - (i) before the beginning of the fifth year of that period, exceeds 25% of the invested capital,
 - (ii) before the beginning of the final year of that period, exceeds 50% of the invested capital, or
 - (iii) before the end of that period, exceeds 75% of the invested capital.
- (4) In this section—
 - “the invested capital”, in relation to the continuing investment, means the amount subscribed for the securities or shares concerned, and
 - “an amount of insignificant value” means an amount of value which—
 - (a) is not more than £1,000, or
 - (b) if it is more than £1,000, is insignificant in relation to the amount subscribed by the investor for the securities or shares included in the continuing investment.
- (5) This section is subject to section 251 (value received if there is more than one investment).
- (6) Value received is ignored, for the purposes of this section, so far as CITR attributable to any loan, securities or shares in respect of any one or more accounting periods has already been reduced or withdrawn on its account.

248 Receipts of insignificant value to be added together

- (1) This section applies if—
 - (a) value is received (“the relevant receipt”) by the investor from the CDFI at any time during the 6 year period relating to the investment (see section 249 for provision about when value is received),
 - (b) the investor has received from the CDFI one or more receipts of insignificant value at a time or times—
 - (i) during that period, but
 - (ii) not later than the time of the relevant receipt, and
 - (c) the total amount of the value of the receipts within paragraphs (a) and (b) is not an amount of insignificant value.
- (2) The investor is treated for the purposes of this Part as if the relevant receipt had been a receipt of an amount of value equal to that total amount.
- (3) A receipt does not fall within subsection (1)(b) if the whole or any part of it has previously formed part of a total amount falling within subsection (1)(c).
- (4) For the purposes of this section “an amount of insignificant value” means an amount of value which—
 - (a) is not more than £1,000, or
 - (b) if it is more than £1,000, is insignificant in relation to the relevant amount.
- (5) If the investment consists of a loan, the relevant amount for the purposes of subsection (4) is—
 - (a) if the relevant receipt is received in the first or second year of the 6 year period, the average capital balance of the loan for the second year of that period, and

*Changes to legislation: There are currently no known outstanding effects
for the Corporation Tax Act 2010, Part 7. (See end of Document for details)*

- (b) if the relevant receipt is received in a later year, the average capital balance of the loan for the year in question.
- (6) For the purposes of subsection (5)—
 - (a) the average capital balance of the loan for a year is the mean of the daily balances of capital outstanding during the year, and
 - (b) the relevant receipt and any receipts within subsection (1)(b) are ignored when calculating the average capital balance for the year in question.
- (7) If the investment consists of securities or shares, the relevant amount for the purposes of subsection (4) is—
 - (a) if the relevant receipt is received in the first year of the 6 year period, the amount subscribed for the securities or shares, and
 - (b) in any other case, the amount subscribed for such of the securities or shares as—
 - (i) are held by the investor at the time the relevant receipt is received, and
 - (ii) have been held by the investor, as sole beneficial owner, continuously since the investment was made.
- (8) This section is subject to section 251 (value received if there is more than one investment).

249 When value is received

- (1) For the purposes of this Chapter the investor receives value from the CDFI at any time when the CDFI—
 - (a) repays, redeems or repurchases any securities or shares included in the investment,
 - (b) releases or waives any liability of the investor to the CDFI or discharges, or undertakes to discharge, any liability of the investor to a third person,
 - (c) makes a loan or advance to the investor which has not been repaid in full before the investment is made,
 - (d) provides a benefit or facility for—
 - (i) the investor or any associate of the investor, or
 - (ii) a director or employee of the investor or any associate of a director or employee of the investor,
 - (e) disposes of an asset to the investor for no consideration or for a consideration of an amount or value which is less than the market value of the asset,
 - (f) acquires an asset from the investor for a consideration of an amount or value which is more than the market value of the asset, or
 - (g) makes a payment to the investor other than a qualifying payment.
- (2) But if the investor is a bank, the investor does not receive value from the CDFI when the CDFI makes a deposit with the investor in the course of the CDFI's ordinary banking arrangements with the investor.
- (3) For the purposes of subsection (1)(b) the CDFI is treated as having released or waived a liability if the liability is not discharged within 12 months of the time when it ought to have been discharged.
- (4) For the purposes of subsection (1)(c) the following are treated as loans made by the CDFI to the investor—

Changes to legislation: There are currently no known outstanding effects for the Corporation Tax Act 2010, Part 7. (See end of Document for details)

- (a) the amount of any debt due from the investor to the CDFI (other than an ordinary trade debt), and
 - (b) the amount of any debt due from the investor to a third person which has been assigned to the CDFI.
- (5) For the purposes of this section—
- (a) references to a debt or liability do not, in relation to a person, include references to any debt or liability which would be discharged by the making by that person of a qualifying payment,
 - (b) references to a benefit or facility do not include references to any benefit or facility provided in circumstances such that, if a payment had been made of an amount equal to its value, that payment would have been a qualifying payment, and
 - (c) any reference to a payment or disposal to a person includes a reference to a payment or disposal made to that person indirectly or to that person's order or for that person's benefit.
- (6) In subsection (5) references to “a person” include references to any other person who, at any time in the 6 year period, is connected with that person, whether or not the other person is so connected at the material time.
- (7) In this section—
- “bank” has the meaning given by section 1120,
 - “qualifying payment” means—
 - (a) any payment by any person for any goods, services or facilities provided by the investor (in the course of the investor's trade or otherwise) which is reasonable in relation to the market value of those goods, services or facilities,
 - (b) the payment by any person of any interest which represents no more than a reasonable commercial return on money lent to that person,
 - (c) the payment by any company of any dividend or other distribution which does not exceed a normal return on any investment in shares in or securities of that company,
 - (d) any payment for the acquisition of an asset which does not exceed its market value,
 - (e) the payment by any person, as rent for any property occupied by the person, of an amount which is not more than a reasonable and commercial rent for the property, and
 - (f) a payment in discharge of an ordinary trade debt, and
 - “ordinary trade debt” means any debt for goods or services supplied in the ordinary course of a trade or business if any credit given—
 - (a) is for not more than 6 months, and
 - (b) is not longer than that normally given to customers of the person carrying on the trade or business.

250 The amount of value received

- (1) In a case falling within a provision listed in column 1 of the following table, the amount of value received for the purposes of this Chapter is given by the corresponding entry in column 2 of the table.

251 Value received if there is more than one investment

- (1) This section applies if—
- (a) the investor makes two or more investments in the CDFI,
 - (b) the investor is eligible for and claims CITR in respect of those investments, and
 - (c) the investor receives value (other than value within section 249(1)(a)) which is received within the 6 year periods relating to two or more of those investments.
- (2) Sections 246, 247, 248 and 252 have effect in relation to each investment referred to in subsection (1)(c) as if the amount of the value received were reduced by multiplying it by the fraction—

$$\frac{A}{B}$$

where—

A is the appropriate amount in respect of the investment in question, and
 B is the sum of that amount and the appropriate amount or amounts in respect of the other investment or investments.

- (3) If the investment consists of a loan, the appropriate amount for the purposes of subsection (2) is—

Changes to legislation: There are currently no known outstanding effects for the Corporation Tax Act 2010, Part 7. (See end of Document for details)

- (a) if the value is received in the first or second year of the 6 year period, the average capital balance of the loan for the second year of that period, and

- (a) if the value is received in the first year of the 6 year period, the amount subscribed for the securities or shares, and
 - (b) in any other case, the amount subscribed for such of the securities or shares as—
 - (i) are held by the investor at the time the value is received, and

 - (b) the investment or a part of it is held by the investor at the time the value is received and has been held by the investor, as sole beneficial owner, continuously since the investment was made (“the continuing investment”),
- but no CITR attributable to the continuing investment is withdrawn under section 247 as a result of the receipt.
- (2) For the purposes of calculating any CITR in respect of any securities or shares included in the continuing investment for any relevant accounting period, the amount subscribed for the securities or shares included in the continuing investment is treated as reduced by the amount of the value received.
- (3) For this purpose the “relevant” accounting periods are—
- (a) any accounting period ending on or after the anniversary of the investment date immediately before the receipt of value, or
 - (b) if the value was received on an anniversary of the investment date, any accounting period ending on or after that anniversary.
- (4) For the purposes of this section “an amount of insignificant value” means an amount of value which—
- (a) is not more than £1,000, or
 - (b) if it is more than £1,000, is insignificant in relation to the amount subscribed by the investor for the securities or shares included in the continuing investment.
- (5) This section is subject to section 251 (value received if there is more than one investment).

*Changes to legislation: There are currently no known outstanding effects
for the Corporation Tax Act 2010, Part 7. (See end of Document for details)*

253 Receipts of value by or from connected persons

In sections 246 to 252, if the context permits, references to the investor or the CDFI include references to any person who at any time in the 6 year period relating to the investment is connected with the investor or, as the case may be, the CDFI, whether or not the person is connected at the material time.

CITR not due

254 CITR subsequently found not to have been due

If any CITR has been obtained which is subsequently found not to have been due, the CITR must be withdrawn.

Manner of withdrawal or reduction

255 Manner of withdrawal or reduction of CITR

- (1) This section applies if any CITR has been obtained which falls to be withdrawn or reduced under this Chapter.
- (2) The CITR must be withdrawn or reduced by making an assessment to corporation tax for the accounting period for which the CITR was obtained.

No application may be made under section 55(3) or (4) of TMA 1970 (application for postponement of payment of tax pending appeal) on the ground that a company is eligible for CITR unless a claim for the CITR has been duly made by the company under this Part.

264 Identification of securities or shares on a disposal

- (1) This section applies for the purpose of identifying the securities or shares disposed of in any case where—
- (a) the investor disposes of part of a holding of securities or shares (“the holding”), and

- (5) For the purposes of this section a holding of shares is any number of shares in a company which—
- (a) are of the same class, and
 - (b) are held by the investor in the same capacity.

- (6) In a case to which section 127 of TCGA 1992 (equation of original shares and new holding) applies, shares comprised in the new holding are to be treated for the purposes of subsections (2) and (3) as acquired when the original shares were acquired.
- (7) In subsection (6)—
- (a) the reference to section 127 of TCGA 1992 includes a reference to that section as it is applied by virtue of any enactment relating to chargeable gains, and
 - (b) “original shares” and “new holding” have the same meaning as in section 127 of TCGA 1992 or (as the case may be) that section as applied by virtue of the enactment in question.
