

## COMMISSION DECISION

of 7 July 1997

**drawing up provisional lists of third country establishments from which the Member States authorize imports of wild game meat**

(Text with EEA relevance)

(97/468/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Decision 95/408/EC of 22 June 1995 on the conditions for drawing up, for an interim period, provisional lists of third country establishments from which Member States are authorized to import certain products of animal origin, fishery products or live bivalve molluscs<sup>(1)</sup>, as last amended by Council Decision 97/34/EC<sup>(2)</sup>, and in particular Article 2 (1) and Article 7 thereof,

Whereas Commission Decision 94/86/EC<sup>(3)</sup>, as last amended by Decision 96/137/EC<sup>(4)</sup>, draws up a list of third countries from which the Member States authorize imports of wild game meat;

Whereas, for many of the countries on that list the animal health and veterinary certification requirements for importation of wild game meat have been laid down in Commission Decision 97/218/EC<sup>(5)</sup>, and in Decision 97/220/EC<sup>(6)</sup>;

Whereas the Commission has received from certain third countries lists of establishments, with guarantees that they fully meet the appropriate Community health requirements and that should an establishment fail to do so its export activities to the European Community will be suspended;

Whereas the Commission has been unable to ascertain in all the third countries concerned the compliance of their establishments with the Community requirements and the validity of the guarantees provided by the competent authorities;

Whereas, to prevent the interruption of trade in wild game meat from those countries, it is necessary to grant a further period during which Member States will be able to continue to import wild game meat from the establishments they have recognized under the reservation that the trade in this meat will be limited to the national market;

whereas during that further period the Commission will collect from those countries the guarantees needed in order to be able to add them to the list in accordance with the procedure laid down in Decision 95/408/EC;

Whereas, concerning the Czech Republic, a list of establishments has been drawn up by Commission Decision 97/299/EC<sup>(7)</sup>;

Whereas on the expiry of that period third countries which have not transmitted their lists of establishments in accordance with the Community rules will no longer be permitted to export wild game meat to the Community;

Whereas Member States will be responsible therefore for satisfying themselves that the establishments from which they import wild game meat meet requirements for production and placing on the market which are no less stringent than the Community requirements;

Whereas provisional lists of establishments producing wild game meat can thus be drawn up in respect of certain countries;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee,

HAS ADOPTED THIS DECISION:

*Article 1*

3. Imports of wild game meat shall remain subject to the Community veterinary provisions adopted elsewhere.
