The continuing certificate shall specify the maximum amount of gunpowder to be kept if the certificate is for a factory in each factory magazine, or in all the factory magazines of the factory, and if for a magazine in each building in the magazine, or in all the buildings of the magazine, and the amount so specified, where the maximum amount so to be kept is at the passing of this Act limited by any Act or by license or otherwise, shall be that amount, and where there is no such limitation, shall be the maximum amount which the factory magazine, or all the factory magazines of the factory, or the building or all the buildings of the magazine, was or were capable of holding on the first day of January one thousand eight hundred and seventy-five.

---

*Status: This is the original version (as it was originally enacted).*

---

The regulations in Part One of the first schedule to this Act shall be deemed to form part of the terms of a continuing certificate for a factory.

For the purposes of this Act, a continuing certificate shall (save as otherwise expressly provided) be deemed to be a license, and the factory or magazine, as the case may be, mentioned therein to be a factory or magazine licensed under this Act, and the provisions of this Act shall be construed accordingly.

Provided that—

- (1) It shall not be necessary in any case to apply for the assent of the local authority to an amending license for an alteration in the terms of such certificate, or for an alteration in the factory or magazine; and
- (2) Such factory or magazine, if the certificate is determined by the discontinuance of the business carried on therein, shall cease to be deemed an existing factory or magazine.

The occupier of any lawfully existing factory or magazine may, until the expiration of the time within which he is required by this section to send to the Secretary of State an application for a continuing certificate, and if he has sent such an application as is required by this section, may, until he obtains such certificate, carry on his business in such factory or magazine in like manner as if this Act had not passed.

## **72 Provision of magazines by local authority**

Where any local authority other than justices in petty sessions satisfy the Secretary of State that the erection of a magazine by such authority, either within or without their jurisdiction, for the keeping of any explosive, would conduce to the safety of the public within their jurisdiction, and would not be injurious to any harbour or urban sanitary district out of their jurisdiction, the Secretary of State may grant a license under this Act for such magazine.
