### **Provision of polling stations**

**23.**—(1) The returning officer must provide a sufficient number of polling stations and, subject to the following provisions of this rule, must allot the electors to the polling stations in such manner as he thinks most convenient.

(2) One or more polling stations may be provided in the same room.

(3) The polling station allotted to electors from any parliamentary polling district wholly or partly within the electoral area must, in the absence of special circumstances, be in the parliamentary polling place for that district, unless that place is outside the electoral area.

(4) The returning officer must provide each polling station with such number of compartments as may be necessary in which the voters can mark their votes screened from observation.

### **Appointment of presiding officers and clerks**

**24.**—(1) The returning officer must appoint and pay a presiding officer to attend at each polling station and such clerks as may be necessary for the purposes of the election, but he must not appoint any person who has been employed by or on behalf of a candidate in or about the election.

(2) The returning officer may, if he thinks fit, preside at a polling station and the provisions of these Rules relating to a presiding officer shall apply to a returning officer so presiding with the necessary modifications as to things to be done by the returning officer to the presiding officer or by the presiding officer to the returning officer.

(3) A presiding officer may do, by the clerks appointed to assist him, any act (including the asking of questions) which he is required or authorised by these Rules to do at a polling station except order the arrest, exclusion or removal of any person from the polling station.

**25.**—(1) The returning officer must as soon as practicable after the publication of the notice of election send to electors and their proxies an official poll card.

and different information may be provided in pursuance of sub-paragraph (d) to different electors or descriptions of elector.

(4) In the case of an elector with an anonymous entry, instead of containing the matter mentioned in paragraph (3)(b), the polling card must contain such matter as is specified in the appropriate form in the Appendix.

(5) Paragraph (7) of rule 6 shall apply for the interpretation of this rule.

(6) If the returning officer and the returning officer for each relevant election or referendum think fit, an official poll card issued under this rule may be combined with the official poll card issued at every relevant election or referendum.

### **Equipment of polling stations**

**26.**—(1) The returning officer must provide each presiding officer with such number of ballot boxes and ballot papers as in the returning officer's opinion may be necessary.

(2) The same ballot box may be used for the poll at the principal area election and the poll at every relevant election or referendum, if the returning officer thinks fit.

(3) Every ballot box must be so constructed that the ballot papers can be put in it, but cannot be withdrawn from it, without the box being unlocked or, where the box has no lock, the seal being broken.

(4) The returning officer must provide each polling station with—

- (a) materials to enable voters to mark the ballot papers;
- (b) copies of the register of electors for the electoral area or such part of it as contains the names of the electors allotted to the station;
- (c) the parts of any special lists prepared for the election corresponding to the register of electors for the electoral area or the part of it provided under sub-paragraph (b);
- (d) a list consisting of that part of the list prepared under rule 17 which contains the numbers (but not the other unique identifying marks) corresponding to those on the ballot papers provided to the presiding officer of the polling station.

(5) The reference in paragraph (4)(b) to the copies of the register of electors includes a reference to copies of any notices issued under section 13B(3B) or (3D) of the 1983 Act<sup>(3)</sup> in respect of alterations to the register.

(6) The returning officer must also provide each polling station with—

- (a) at least one large version of the ballot paper which must be printed on the same colour paper as the ballot papers and displayed inside the polling station for the assistance of voters who are partially sighted; and
- (b) a device of such description as is set out in paragraph (11) for enabling voters who are blind or partially sighted to vote without any need for assistance from the presiding officer or any companion (within the meaning of rule 37(1)).

---

(3) Section 13B of the 1983 Act was inserted by paragraph 3 of Schedule 2 to the Representation of the People Act 2000 (c.2) and amended by section 11(3) of the Electoral Administration Act 2006 (c.22). Subsections (3B) and (3D) of section 13B were inserted by section 11(4) of the Electoral Administration Act 2006 (c.22).

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

(7) Where notwithstanding paragraph (2) separate ballot boxes are to be used, each ballot box must be clearly marked with—

- (a) the election or referendum to which it relates, as shown on the ballot papers for that election or referendum; and
- (b) the words “Place the [*specify colour of ballot papers in question*] ballot papers in here”.

(8) A notice in the form in the Appendix, giving directions for the guidance of voters in voting, must be printed in conspicuous characters and exhibited inside and outside every polling station.

(9) The returning officer may also provide copies of the notice mentioned in paragraph (8) in Braille or translated into languages other than English as he considers appropriate, provided that these notices are accurate reproductions in Braille or that other language of that notice.

---

(4) [S.I. 2000/427](#)

- (b) hold the ballot paper firmly in place during use; and
- (c) provide suitable means for the voter to—
  - (i) identify the spaces on the ballot paper on which he may mark his vote;
  - (ii) identify the registered party or individual candidate to which each such space refers; and
  - (iii) mark his vote on the space he has chosen.

### **Appointment of polling and counting agents**

**27.**—(1) Subject to paragraphs (3) and (4), each candidate may, before the commencement of the poll, appoint—

- (a) polling agents to attend at polling stations for the purpose of detecting personation; and
- (b) counting agents to attend at the counting of the votes.

(2) The same person may be appointed as a polling agent or counting agent by more than one candidate.

(3) Not more than four polling agents, or such greater number as the returning officer may by notice allow, shall be permitted to attend at any particular polling station and if the number of such agents appointed to attend at a particular polling station exceeds that number, the returning officer must determine which agents are permitted to attend by lot and only the agents on whom the lot falls shall be deemed to have been duly appointed.

(4) The returning officer may limit the number of counting agents, so however that—

- (a) the number must be the same in the case of each candidate; and
- (b) the number allowed to a candidate must not (except in special circumstances) be less than the number obtained by dividing the number of clerks employed on the counting by the number of candidates.

For the purposes of the calculations required by this paragraph, a counting agent who has been appointed for more than one candidate is a separate agent for each of the candidates by whom he has been appointed.

(5) Notice in writing of the appointment, stating the names and addresses of the persons appointed, must be given by the candidate to the returning officer and must be so given not later than the fifth day (disregarding any day referred to in rule 2(1)) before the day of the poll.

(6) Notices of the appointment of polling agents and counting agents which are required by paragraph (5) above and paragraphs (7) and (8) below to be given to the returning officer must be given to that returning officer who discharges the functions specified in regulation 5 of the Combination of Polls Regulations(5).

(7) If an agent dies, or becomes incapable of acting, the candidate may appoint another agent in his place, and must forthwith give to the returning officer notice in writing of the name and address of the agent appointed.

(8) Any appointment authorised by this rule may be made and the notice of appointment given to the returning officer by the candidate's election agent, instead of by the candidate.

(9) In the following provisions of these Rules references to polling agents and counting agents shall be taken as references to agents—

- (a) whose appointments have been duly made and notified; and
- (b) where the number of agents is restricted, who are within the permitted numbers.

---

(5) Regulation 5 of the Combination of Polls Regulations has been amended by [S.I. 2006/3278](#).

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

(10) Any notice required to be given to a counting agent by the returning officer may be delivered at, or sent by post to, the address stated in the notice of appointment.

(11) A candidate may himself do any act or thing which any polling or counting agent of his, if appointed, would have been authorised to do, or may assist his agent in doing any such act or thing.

(12) A candidate's election agent may do or assist in doing anything which the candidate's polling or counting agent is authorised to do; and anything required or authorised by these Rules to be done in the presence of the polling or counting agents may be done in the presence of a candidate's election agent instead of his polling agent or counting agents.

(13) Where by these Rules any act or thing is required or authorised to be done in the presence of the polling or counting agents, the non-attendance of any agent or agents at the time and place appointed for the purpose shall not, if the act or thing is otherwise duly done, invalidate the act or thing done.

#### **Notification of requirement of secrecy**

**28.** The returning officer must make such arrangements as he thinks fit to ensure that—

- (a) every person attending at a polling station (otherwise than for the purpose of voting or assisting a voter with disabilities to vote or as a constable on duty there) has been given a copy in writing of the provisions of subsections (1), (3) and (6) of section 66 of the 1983 Act<sup>(6)</sup>; and
- (b) every person attending at the counting of the votes (other than any constable on duty at the counting) has been given a copy in writing of the provisions of subsections (2) and (6) of that section.

#### **Return of postal ballot papers**

**29.**—(1) Where—

- (a) a postal vote has been returned in respect of a person who is entered on the postal voters list, or
- (b) a proxy postal vote has been returned in respect of a proxy who is entered on the proxy postal voters list,

the returning officer must mark the list in the manner prescribed by regulations made under the 1983 Act<sup>(7)</sup>.

(2) Rule 45<sup>(6)</sup> does not apply for the purpose of determining whether, for the purposes of this rule, a postal vote or a proxy postal vote is returned.

---

(6) Subsections (1), (2) and (3) of section 66 of the 1983 Act were amended by paragraphs 69, 82, 86(b) and 96 of Schedule 1 to the Electoral Administration Act 2006 (c.22); subsection (6) was amended by paragraph 3 of Schedule 3 to the Representation of the People Act 1985 (c.50).
