

SCHEDULE 6

Regulation 26

OTHER CONTRACTUAL TERMS

PART 1

PROVISION OF SERVICES

Premises

1. Subject to any plan which is included in the contract pursuant to regulation 18(3), the contractor shall ensure that the premises used for the provision of services under the contract are—

- (a) suitable for the delivery of those services; and
- (b) sufficient to meet the reasonable needs of the contractor's patients.

Attendance at practice premises

2.—(1) The contractor shall take steps to ensure that any patient who—

- (a) has not previously made an appointment; and
- (b) attends at the practice premises during the normal hours for essential services,

is provided with such services by an appropriate health care professional during that surgery period except in the circumstances specified in sub-paragraph (2).

(2) The circumstances referred to in sub-paragraph (1) are that—

- (a) it is more appropriate for the patient to be referred elsewhere for services under the Act; or
- (b) he is then offered an appointment to attend again within a time which is appropriate and reasonable having regard to all the circumstances and his health would not thereby be jeopardised.

Attendance outside practice premises

3.—(1) In the case of a patient whose medical condition is such that in the reasonable opinion of the contractor—

- (a) attendance on the patient is required; and
- (b) it would be inappropriate for him to attend at the practice premises,

the contractor shall provide services to that patient at whichever in its judgement is the most appropriate of the places set out in sub-paragraph (2).

(2) The places referred to in sub-paragraph (1) are—

- (a) the place recorded in the patient's medical records as being his last home address;
- (b) such other place as the contractor has informed the patient and the Primary Care Trust is the place where it has agreed to visit and treat the patient; or
- (c) some other place in the contractor's practice area.

(3) Nothing in this paragraph prevents the contractor from—

- (a) arranging for the referral of a patient without first seeing the patient, in a case where the medical condition of that patient makes that course of action appropriate; or
- (b) visiting the patient in circumstances where this paragraph does not place it under an obligation to do so.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Newly registered patients

- 4.—(1) Where a patient has been—
- (a) accepted on a contractor’s list of patients under paragraph 15; or
 - (b) assigned to that list by the Primary Care Trust,

the contractor shall, in addition and without prejudice to its other obligations in respect of that patient under the contract, invite the patient to participate in a consultation either at its practice premises or, if the medical condition of the patient so warrants, at one of the places referred to in paragraph 3(2).

(2) An invitation under sub-paragraph (1) shall be issued within six months of the date of the acceptance of the patient on, or their assignment to, the contractor’s list.

(3) Where a patient (or, where appropriate, in the case of a patient who is a child, his parent) agrees to participate in a consultation mentioned in sub-paragraph (1) the contractor shall, in the course of that consultation make such inquiries and undertake such examinations as appear to it to be appropriate in all the circumstances.

Patients not seen within three years

5. Where a registered patient who—
- (a) has attained the age of 16 years but has not attained the age of 75 years; and
 - (b) has attended neither a consultation with, nor a clinic provided by, the contractor within the period of three years prior to the date of his request,

requests a consultation the contractor shall, in addition and without prejudice to its other obligations in respect of that patient under the contract, provide such a consultation in the course of which it shall make such inquiries and undertake such examinations as appear to it to be appropriate in all the circumstances.

Patients aged 75 years and over

- 6.—(1) Where a registered patient who—
- (a) has attained the age of 75 years; and
 - (b) has not participated in a consultation under this paragraph within the period of twelve months prior to the date of his request,

requests a consultation, the contractor shall, in addition and without prejudice to its other obligations in respect of that patient under the contract, provide such a consultation in the course of which it shall make such inquiries and undertake such examinations as appear to it to be appropriate in all the circumstances.

(2) A consultation under sub-paragraph (1) shall take place in the home of the patient where, in the reasonable opinion of the contractor, it would be inappropriate, as a result of the patient’s medical condition, for him to attend at the practice premises.

Clinical reports

7.—(1) Where the contractor provides any clinical services, other than under a private arrangement, to a patient who is not on its list of patients, it shall, as soon as reasonably practicable, provide a clinical report relating to the consultation, and any treatment provided, to the Primary Care Trust.

- (2) The Primary Care Trust shall send any report received under sub-paragraph (1)—
- (a) to the person with whom the patient is registered for the provision of essential services or their equivalent; or

- (b) if the person referred to in paragraph (a) is not known to it, to the Primary Care Trust in whose area the patient is resident.

Infection control

- 9. The contractor shall ensure that it has appropriate arrangements for infection control and decontamination.

Criteria for out of hours services

- 10. A contractor whose contract includes the provision of out of hours services shall only be required to provide such services if, in the reasonable opinion of the contractor in the light of the patient's medical condition, it would not be reasonable in all the circumstances for the patient to wait for the services required until the next time at which he could obtain such services during core hours.

Standards for out of hours services

- 11. From 1st January 2005, a contractor which provides out of hours services must, in the provision of such services, meet the quality standards set out in the document entitled "Quality Standards in the Delivery of GP Out of Hours Services" published on 20th June 2002(1).

- (b) a particular enhanced service; or
- (c) out of hours services, either at all or in respect of some periods or some services,

shall comply with the requirements specified in sub-paragraph (2).

 - (a) co-operate, insofar as is reasonable, with any person responsible for the provision of that service or those services;
 - (b) comply in core hours with any reasonable request for information from such a person or from the Primary Care Trust relating to the provision of that service or those services; and
 - (c) in the case of out of hours services, take reasonable steps to ensure that any patient who contacts the practice premises during the out of hours period is provided with information about how to obtain services during that period.

- (3) Nothing in this paragraph shall require a contractor whose contract does not include the provision of out of hours services to make itself available during the out of hours period.

(1) The document "Quality Standards in the Delivery of GP Out of Hours Services" published on 20th June 2002 is published by the Department of Health on its website at www.doh.gov.uk/pricare/qualitystandards.htm or a copy may be obtained by writing to Primary Care, Room 7E28, Department of Health, Quarry House, Quarry Hill, Leeds, LS2 7UE or by e-mailing OOHAccreditation@doh.gov.uk.

- (a) a particular additional service;
- (b) a particular enhanced service; or
- (c) out of hours services, either at all or in respect of some periods or some services,

it shall comply with any reasonable request for information relating to the provision of that service or those services made by the Primary Care Trust or by any person with whom the Trust intends to enter into a contract for the provision of such services.

PART 2

(2) The contractor may, if its list of patients is closed, only accept an application for inclusion in its list of patients from a person who is an immediate family member of a registered patient whether or not resident in its practice area or included, at the time of that application, in the list of patients of another contractor or provider of primary medical services.

(3) Subject to sub-paragraph (4), an application for inclusion in a contractor's list of patients shall be made by delivering to the practice premises a medical card or an application signed (in either case) by the applicant or a person authorised by the applicant to sign on his behalf.

Temporary residents

16.—(1) The contractor may, if its list of patients is open, accept a person as a temporary resident provided it is satisfied that the person is—

- (b) moving from place to place and not for the time being resident in any place.

(2) For the purposes of sub-paragraph (1), a person shall be regarded as temporarily resident in a place if, when he arrives in that place, he intends to stay there for more than 24 hours but not more than three months.

Refusal of applications for inclusion in the list of patients or for acceptance as a temporary resident

17.—(1) The contractor shall only refuse an application made under paragraph 15 or 16 if it has reasonable grounds for doing so which do not relate to the applicant's race, gender, social class, age, religion, sexual orientation, appearance, disability or medical condition.

(2) The reasonable grounds referred to in paragraph (1) shall, in the case of applications made under paragraph 15, include the ground that the applicant does not live in the contractor's practice area.

(3) A contractor which refuses an application made under paragraph 15 or 16 shall, within 14 days of its decision, notify the applicant (or, in the case of a child or incapable adult, the person making the application on their behalf) in writing of the refusal and the reason for it.

(9) The Primary Care Trust shall forthwith acknowledge receipt of the closure notice in writing to the contractor.

(2) Subject to sub-paragraph (3), the contractor's list of patients shall remain closed for the period specified in the closure notice in accordance with paragraph 29(8)(a) (or, where the period of 12 months specified in paragraph 29(10) applies, for that period).

(3) The contractor's list of patients shall re-open before the expiry of the period mentioned in sub-paragraph (2) if—

(4) If the contractor's list of patients has re-opened pursuant to sub-paragraph (3)(a), it shall nevertheless close again if, during the period specified in the closure notice in accordance with paragraph 29(8)(a) (or, where the period of 12 months specified in paragraph 29(10) applies, during that period) the number of the contractor's registered patients rises to the number specified in the closure notice in accordance with paragraph 29(8)(d).

(5) Except in cases where the contractor's list of patients is already open pursuant to sub-paragraph (3), the Primary Care Trust shall notify the contractor in writing between seven and fourteen days before the expiry of the period of closure specified in sub-paragraph (2), confirming the date on which the contractor's list of patients will re-open.

(2) The contractor and the Primary Care Trust may not refer the matter for determination in accordance with the NHS dispute resolution procedure (or, where applicable, commence court proceedings) until the assessment panel has given its determination in accordance with the following sub-paragraphs.

(3) The Primary Care Trust must ensure that the assessment panel is appointed as soon as is practicable to consider and determine whether the contractor should be permitted to close its list of patients, and if so, the terms on which it should be permitted to do so.

(10) Where the assessment panel determines in accordance with sub-paragraph (7)(b) that the contractor's list of patients may not close, the contractor may not submit a further closure notice as described in paragraph 29 until—

- (a) the expiry of a period of three months beginning with the date of the assessment panel's determination; or

(c) the period during which the steps must be taken (“the notice period”).

(3) The notice period shall, unless the Primary Care Trust is satisfied that a shorter period is necessary to—

- (a) protect the safety of the contractor’s patients; or
- (b) protect itself from material financial loss,

be no less than 28 days from the date that notice is given.

(4) Where a Primary Care Trust is satisfied that the contractor has not taken the required steps to remedy the breach by the end of the notice period, the Primary Care Trust may terminate the contract with effect from such date as the Primary Care Trust may specify in a further notice to the contractor.

(5) Where a contractor has breached the contract other than as specified in paragraphs 111 to 114 and the breach is not capable of remedy, the Primary Care Trust may serve notice on the contractor requiring the contractor not to repeat the breach (“breach notice”).

(6) If, following a breach notice or a remedial notice, the contractor—

- (a) repeats the breach that was the subject of the breach notice or the remedial notice; or
- (b) otherwise breaches the contract resulting in either a remedial notice or a further breach notice,

the Primary Care Trust may serve notice on the contractor terminating the contract with effect from such date as may be specified in that notice.

(7) The Primary Care Trust shall not exercise its right to terminate the contract under sub-paragraph (6) unless it is satisfied that the cumulative effect of the breaches is such that the Primary Care Trust considers that to allow the contract to continue would be prejudicial to the efficiency of the services to be provided under the contract.

(8) If the contractor is in breach of any obligation and a breach notice or a remedial notice in respect of that default has been given to the contractor, the Primary Care Trust may withhold or deduct monies which would otherwise be payable under the contract in respect of that obligation which is the subject of the default.

Termination by the Primary Care Trust: additional provisions specific to contracts with two or more individuals practising in partnership and companies limited by shares

116.—(1) Where the contractor is a company limited by shares, if the Primary Care Trust becomes aware that the contractor is carrying on any business which the Primary Care Trust considers to be detrimental to the contractor’s performance of its obligations under the contract—

- (a) the Primary Care Trust shall be entitled to give notice to the contractor requiring that it ceases carrying on that business before the end of a period of not less than 28 days beginning on the day on which the notice is given (“the notice period”); and
- (b) if the contractor has not satisfied the Primary Care Trust that it has ceased carrying on that business by the end of the notice period, the Primary Care Trust may, by a further written notice, terminate the contract forthwith or from such date as may be specified in the notice.

(2) Where the contractor is two or more persons practising in partnership, the Primary Care Trust shall be entitled to terminate the contract by notice in writing on such date as may be specified in that notice where one or more partners have left the practice during the existence of the contract if in its reasonable opinion, the Primary Care Trust considers that the change in membership of the partnership is likely to have a serious adverse impact on the ability of the contractor or the Primary Care Trust to perform its obligations under the contract.

(3) A notice given to the contractor pursuant to sub-paragraph (2) shall specify—

- (a) the date upon which the contract is to be terminated; and

- (b) the Primary Care Trust's reasons for considering that the change in the membership of the partnership is likely to have a serious adverse impact on the ability of the contractor or the Primary Care Trust to perform its obligations under the contract.

Contract sanctions

117.—(1) In this paragraph and paragraph 118, “contract sanction” means—

- (a) termination of specified reciprocal obligations under the contract;
- (b) suspension of specified reciprocal obligations under the contract for a period of up to six months; or
- (c) withholding or deducting monies otherwise payable under the contract.

(2) Where the Primary Care Trust is entitled to terminate the contract pursuant to paragraph 112, 113, 114 or 115(4) or (6) or paragraph 116, it may instead impose any of the contract sanctions if the Primary Care Trust is reasonably satisfied that the contract sanction to be imposed is appropriate and proportionate to the circumstances giving rise to the Primary Care Trust's entitlement to terminate the contract.

(3) The Primary Care Trust shall not, under sub-paragraph (2), be entitled to impose any contract sanction that has the effect of terminating or suspending any obligation to provide, or any obligation that relates to, essential services.

(4) If the Primary Care Trust decides to impose a contract sanction, it must notify the contractor of the contract sanction that it proposes to impose, the date upon which that sanction will be imposed and provide in that notice an explanation of the effect of the imposition of that sanction.

(5) Subject to paragraph 118, the Primary Care Trust shall not impose the contract sanction until at least 28 days after it has served notice on the contractor pursuant to sub-paragraph (4) unless the Primary Care Trust is satisfied that it is necessary to do so in order to—

- (a) protect the safety of the contractor's patients; or
- (b) protect itself from material financial loss.

(6) Where the Primary Care Trust imposes a contract sanction, the Primary Care Trust shall be entitled to charge the contractor the reasonable costs of additional administration that the Primary Care Trust has incurred in order to impose, or as a result of imposing, the contract sanction.

Contract sanctions and the NHS dispute resolution procedure

118.—(1) If there is a dispute between the Primary Care Trust and the contractor in relation to a contract sanction that the Primary Care Trust is proposing to impose, the Primary Care Trust shall not, subject to sub-paragraph (4), impose the proposed contract sanction except in the circumstances specified in sub-paragraph (2)(a) or (b).

(2) If the contractor refers the dispute relating to the contract sanction to the NHS dispute resolution procedure within 28 days beginning on the date on which the Primary Care Trust served notice on the contractor in accordance with paragraph 117(4) (or such longer period as may be agreed in writing with the Primary Care Trust), and notifies the Primary Care Trust in writing that it has done so, the Primary Care Trust shall not impose the contract sanction unless—

- (a) there has been a determination of the dispute pursuant to paragraph 102 and that determination permits the Primary Care Trust to impose the contract sanction; or
- (b) the contractor ceases to pursue the NHS dispute resolution procedure,

whichever is the sooner.

(3) If the contractor does not invoke the NHS dispute resolution procedure within the time specified in sub-paragraph (2), the Primary Care Trust shall be entitled to impose the contract sanction forthwith.

(4) If the Primary Care Trust is satisfied that it is necessary to impose the contract sanction before the NHS dispute resolution procedure is concluded in order to—

- (a) protect the safety of the contractor’s patients; or
- (b) protect itself from material financial loss,

the Primary Care Trust shall be entitled to impose the contract sanction forthwith, pending the outcome of that procedure.

Termination and the NHS dispute resolution procedure

119.—(1) Where the Primary Care Trust is entitled to serve written notice on the contractor terminating the contract pursuant to paragraph 112, 113, 114, or 115(4) or (6), the Primary Care Trust shall, in the notice served on the contractor pursuant to those provisions, specify a date on which the contract terminates that is not less than 28 days after the date on which the Primary Care Trust has served that notice on the contractor unless sub-paragraph (2) applies.

(2) This sub-paragraph applies if the Primary Care Trust is satisfied that a period less than 28 days is necessary in order to—

- (a) protect the safety of the contractor’s patients; or
- (b) protect itself from material financial loss.

(3) In a case falling with sub-paragraph (1), where the exceptions in sub-paragraph (2) do not apply, where the contractor invokes the NHS dispute resolution procedure before the end of the period of notice referred to in sub-paragraph (1), and it notifies the Primary Care Trust in writing that it has done so, the contract shall not terminate at the end of the notice period but instead shall only terminate in the circumstances specified in sub-paragraph (4).

(4) The contract shall only terminate if and when—

- (a) there has been a determination of the dispute pursuant to paragraph 102 and that determination permits the Primary Care Trust to terminate the contract; or
- (b) the contractor ceases to pursue the NHS dispute resolution procedure,

whichever is the sooner.

(5) If the Primary Care Trust is satisfied that it is necessary to terminate the contract before the NHS dispute resolution procedure is concluded in order to—

- (a) protect the safety of the contractor’s patients; or
- (b) protect itself from material financial loss,

sub-paragraphs (3) and (4) shall not apply and the Primary Care Trust shall be entitled to confirm, by written notice to be served on the contractor, that the contract will nevertheless terminate at the end of the period of the notice it served pursuant to paragraph 112, 113(1), 114, 115(4) or (6) or 116.

Consultation with the Local Medical Committee

120.—(1) Whenever the Primary Care Trust is considering—

- (a) terminating the contract pursuant to paragraph 112, 113, 114, 115(4) or (6) or 116; or
- (b) imposing a contract sanction,

it shall, whenever it is reasonably practicable to do so, consult the Local Medical Committee (if any) for its area before it terminates the contract or imposes a contract sanction.

(2) Whether or not the Local Medical Committee has been consulted pursuant to sub-paragraph (1), whenever the Primary Care Trust imposes a contract sanction on a contractor or terminates a contract pursuant to this Part, it shall, as soon as reasonably practicable, notify the Local Medical Committee in writing of the contract sanction imposed or of the termination of the contract (as the case may be).
