4 Procedure on measures reported on by the Ecclesiastical Committee.

When the Ecclesiastical Committee shall have reported to Parliament on any measure submitted by the Legislative Committee, the report, together with the text of such measure, shall be laid before both Houses of Parliament forthwith, if Parliament be then sitting, or, if not, then immediately after the next meeting of Parliament, and thereupon, on a resolution being passed by each House of Parliament directing that such measure in the form laid before Parliament should be presented to His Majesty, such measure shall be presented to His Majesty, and shall have the force and effect of an Act of Parliament on the Royal Assent being signified thereto in the same manner as to Acts of Parliament:

Provided that, if upon a measure being laid before Parliament the Chairman of Committees of the House of Lords and the Chairman of Ways and Means in the House of Commons acting in consultation, shall be of opinion that the measure deals with two or more different subjects which might be more properly divided, they may, by joint agreement, divide the measure into two or more separate measures accordingly, and thereupon this section shall have effect as if each of the measures resulting from such division had been laid before Parliament as a separate measure.
