THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Decision 95/408/EC of 22 June 1995 on the conditions for drawing up, for an interim period, provisional lists of third country establishments from which Member States are authorised to import certain products of animal origin, fishery products or live bivalve molluscs⁽¹⁾, as last amended by Council Decision 98/603/EC⁽²⁾, and in particular Article 2(1) thereof,

Whereas:

- (1) Part XIII of the Annex to Commission Decision 94/278/EC⁽³⁾, as last amended by Decision 98/597/EC⁽⁴⁾, draws up a list of third countries from which the Member States authorise imports of gelatine intended for human consumption.
- (2) Chapter 4 of Annex II to Council Directive 92/118/EEC of 17 December 1992 laying down animal health and public health requirements governing trade in and imports into the Community of products not subject to the said requirements laid down in specific Community rules referred to in Annex A(I) to Directive 89/662/EEC and, as regards pathogens, to Directive 90/425/EEC⁽⁵⁾, as last amended by Decision 1999/724/EC⁽⁶⁾, lays down the health conditions applicable to putting on the market and for imports of gelatine intended for human consumption. Furthermore, Commission Decision 2000/20/EC⁽⁷⁾ establishes health certificates for the importation of gelatine from third countries.
- (3) The Commission has received lists of establishments from certain third countries listed in Part XIII of the Annex to Decision 94/278/EC. The competent authorities of these third countries have provided the Commission with guarantees that their establishments fully meet the relevant Community health requirements.
- (4) In order to allow the time necessary to carry out Community inspections in third countries to verify the validity of the above guarantees provided by the competent authorities of the third countries concerned and to avoid disruption in trade from third countries, provisional lists of establishments producing gelatine for human consumption should thus be drawn up in accordance with the procedure laid down in Decision 95/408/EEC.
- (5) The measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee,
