(98/422/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Directive 91/493/EEC of 22 July 1991 laying down the health conditions for the production and the placing on the market of fishery products ⁽¹⁾, as last amended by the Act of Accession of Austria, Finland and Sweden, and in particular Article 11 thereof,

Whereas a Commission expert has conducted an inspection visit to Tanzania to verify the conditions under which fishery products are produced, stored and dispatched to the Community;

Whereas the provisions of legislation of Tanzania on health inspection and monitoring of fishery products may be considered equivalent to those laid down in Directive 91/493/EEC;

Whereas, in Tanzania the Fisheries Division (FD) of the Ministry of Natural Resources and Tourism is capable of effectively verifying the application of the laws in force;

Whereas the procedure for obtaining the health certificate referred to in Article 11(4)(a) of Directive 91/493/EEC must also cover the definition of a model certificate, the minimum requirements regarding the language(s) in which it must be drafted and the grade of the person empowered to sign it;

Whereas, pursuant to Article 11(4)(b) of Directive 91/493/EEC, a mark should be affixed to packages of fishery products giving the name of the third country and the approval/registration number of the establishment, factory vessel, cold store or freezer vessel of origin;

Whereas, pursuant to Article 11(4)(c) of Directive 91/493/EEC, a list of approved establishments, factory vessels or cold stores must be drawn up; whereas a list of freezer vessels registered in the sense of Council Directive 92/48/EEC ⁽²⁾ must be drawn up; whereas this list must be drawn up on the basis of a communication from the FD to the Commission; whereas it is therefore for the FD to ensure compliance with the provisions laid down to that end in Article 11(4) of Directive 91/493/EEC;

Whereas the FD has provided official assurances regarding compliance with the rules set out in Chapter V of the Annex to Directive 91/493/EEC and regarding the fulfilment of requirements equivalent to those laid down by that Directive for the approval or registration of establishments, factory vessels, cold stores or freezer vessels;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee,
