**The Change of Category of Maintained
Schools (Wales) Regulations 2001**

Proposals

6.—(1) Regulations 7 to 18 shall apply in relation to proposals under paragraph 2 or (as the case may be) 3 of Schedule 8 to the Act of the kind mentioned in paragraph (2).

(2) Those proposals are proposals—

- (a) by a local education authority that a community school should change category to become a foundation school or that a community special school should change category to become a foundation special school;
- (b) by a governing body that a community, foundation, voluntary aided or voluntary controlled school should change category to become a school within another of those categories (including, in the case of a voluntary aided school, proposals which the governing body are required to publish by virtue of paragraph 3 of Schedule 8 to the Act);
- (c) by a governing body that a community special school should change category to become a foundation special school or vice versa.
