**COMMISSION DECISION****of 26 March 1997****drawing up provisional lists of third country establishments from which the Member States authorize imports of products prepared from meat of bovine animals, swine, equidae and sheep and goats****(Text with EEA relevance)****(97/365/EC)**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Decision 95/408/EC of 22 June 1995 on the conditions for drawing up, for an interim period, provisional lists of third country establishments from which Member States are authorized to import certain products of animal origin, fishery products or live bivalve molluscs <sup>(1)</sup>, as amended by Decision 97/34/EC <sup>(2)</sup>, and in particular Article 2 (1) thereof,

Whereas Council Decision 79/542/EEC <sup>(3)</sup>, as last amended by Commission Decision 97/160/EC <sup>(4)</sup>, draws up a list of third countries from which the Member States authorize imports of meat products;

Whereas, for many of the countries on that list the animal health and veterinary certification requirements for importation of meat products have been laid down in Commission Decision 91/449/EEC <sup>(5)</sup>, as last amended by Decision 96/92/EC <sup>(6)</sup>;

Whereas the Commission has received from certain third countries lists of establishments, with guarantees that they fully meet the appropriate Community health requirements and that should an establishment fail to do so its export activities to the European Community will be suspended;

Whereas the Commission has been unable to ascertain in all the third countries concerned the compliance of their establishments with the Community requirements and the validity of the guarantees provided by the competent authorities;

Whereas, to prevent the interruption of trade in meat products from those countries, it is necessary to grant them a further period during which Member States will be able to continue to import meat products from the establishments they have recognized; whereas during that further period the Commission will collect from those countries the guarantees needed in order to be able to add them to the list in accordance with the procedure laid down in Decision 95/408/EC;

Whereas on the expiry of that period third countries which have not transmitted their lists of establishments in accordance with the Community rules will no longer be permitted to export meat products to the Community;

Whereas Member States will be responsible therefore for satisfying themselves that the establishments from which they import meat products meet requirements for production and placing on the market which are no less stringent than the Community requirements;

Whereas provisional lists of establishments producing meat products can thus be drawn up in respect of certain countries;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee,
